I'd like to see the look on Ranger Smith's face now that we finally outwitted him.

Ranger Smith!
Let's have the basket, Yogi.

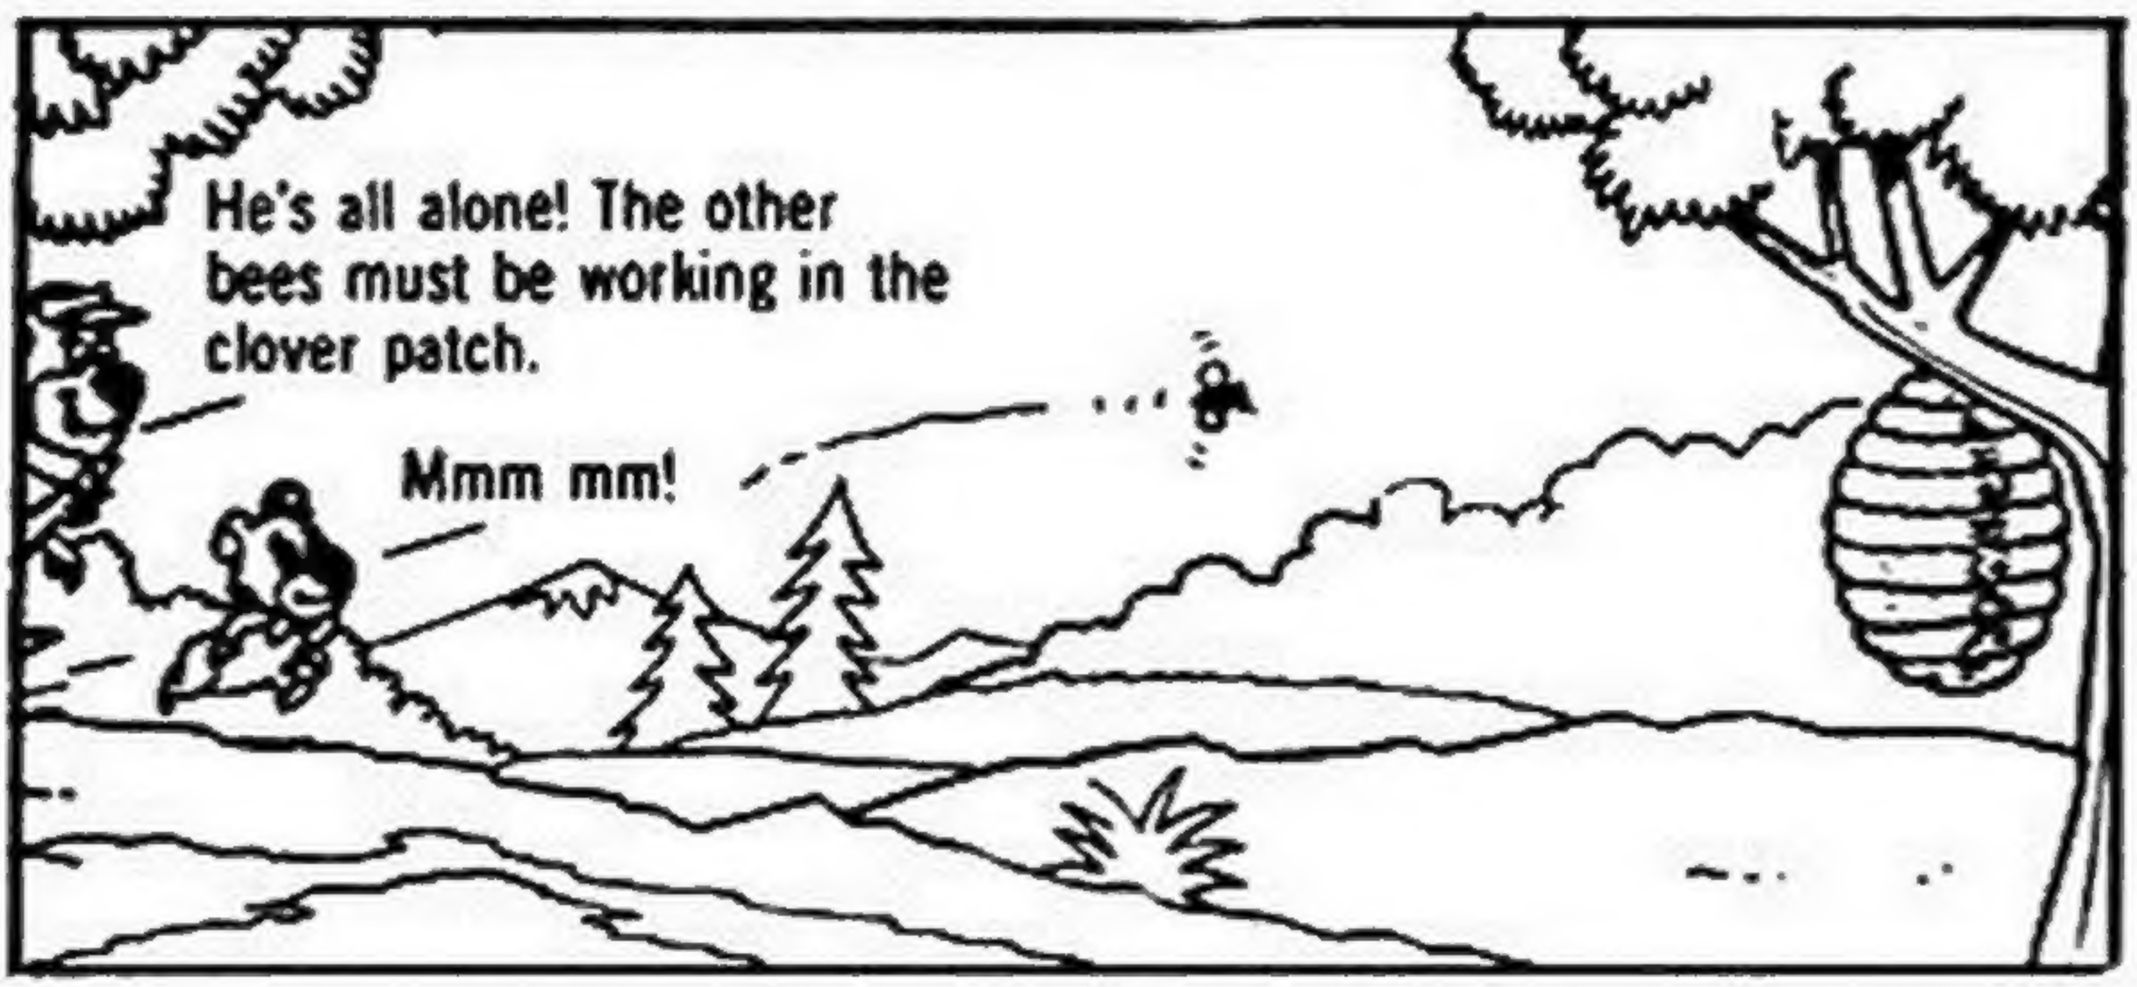
Well, at least we got to see the look on his face.

What does the paper say?
It says, "All bears are invited to a picnic." And it's signed, "Ranger Smith"!

He fainted! Yogi! What happened?

The shock must have been too much for him.
Poor Yogi isn't used to being invited to picnics.

A honeybee! Let's follow it.
Oh, boy! There's nothing like fresh honey for Sunday breakfast.
¡BZZZZZZZZ..!



He's all alone! The other bees must be working in the clover patch.
Mmm mm!

Yii! Since when do honeybees stay in bed on Sunday mornings?

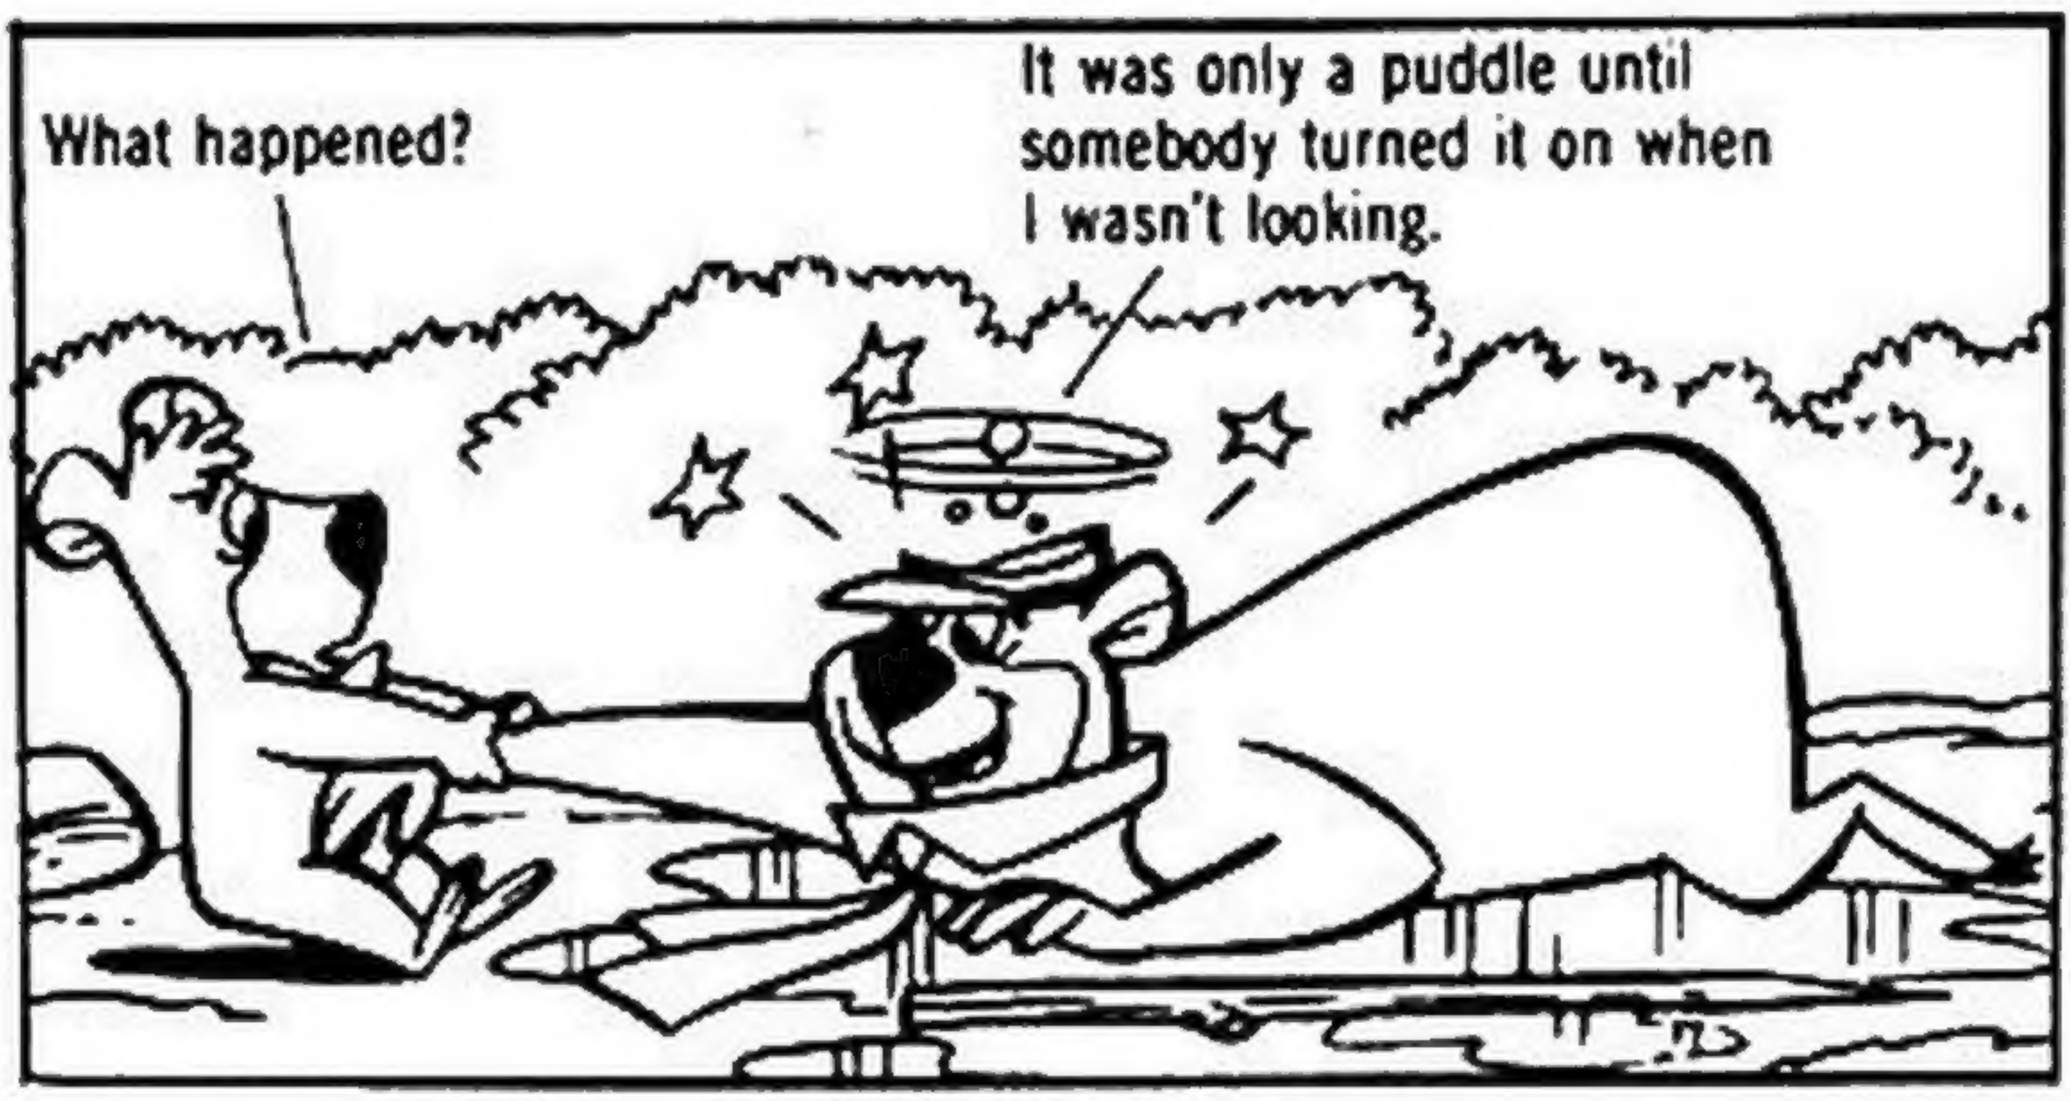
Oh, my gosh! I almost forgot! The park is closed today.

There's only one thing to do when all the tourists leave.

Even Ranger Smith knows what that is. Zzzzzz

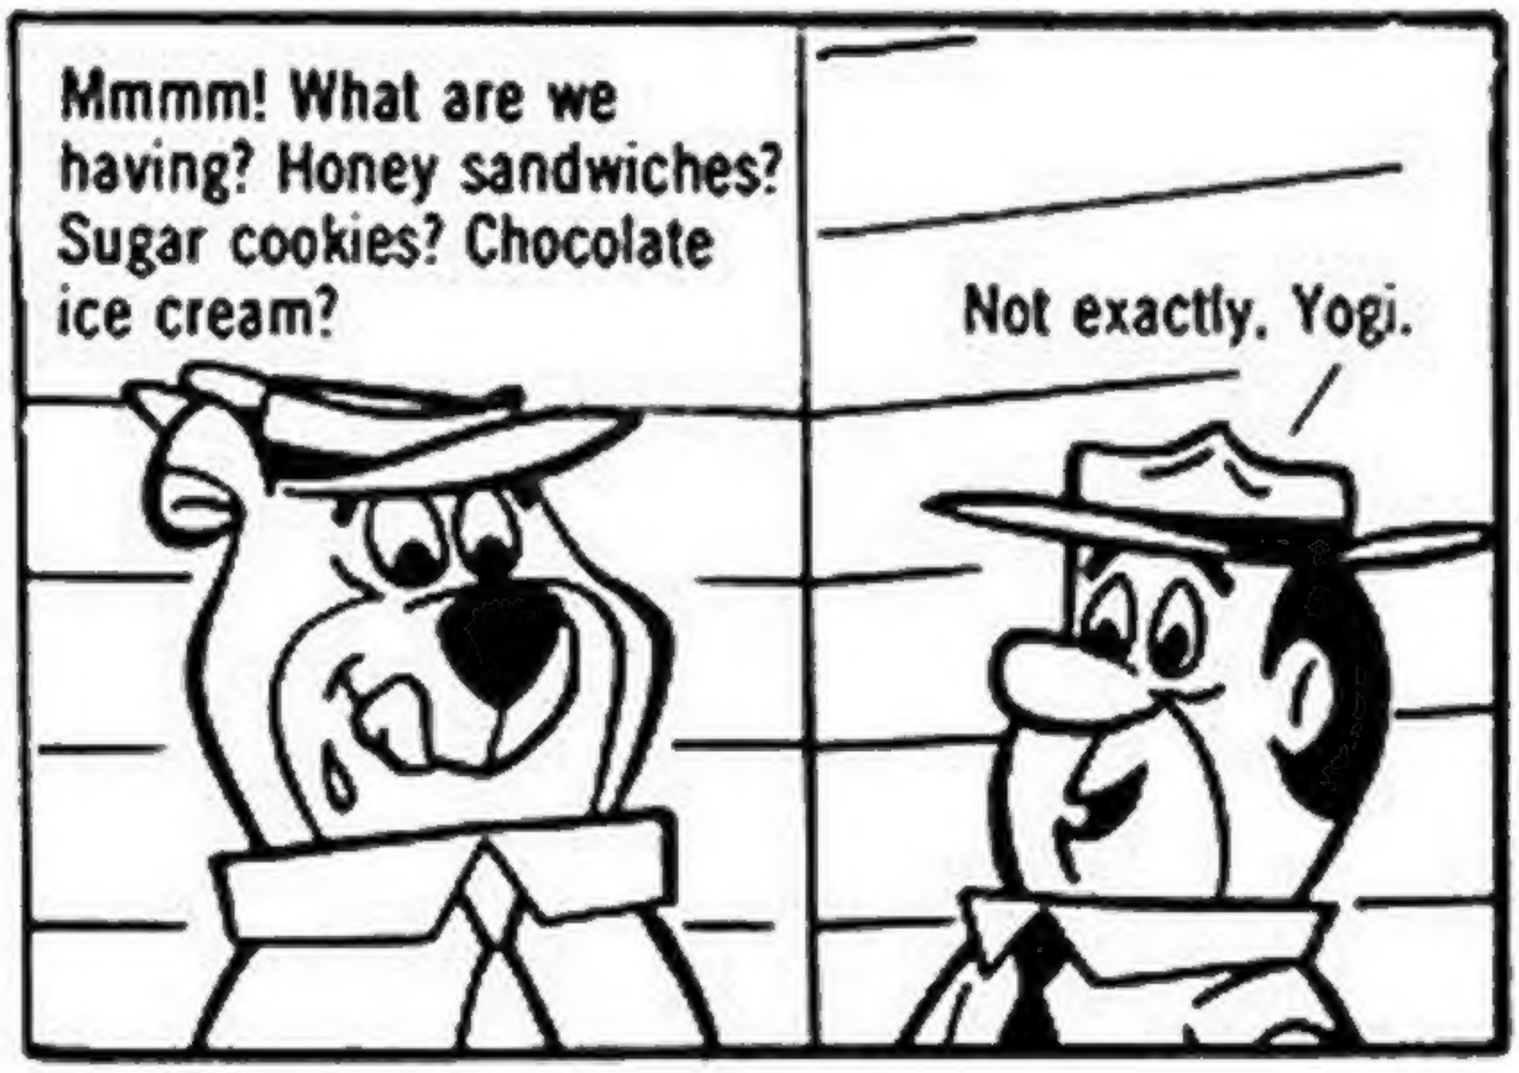
There aren't any fish in a geyser!

Geyser? What geyser?

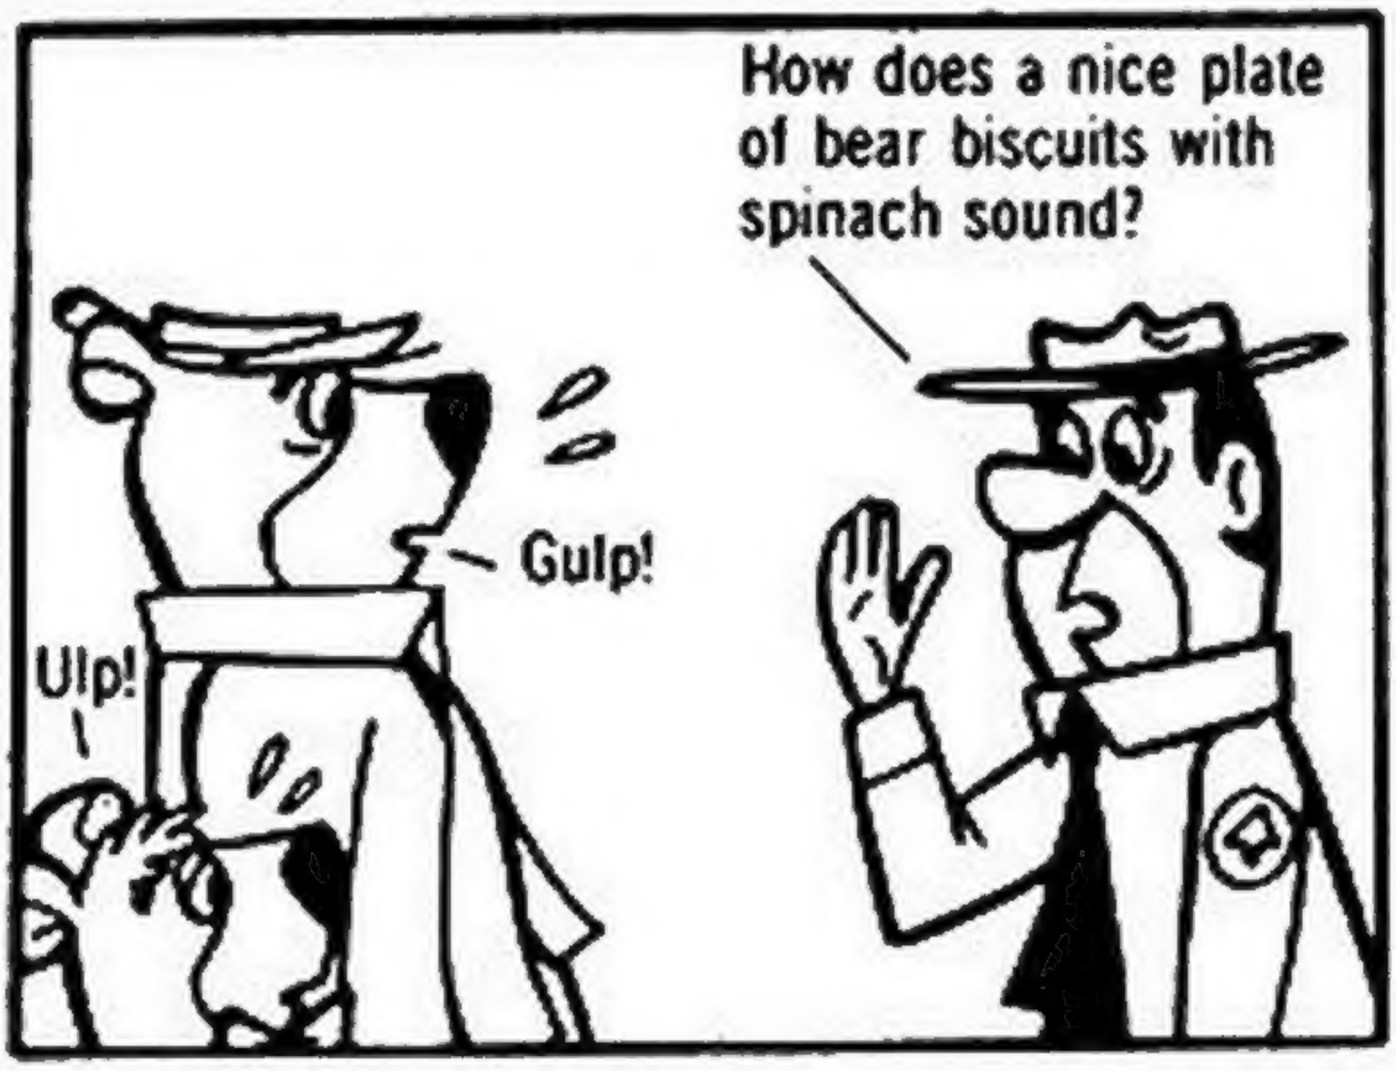


What happened?
It was only a puddle until somebody turned it on when I wasn't looking.

Will you boys join me for lunch?
Lunch? Oh, Boy!
We sure will!



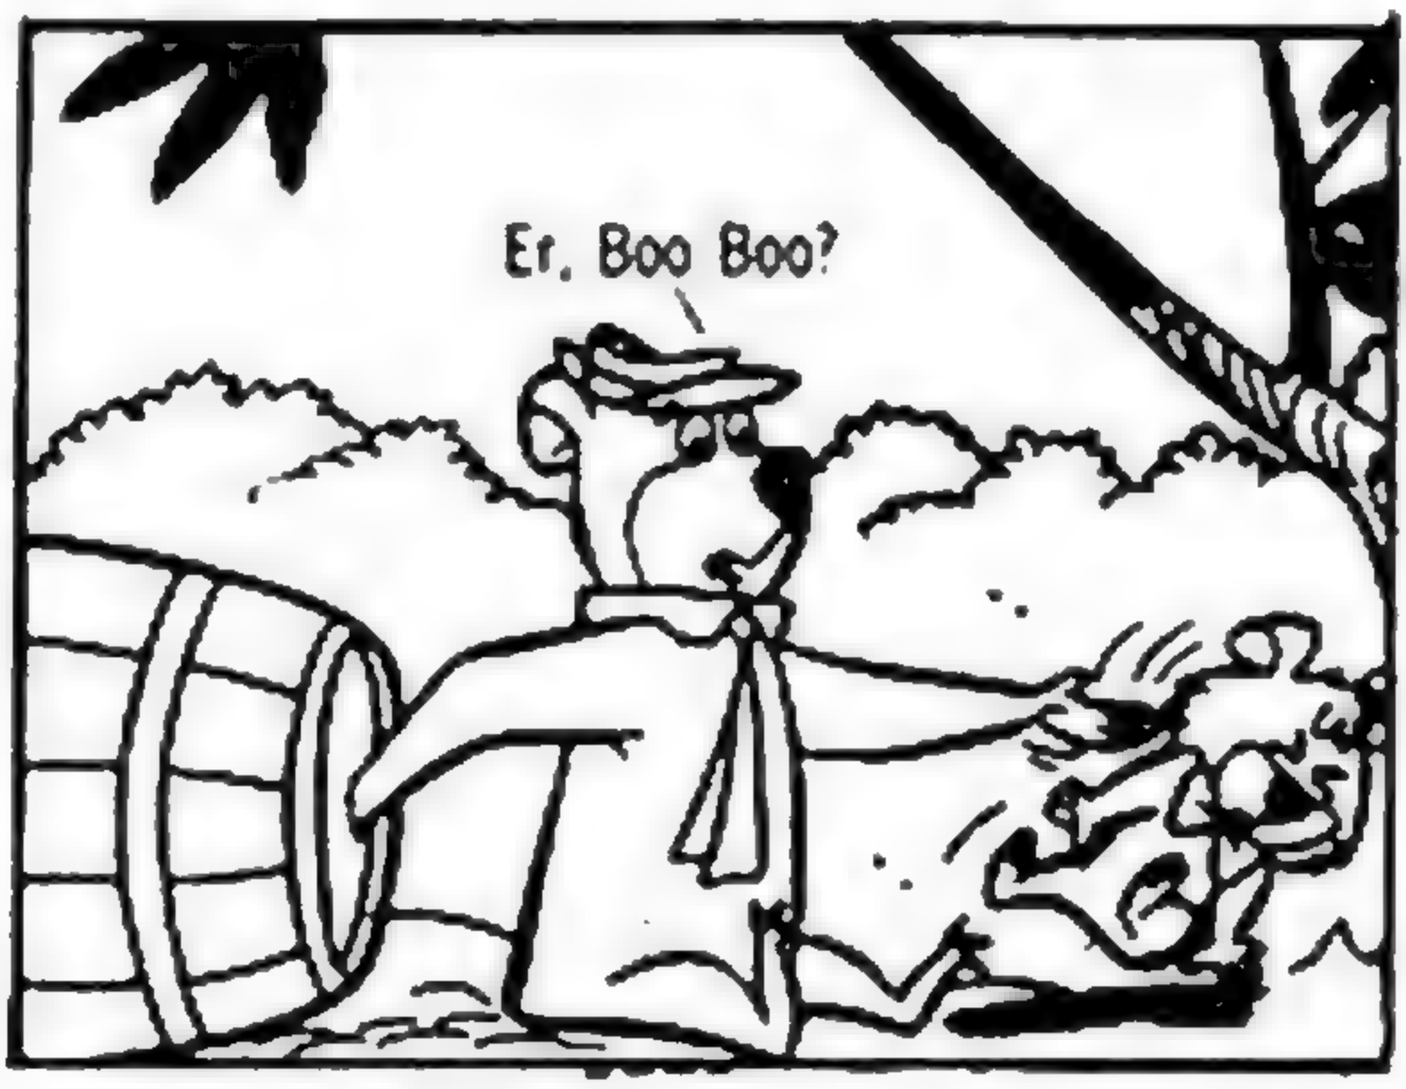
Mmmm! What are we having? Honey sandwiches? Sugar cookies? Chocolate ice cream?
Not exactly, Yogi.



How does a nice plate of bear biscuits with spinach sound?
Gulp!
Ulp!

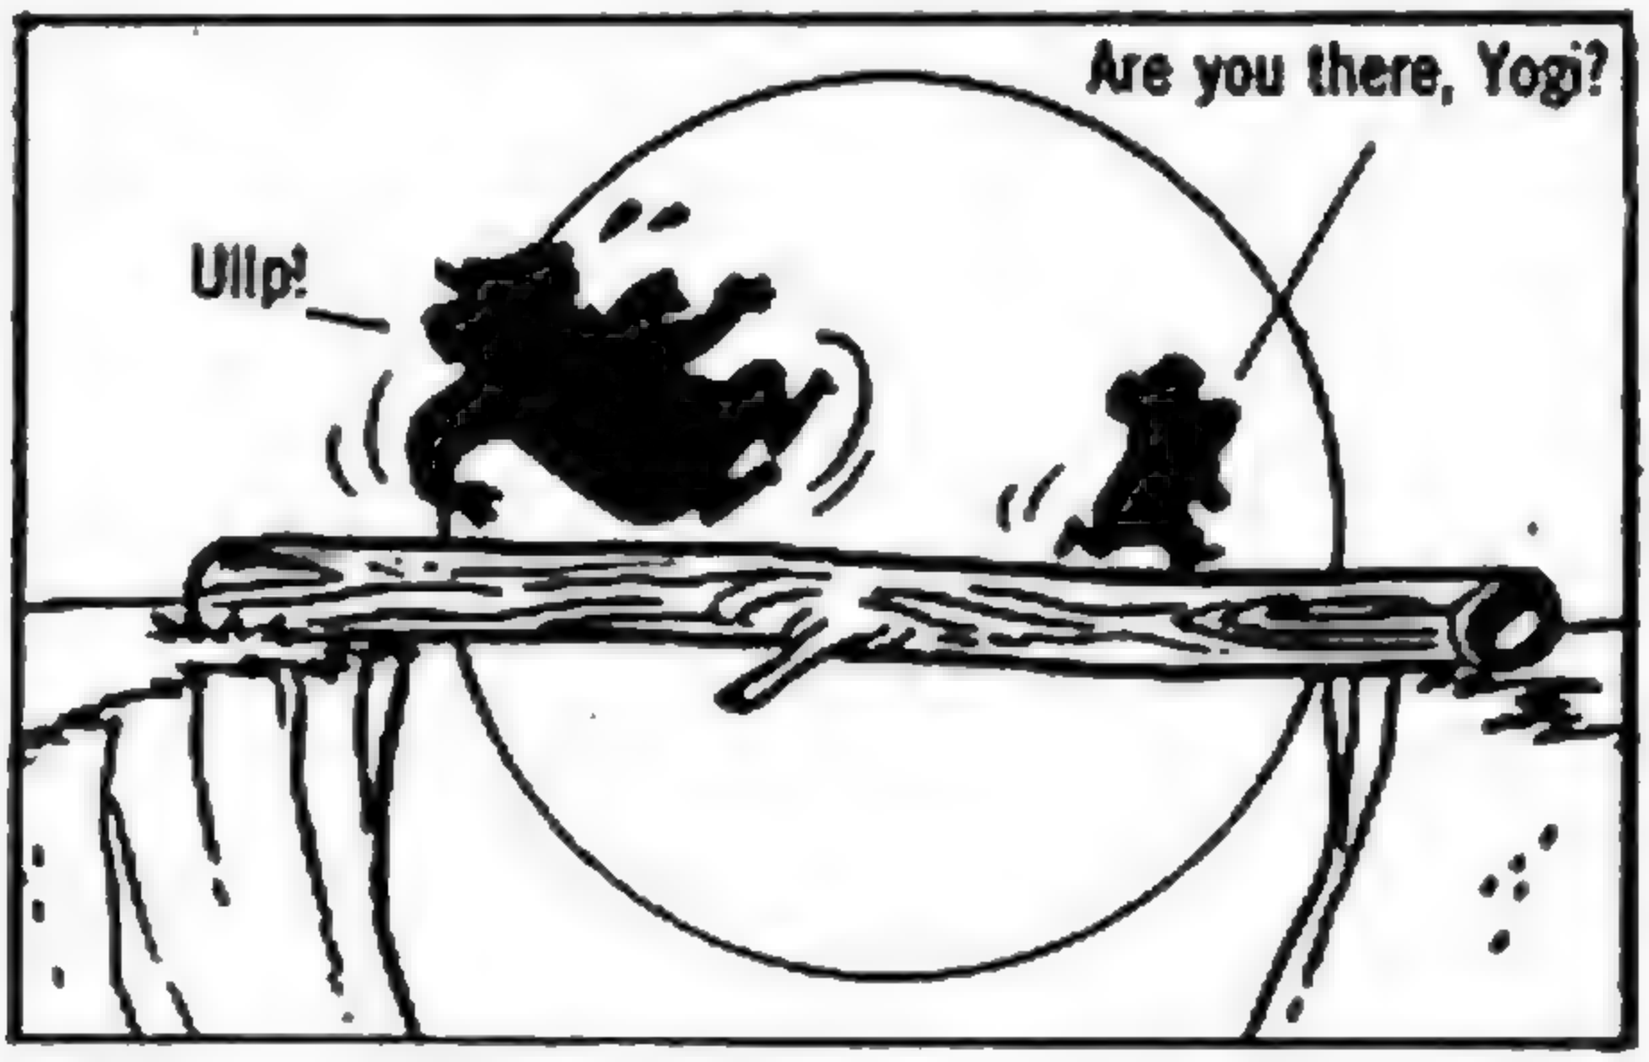
He's sleeping.
Now's my chance
to have some
delicious honey.

This is one time I won't
have to ask for help. Oh, oh!



Er, Boo Boo?

If Boo Boo can cross Bottomless Canyon so can I. I hope.



Are you there, Yogi?
Ulllp!

No, Boo Boo!
I'm here!
Hellllp!

I'll save you, Yogi.
Thank goodness you heard me!

Don't step on my fingers or I'll land on my head.

You mean I'll land on your head! Whee!
POW!

Let me know if you get tired, Boo Boo.
I'll let you know, Yogi.

He's sound asleep!

Next time let me know *before* you get tired.
Zzzzz

It's hunting season. We can't be too cautious, Boo Boo.

Come on! The coast is clear. Oh, oh!

I thought you said the coast was clear.
It was but the woods aren't!
BANG! BANG!

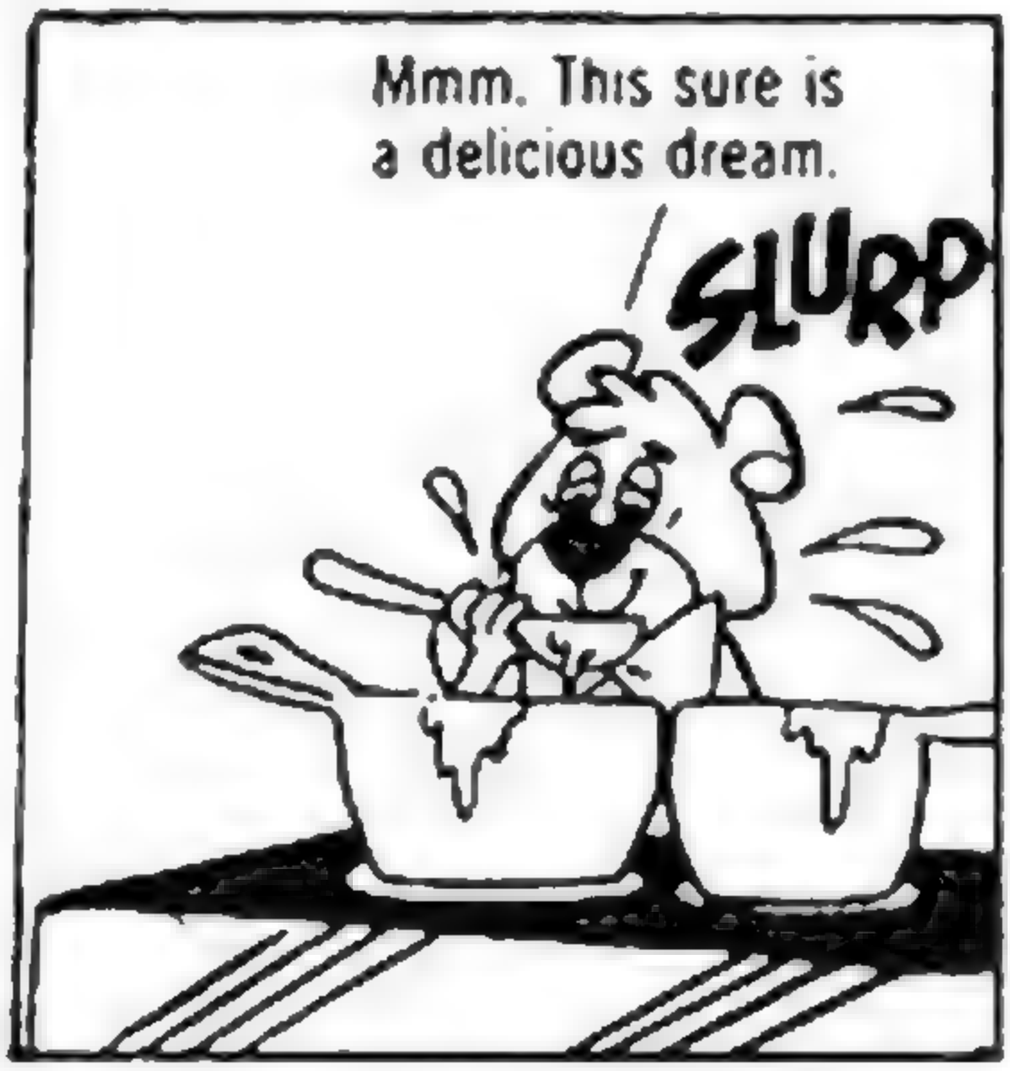
This time I'm going to outsmart those pesky bees.
I sure hope so, Yogi.

A smart bear can outwit a bee any day.

Bzzzz
Bzzz
Boy, are those bees going to be surprised.
They won't be the only ones.

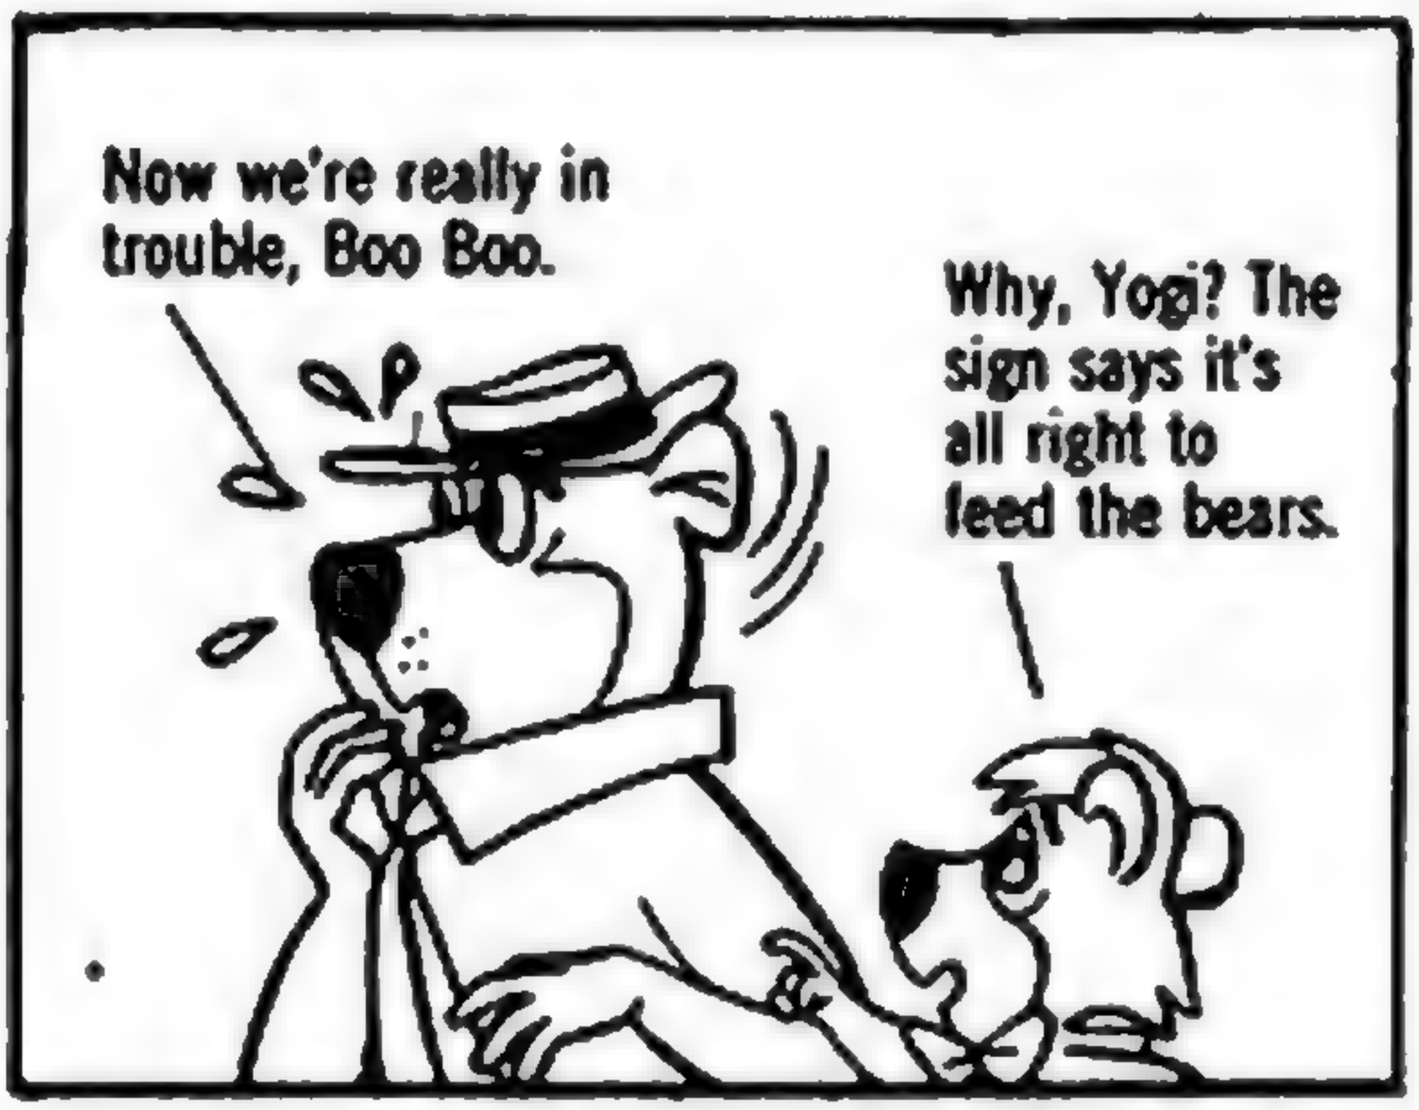
Look, Yogi! The cook is making frosting. Let's go lick the pans.

You must be dreaming. She'll never give you a taste.



Mmm. This sure is a delicious dream.
SLURP

This will fix those pesky bears.
FEED THE BEARS SHARE YOUR MEALS



Now we're really in trouble, Boo Boo.
Why, Yogi? The sign says it's all right to feed the bears.

That's what I mean. Since when did visitors to Jellystone ever do what the signs say?
Uip! I didn't think of that.

Yogi! Boo Boo!
Come back! I
didn't mean it!

It's all the
fault of this
dumb sign.
THE
FEED
BEARS

Ah, this is more like it!
Stop, you pesky bears!
Come back with that basket!

Watch out for the trees, Yogi.
Not again?

Jump into the water, Boo Boo!

Since when are we afraid of trees?
Trees? Ulp! I thought you said watch out for the bees!

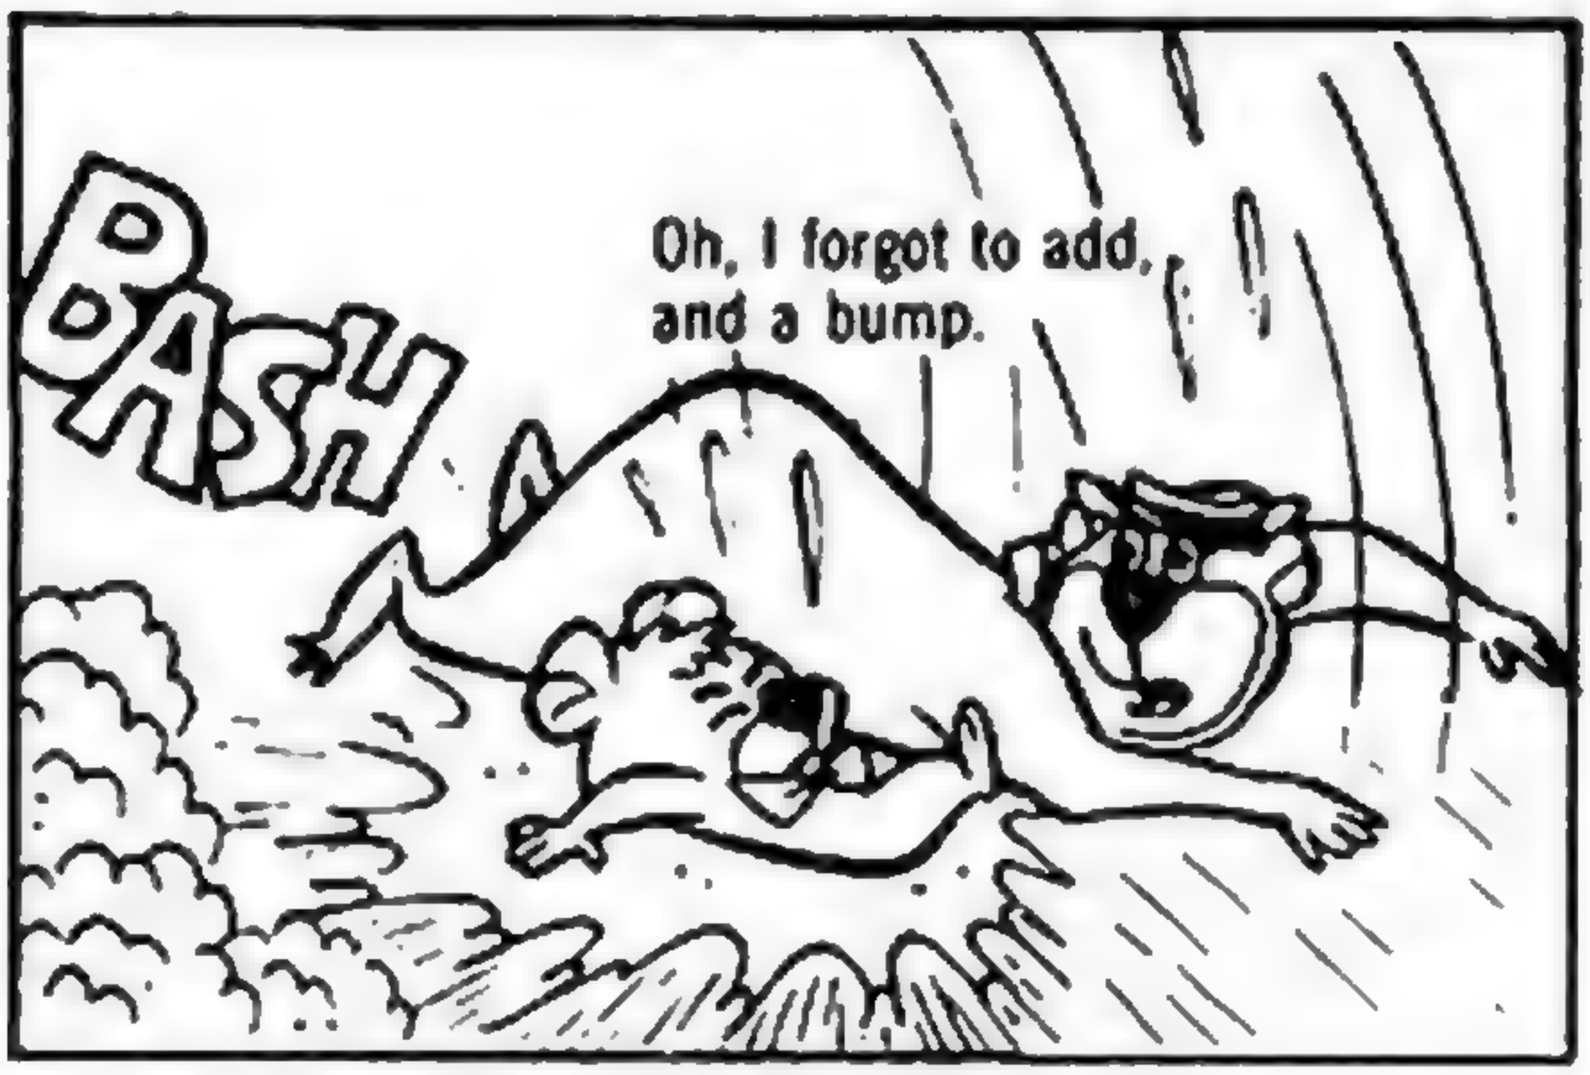
We can go in now, Boo Boo.
Why did we wait for it to close?
HAMBURGER PALACE

Simple, Boo Boo. It's easier to get free food when the paying customers are gone.

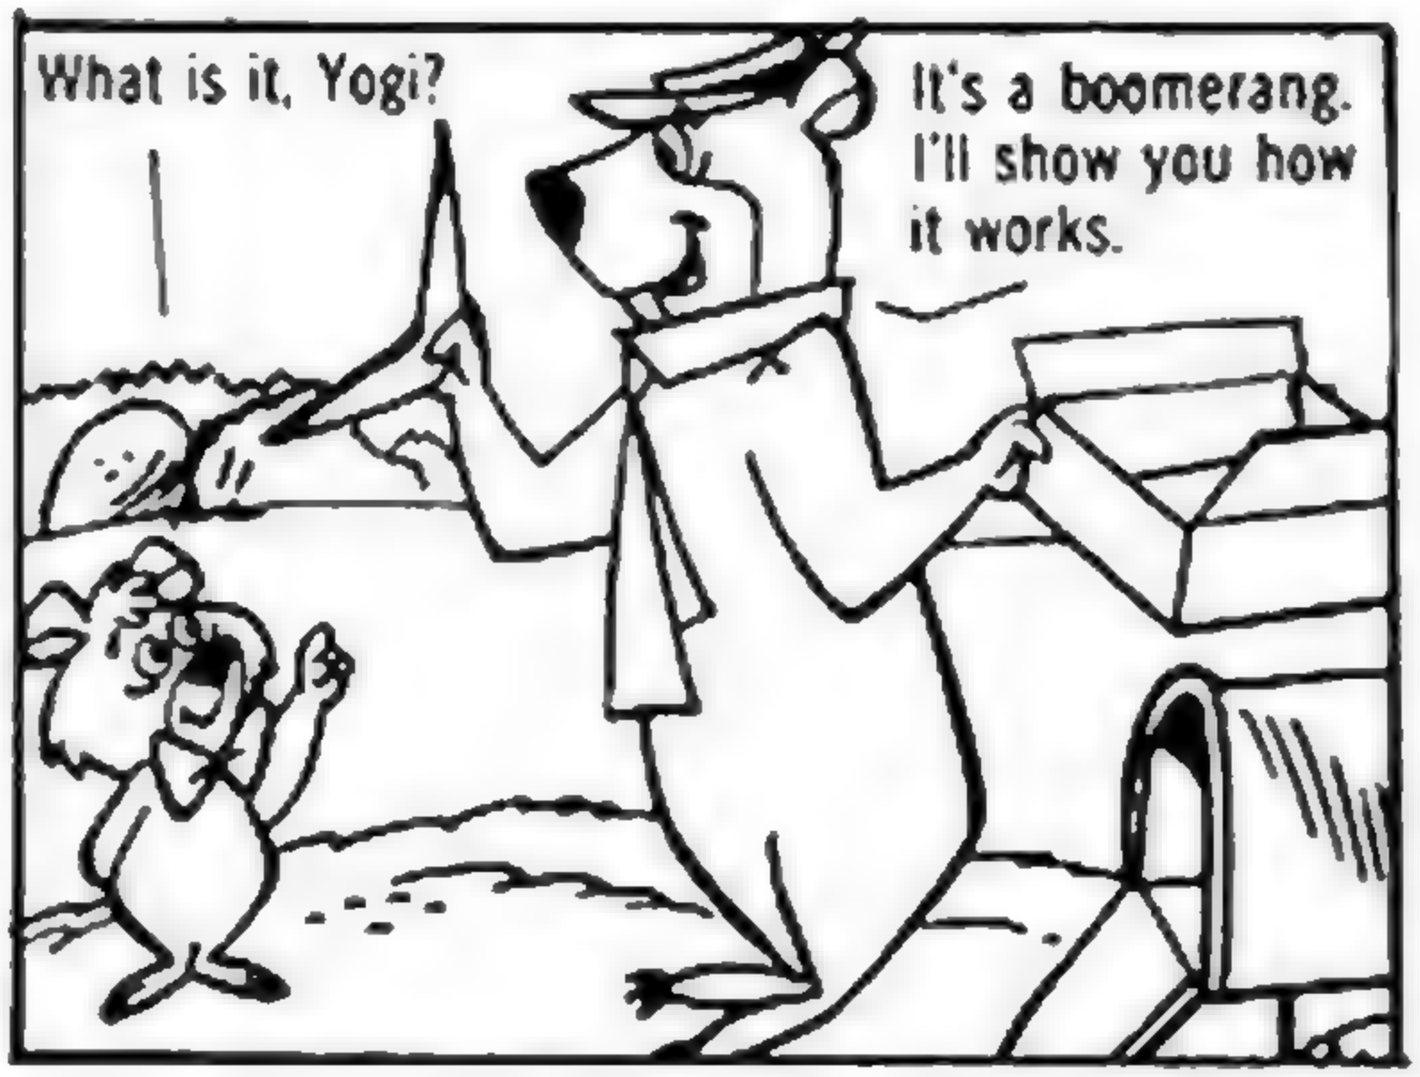
Too bad you're so late, fellas. We had free food for everyone today.
It's all gone? Oh, no!

Faster, Boo Boo! I found a brand-new way to sneak into Jellystone Park.
JELLYSTONE

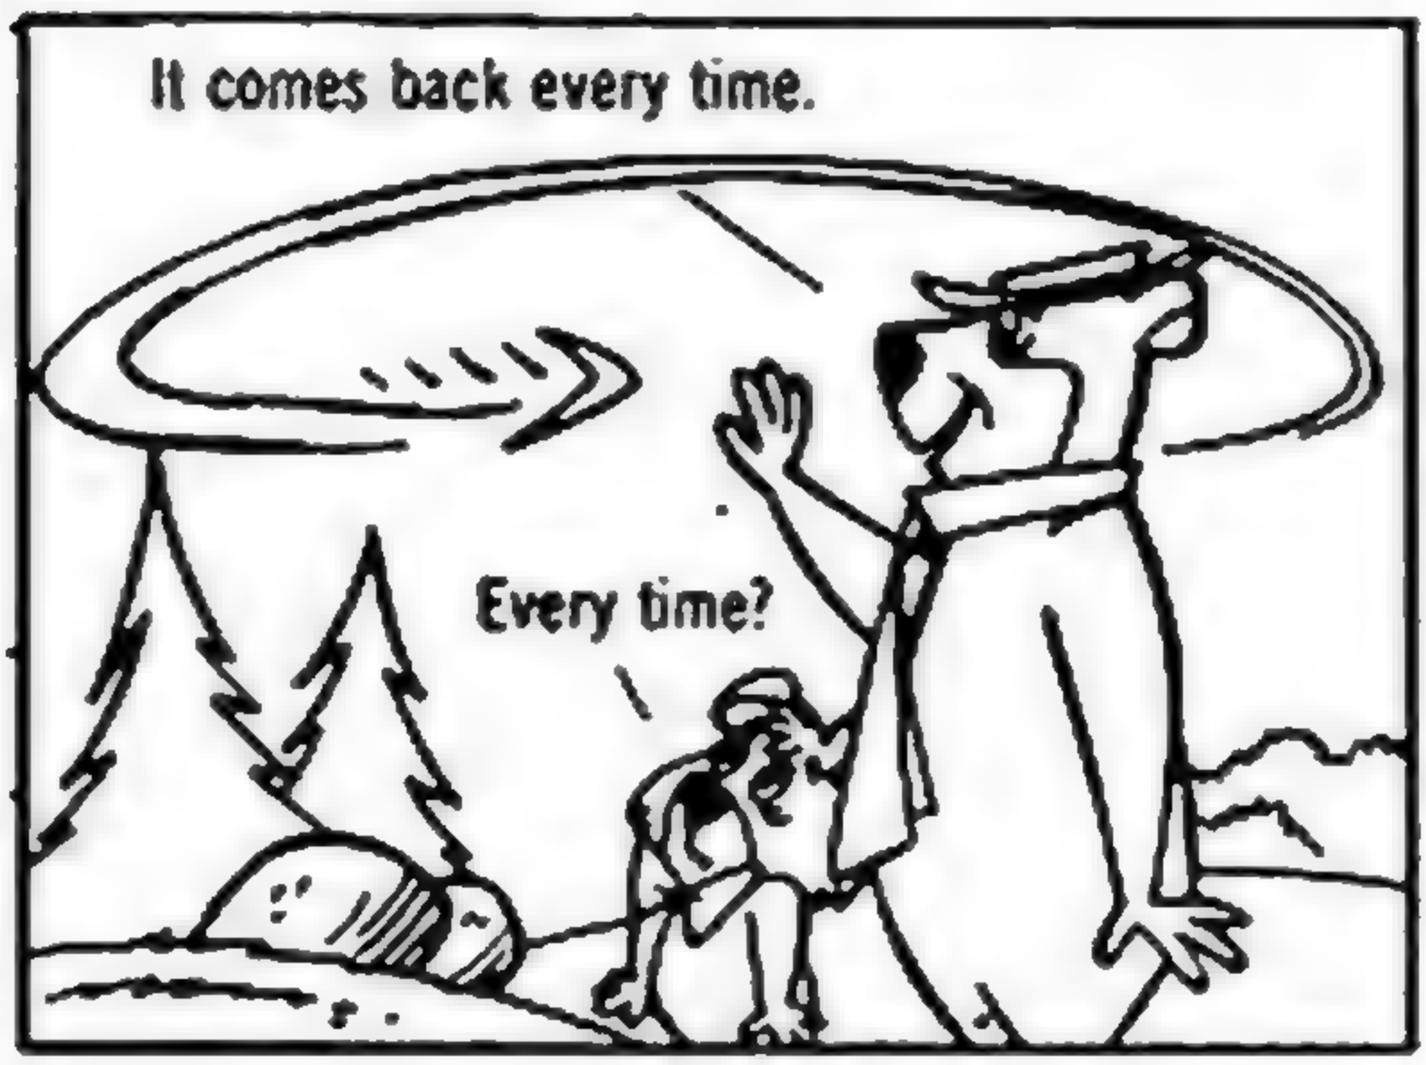
It's just a hop, skip and a jump!



Oh, I forgot to add, and a bump.
DASH



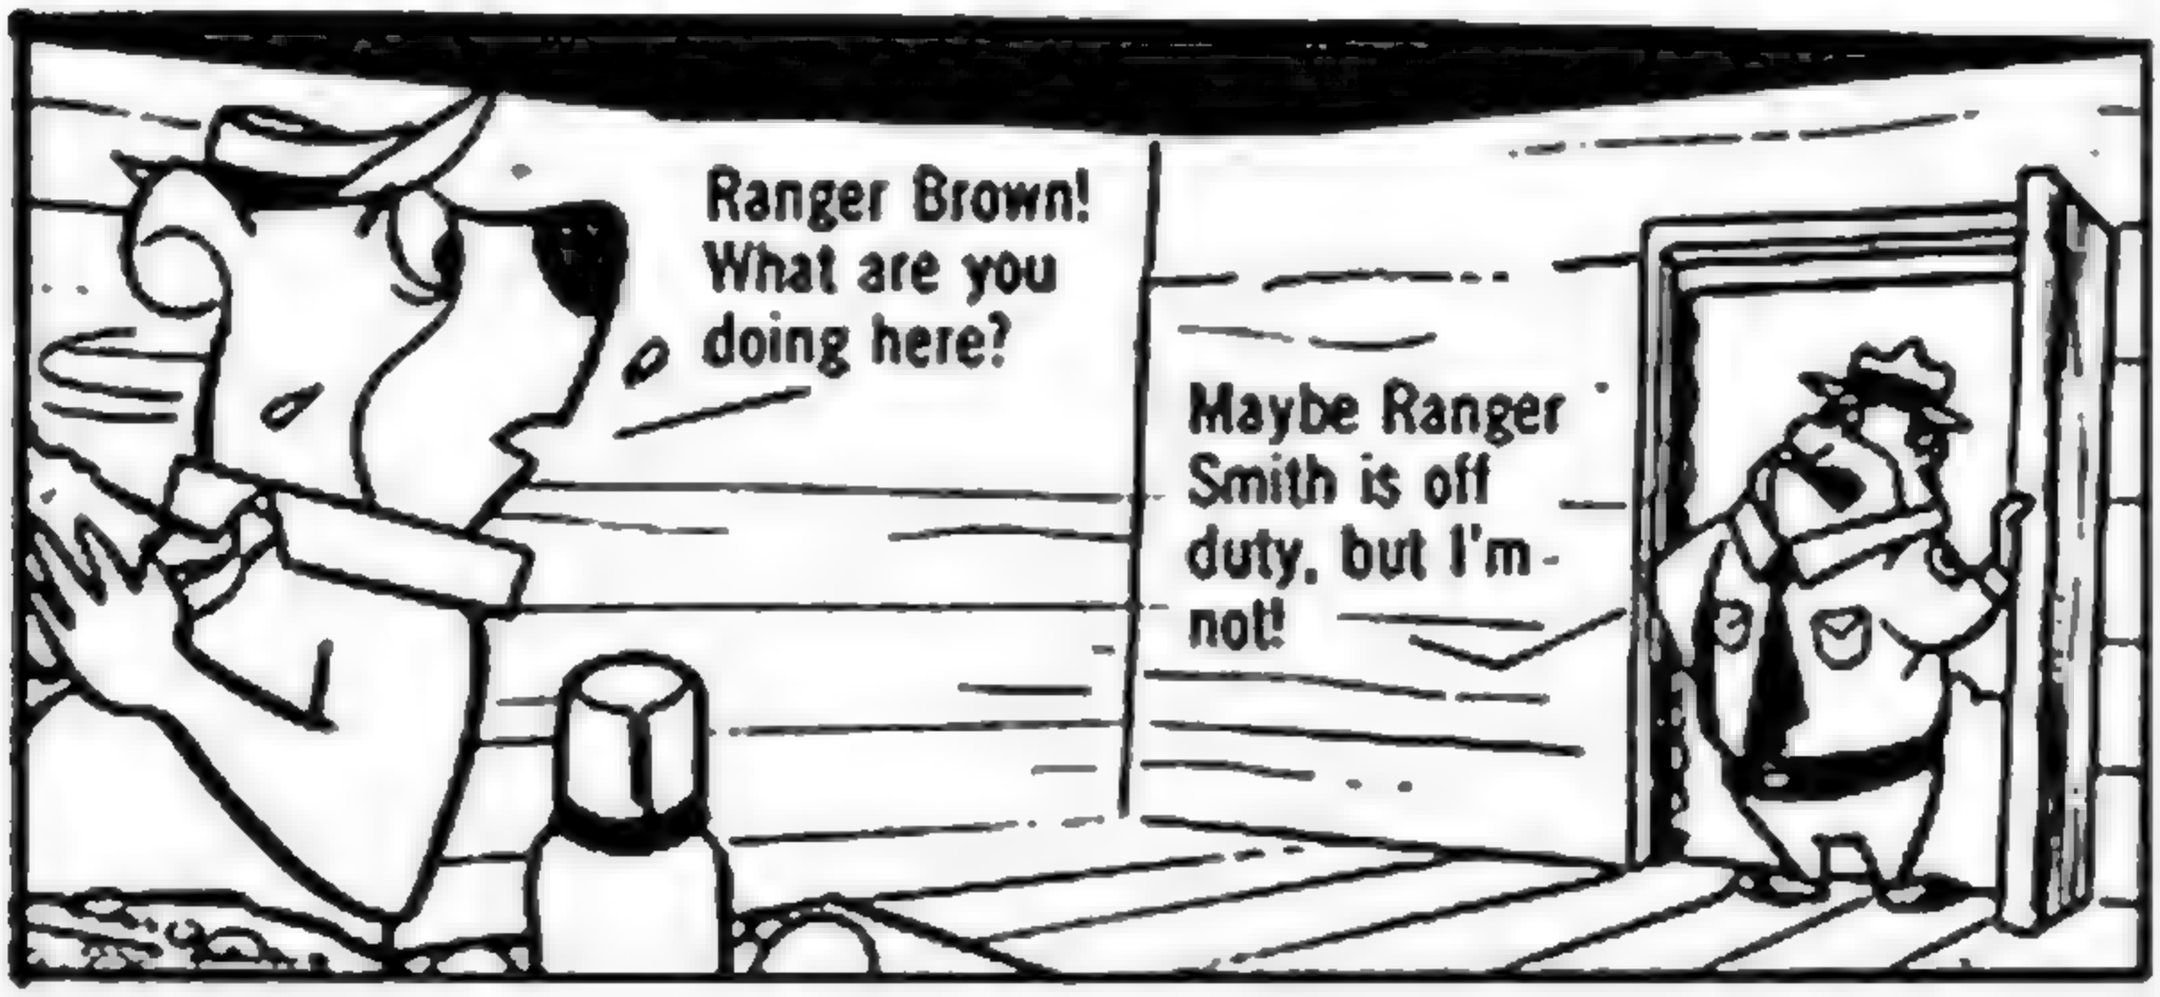
What is it, Yogi?
It's a boomerang. I'll show you how it works.



It comes back every time.
Every time?

Well, almost every time.
Here, boomerang!
Here, boomerang!

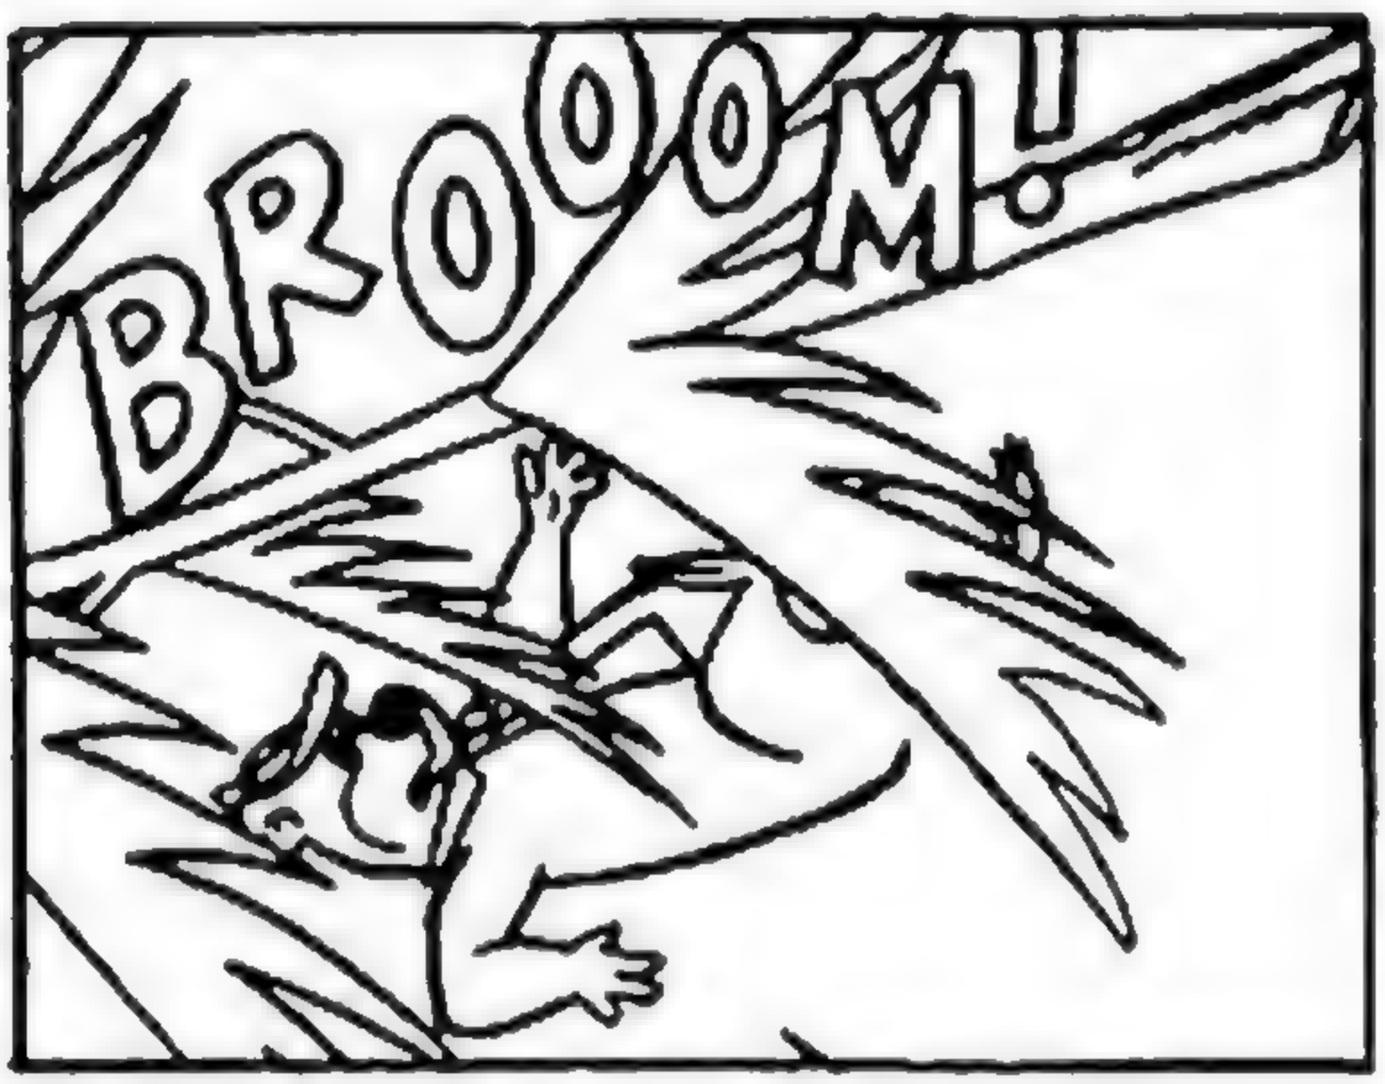
Ranger Smith is off duty. Now's our chance for a free meal at his cabin.



Ranger Brown! What are you doing here?
Maybe Ranger Smith is off duty, but I'm not!

Why doesn't somebody tell me these things?

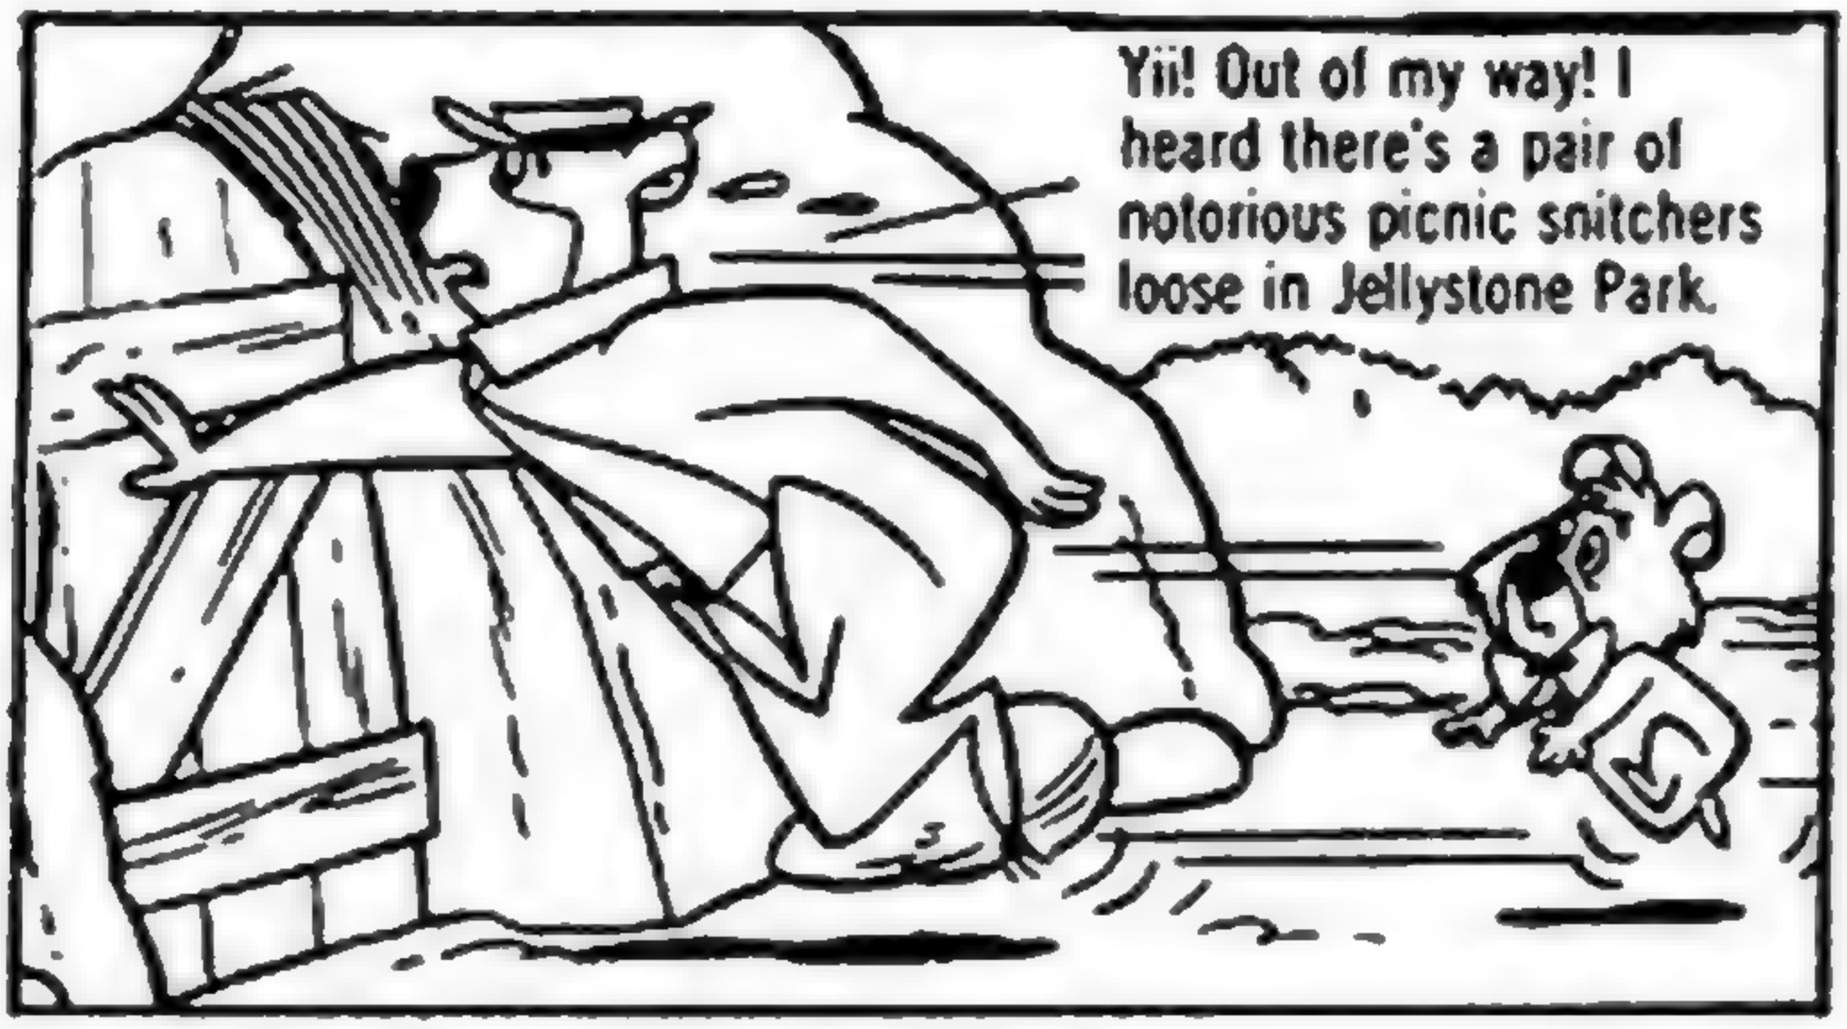
You forgot something.
What did I forget?



BROOM!

You forgot to yell TIMBER!

I hear footsteps, Yogi. Somebody is following us.



Yii! Out of my way! I heard there's a pair of notorious picnic snitchers loose in Jellystone Park.

Hey! What are we running for? We're the picnic snitchers!
Gee, I didn't think I was that scary.

I'm afraid to cross Bottomless Canyon Bridge, Boo Boo.

Just close your eyes and cross like I do.

You can open your eyes now.

Not until I'm really safe.

I don't want to take any chances.. owww!

JUMP!

In a few years all this will be yours.
I'm not so sure, Yogi.

The way some people treat it, there won't be any park left in a few years.

I wish you wouldn't say things like that, Boo Boo. It scares me.
Me too, Yogi.

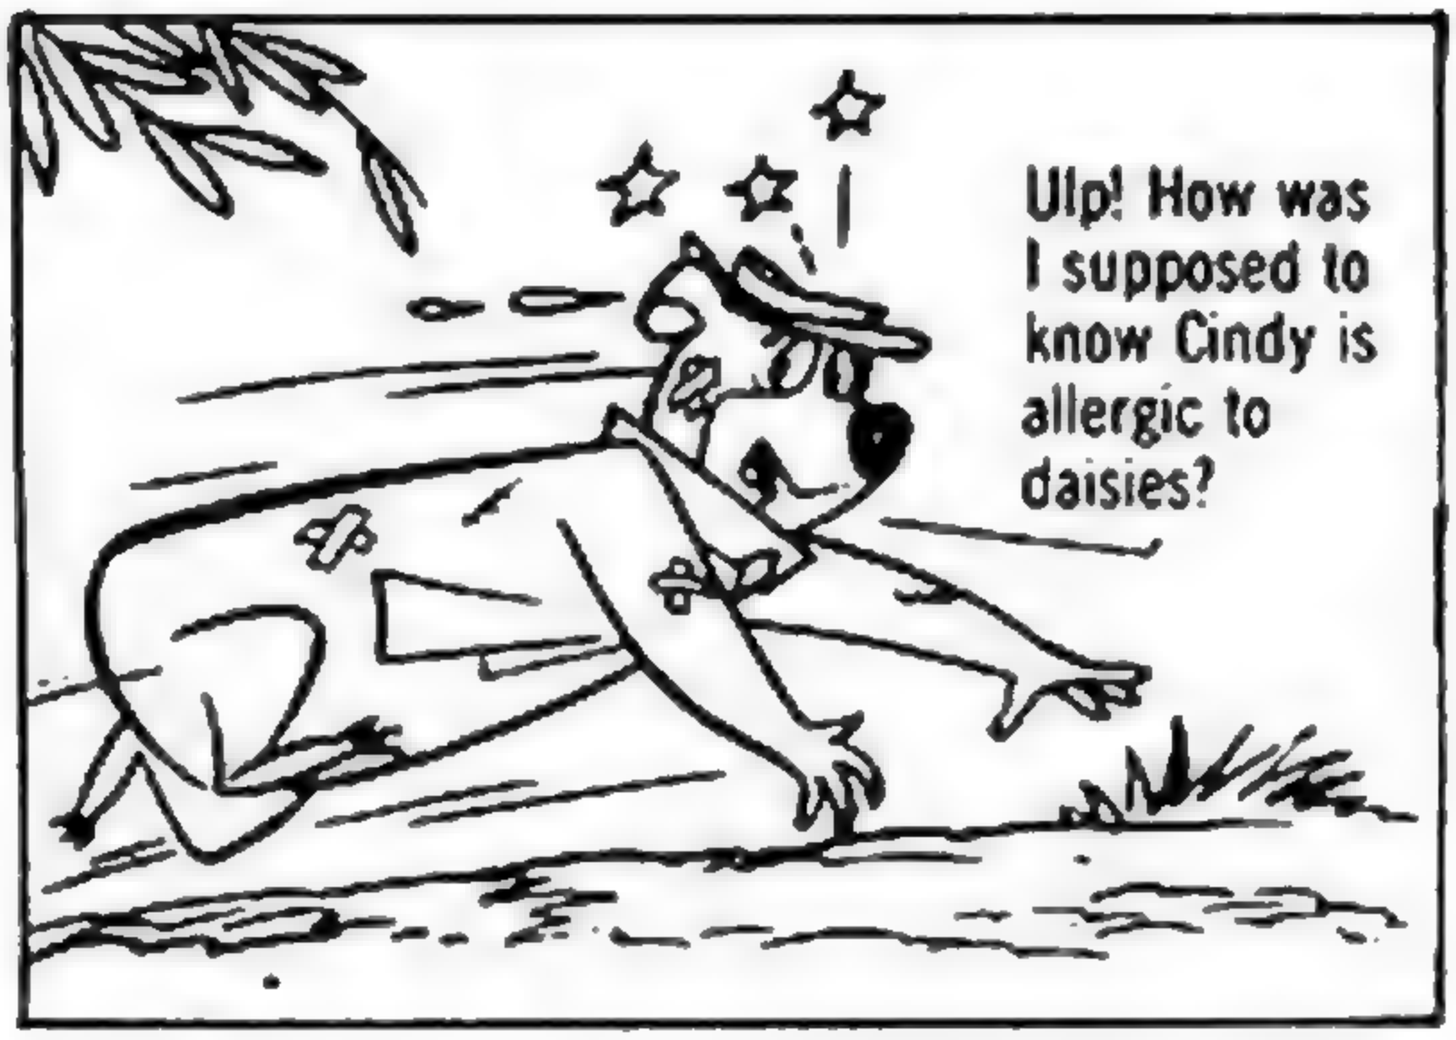
Gosh, Boo Boo is eating right under the cook's nose.
Yum yum!

Why, I'll bet the cook has finally decided to be friendly.

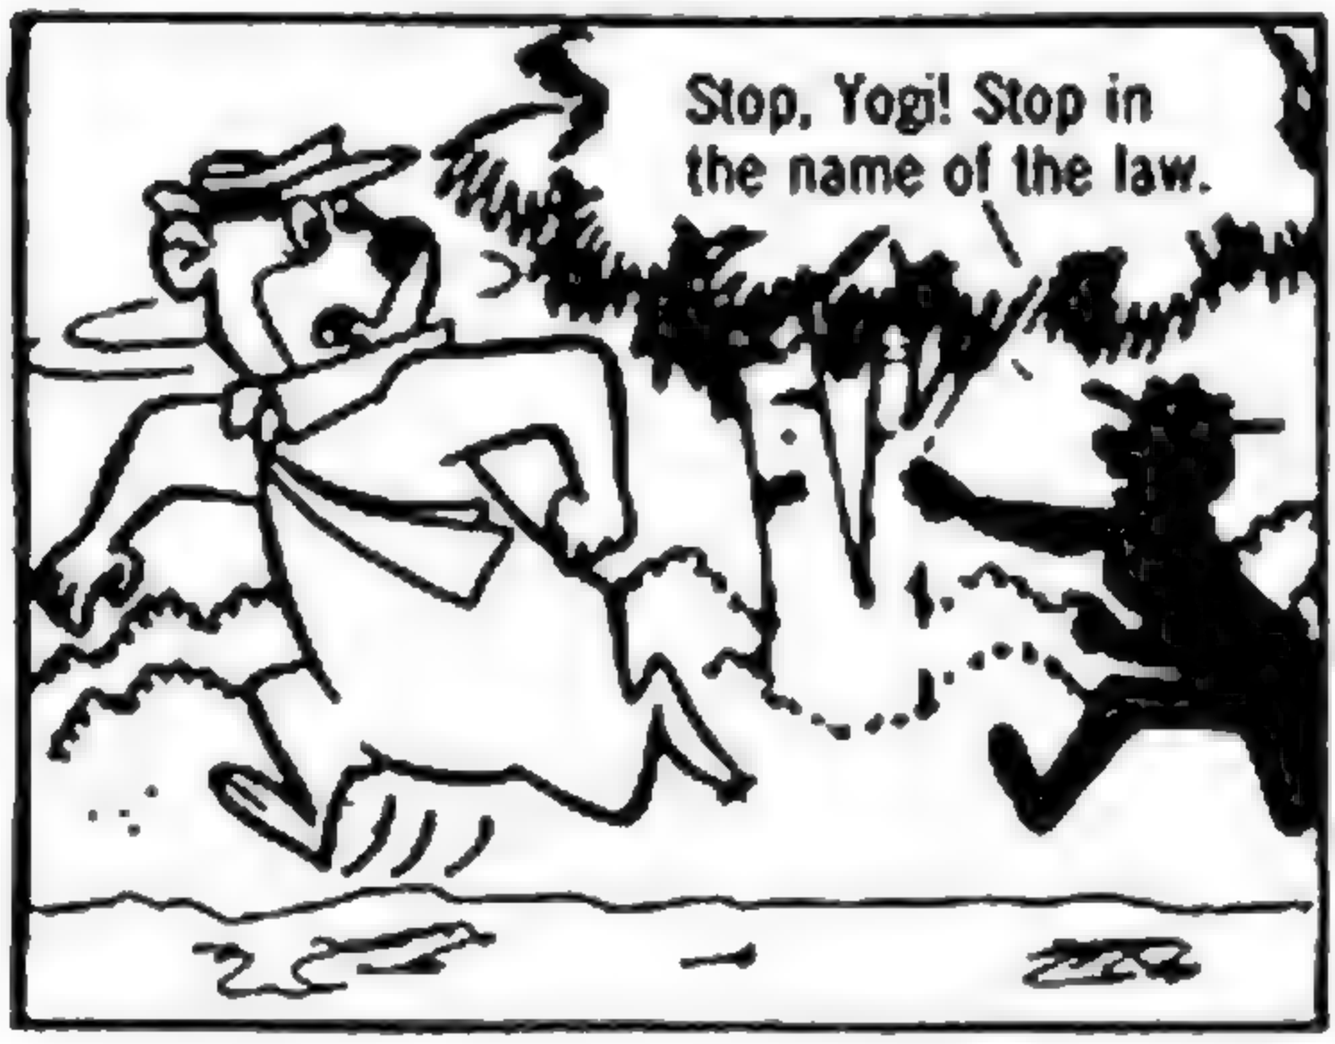
Yii! If that's how he treats his friends, I feel sorry for his enemies.
BANG!

I wouldn't take daisies to Cindy if I were you.

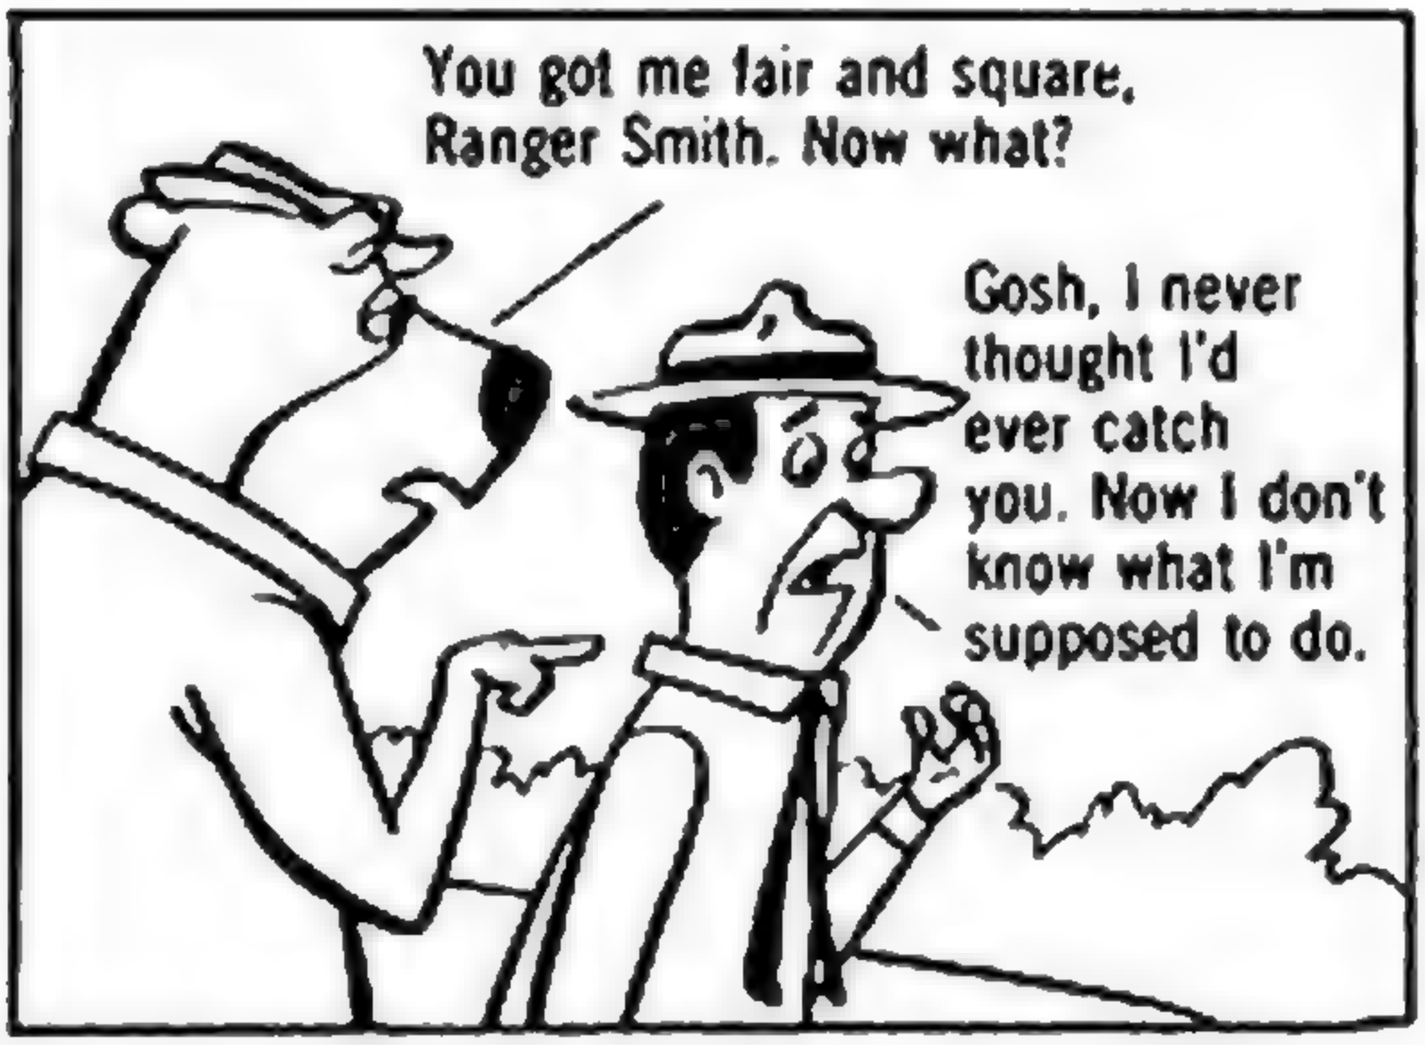
Nonsense! Girls love flowers. Just wait until Cindy gets a whiff of these.



Ulp! How was I supposed to know Cindy is allergic to daisies?



Stop, Yogi! Stop in the name of the law.



You got me fair and square, Ranger Smith. Now what?
Gosh, I never thought I'd ever catch you. Now I don't know what I'm supposed to do.

Sometimes I'm not so sure people are as smart as bears.

Don't worry, Boo Boo. There isn't another creature here but us.
Are you sure, Yogi?

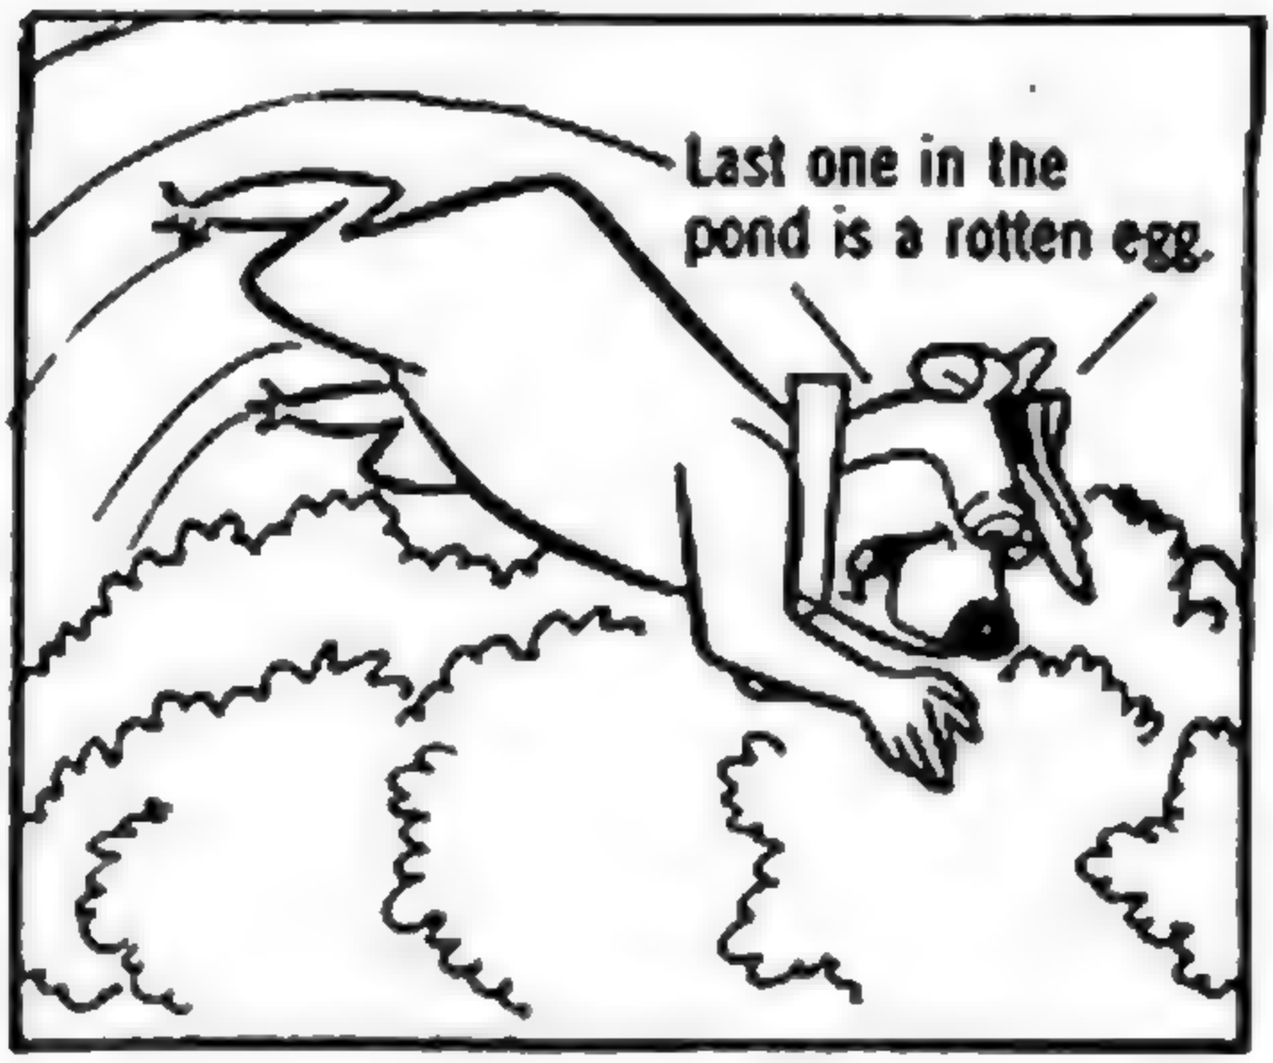
Of course, I'm sure.

When Yogi Bear says there isn't something hiding behind every bush, you know there's nothing there.

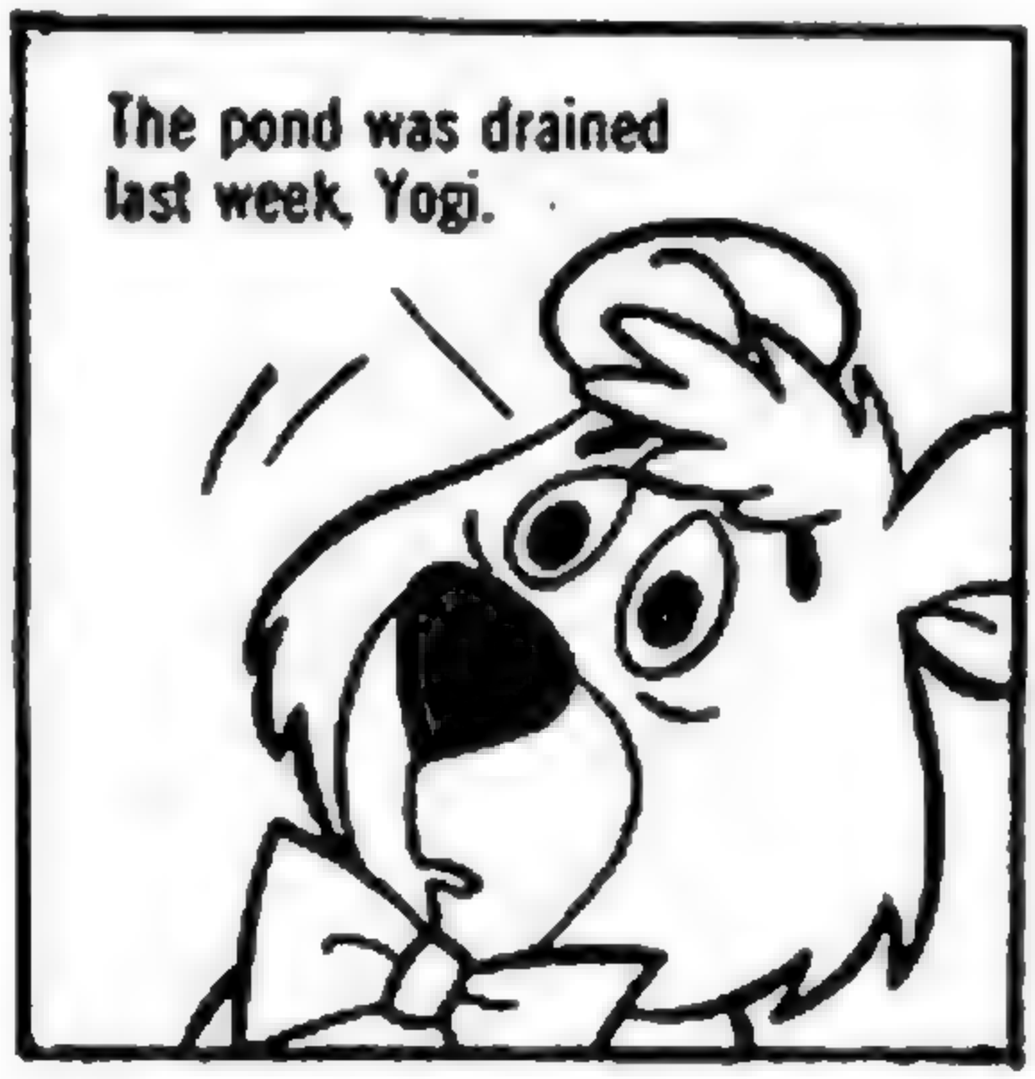
I don't understand what happened to all the tourists.
They were here when Boo Boo and I did our famous geyser dance.
GEYSER

You mean the one you claim makes the geysers erupt?
Yup!

Don't be angry. If people knew the geysers were automatic, we'd both be out of work.
I never thought of that.

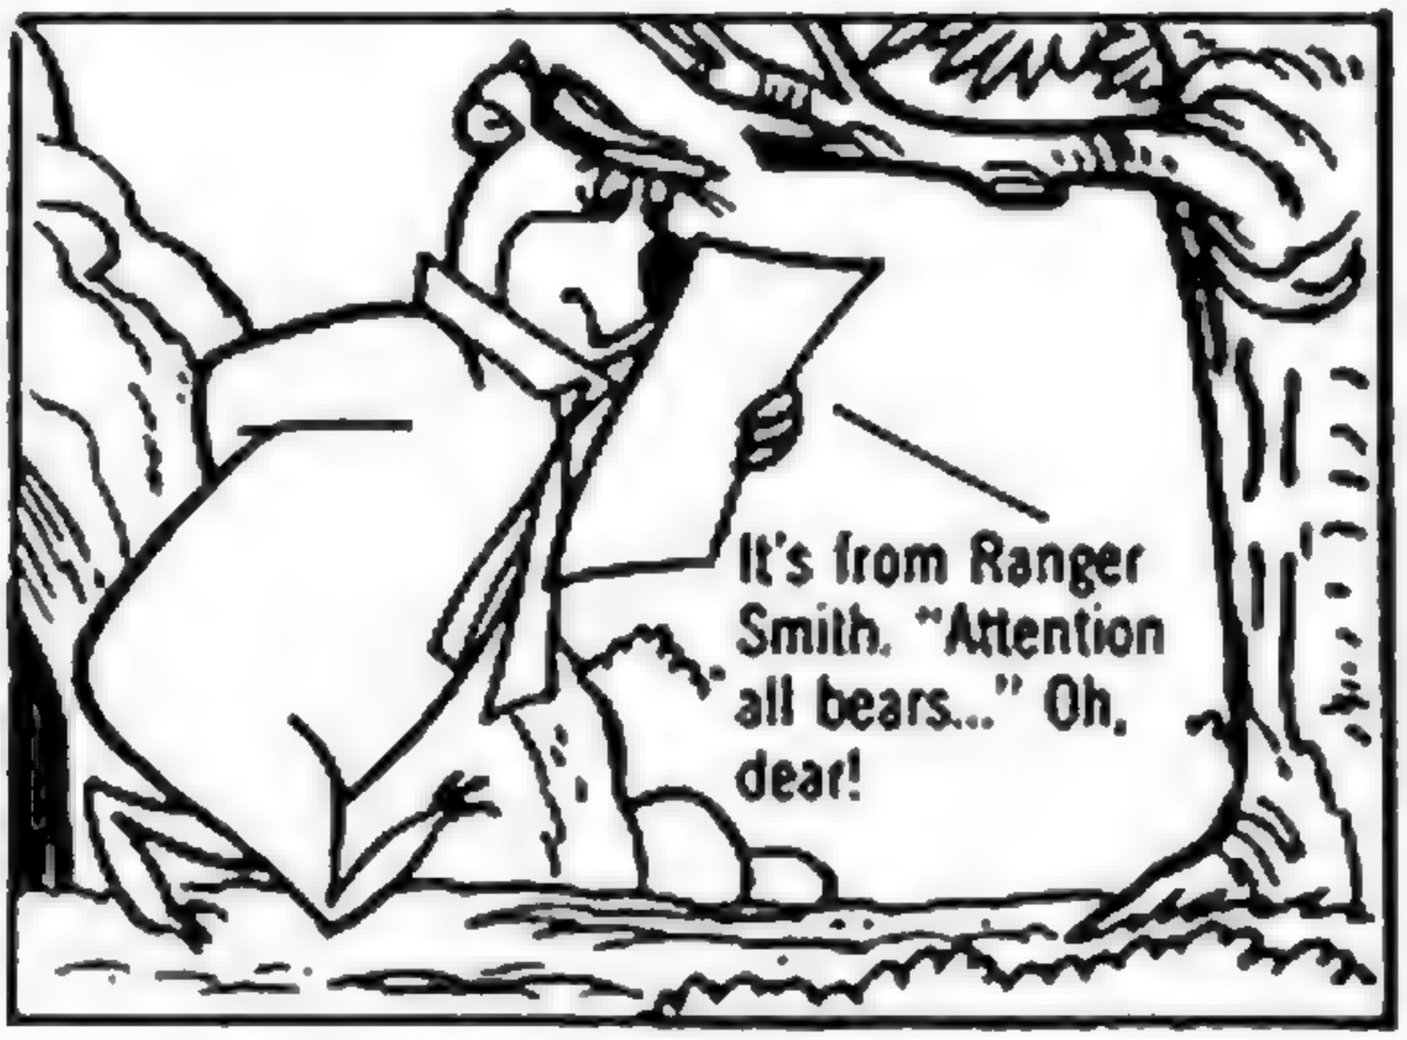


Last one in the pond is a rotten egg.



The pond was drained last week, Yogi.

Last one in the pond is a dumb bear. Ugh!
SPLAT!



It's from Ranger Smith. "Attention all bears..." Oh, dear!

Hurry, Boo Boo! Ranger is offering a reward for our hides.
A reward?

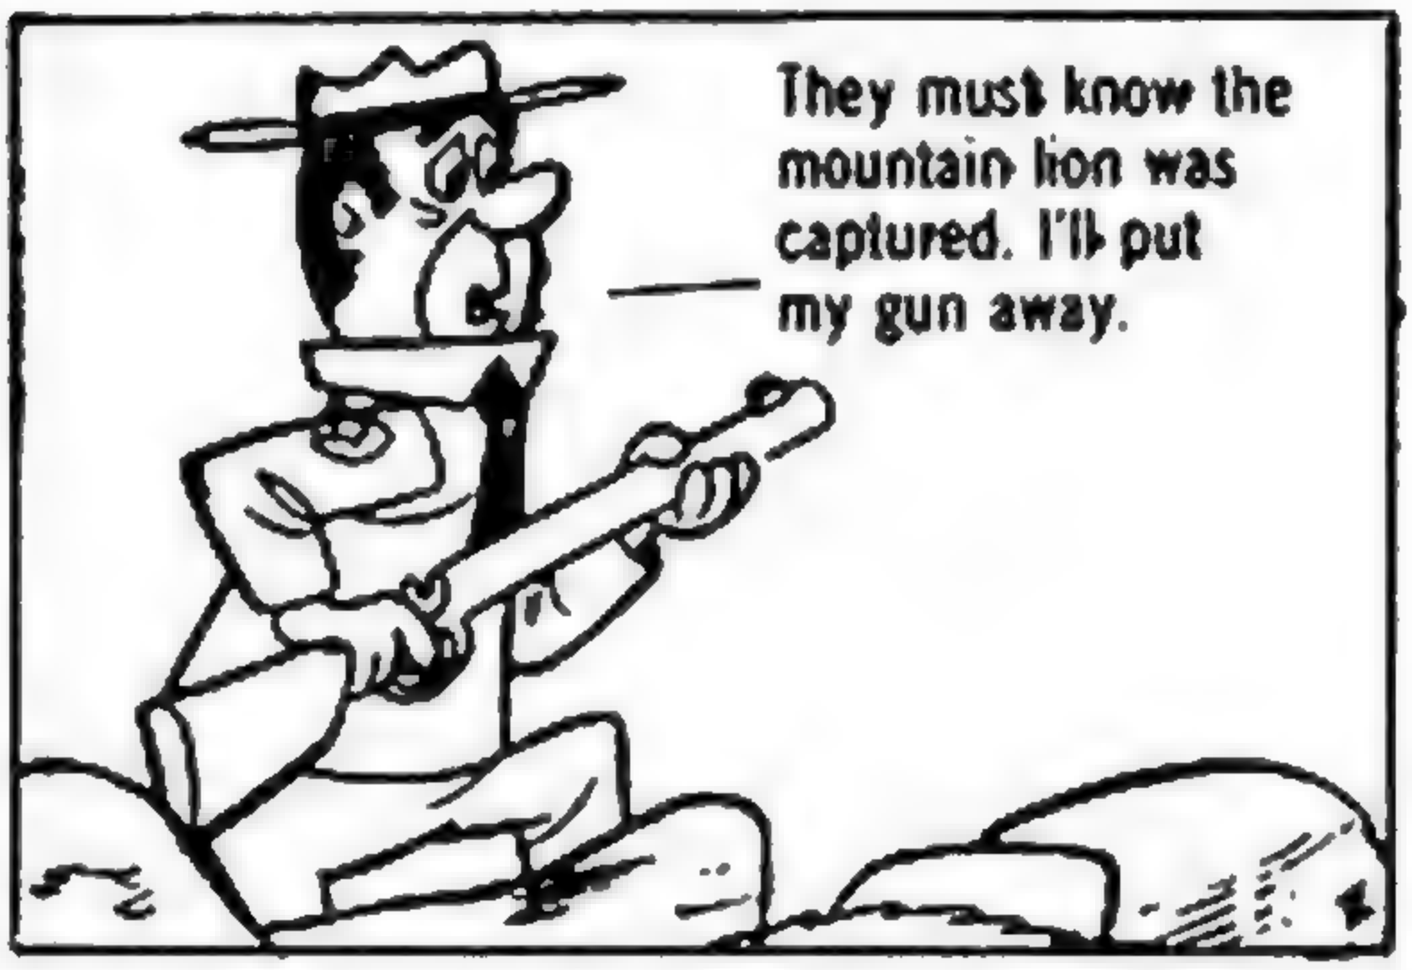
You mean there isn't a reward for our hides?
I said I'd pay a reward to anyone who knows *where* you hide, Yogi.

Maybe we'd better not snitch this one, Yogi.
Ha ha ha! You're not afraid of getting caught, are you, Boo Boo?

WHACK!

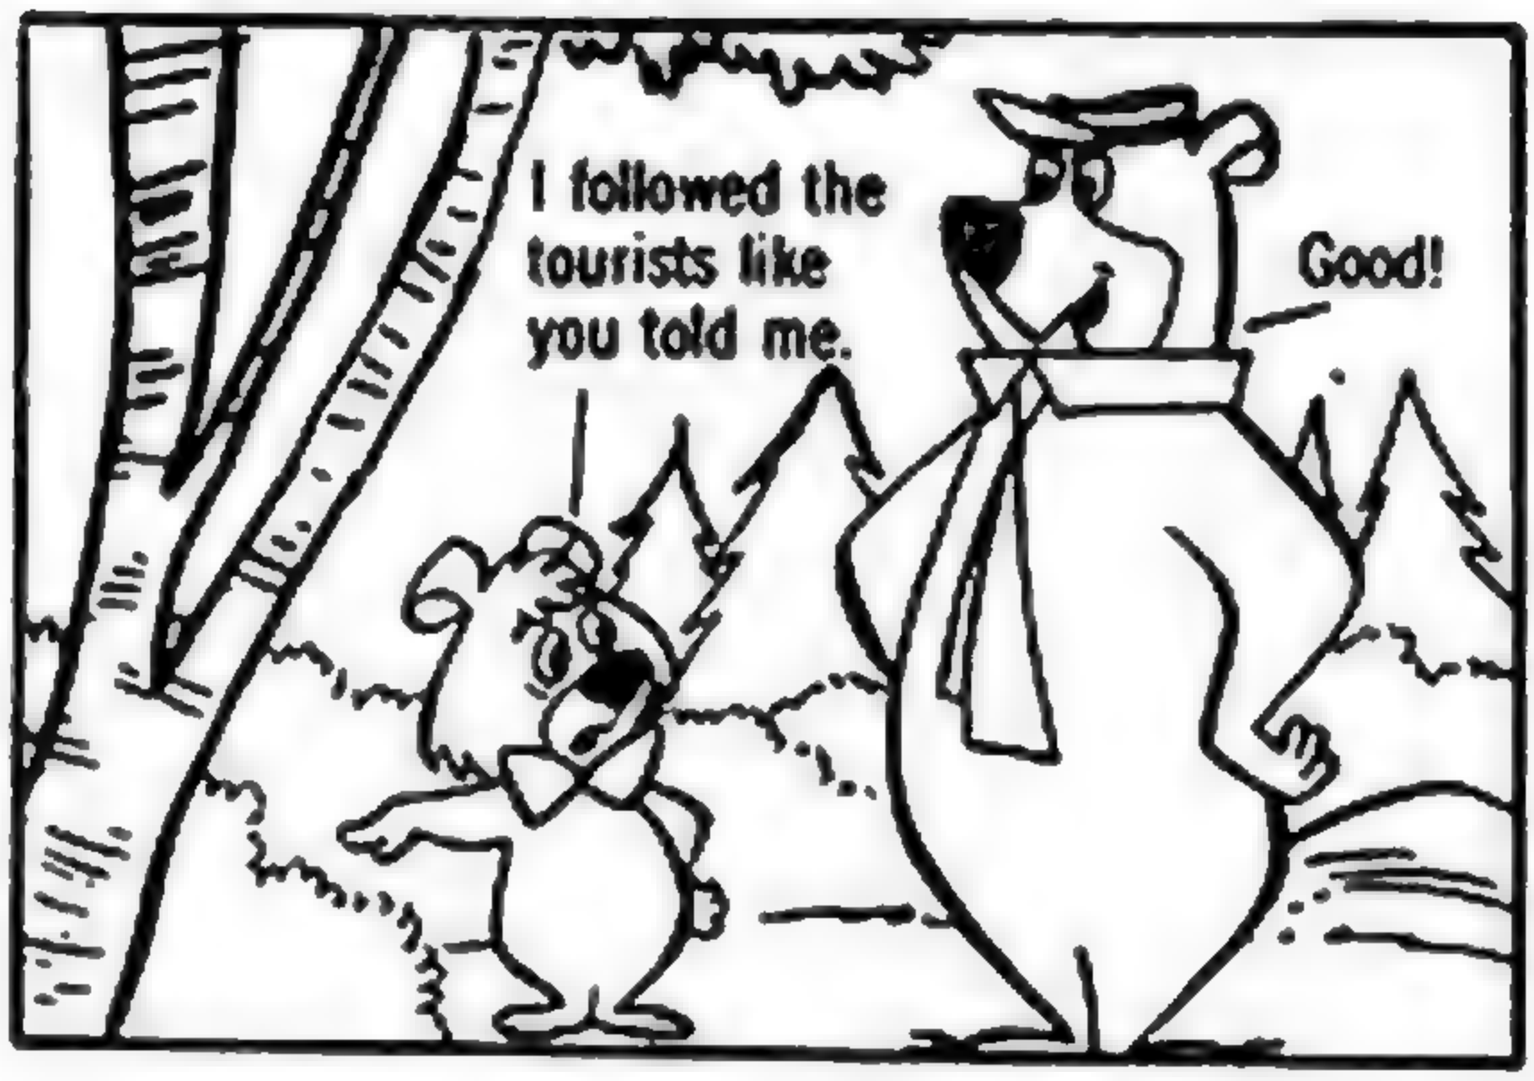
CRASH!
Ha, ha! Yes I am!
Ow! Yeow!

There go Yogi and Boo Boo.



They must know the mountain lion was captured. I'll put my gun away.

Don't shoot, We'll return the baskets!



I followed the tourists like you told me.
Good!

Now if you'll just show me where they are so we can help them eat their picnic lunch. Yumm!

I can't. I got lost so they gave me a ride back here in their car.
Ulp!

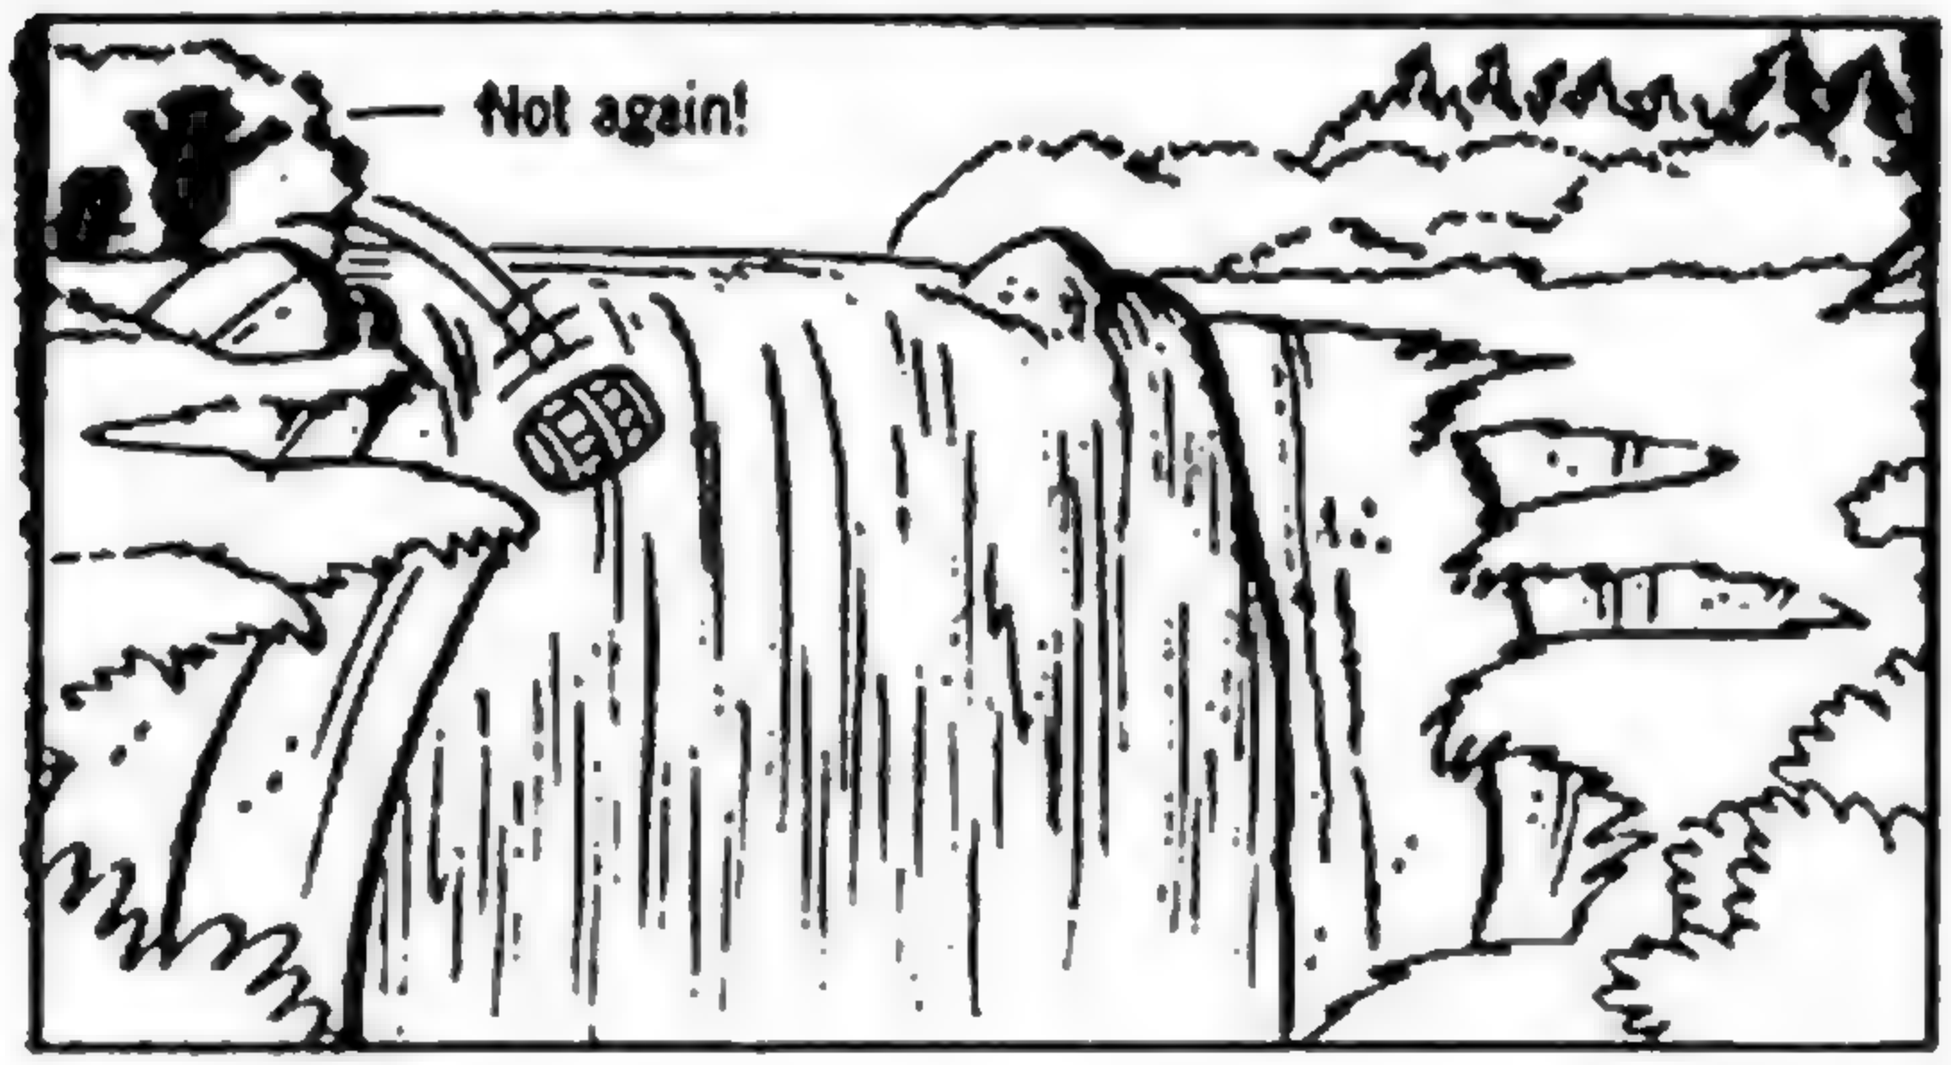
Here comes Yogi. Maybe he'll notice me for a change.

You didn't have to run to catch up to me, Yogi.
Hi, Cindy.

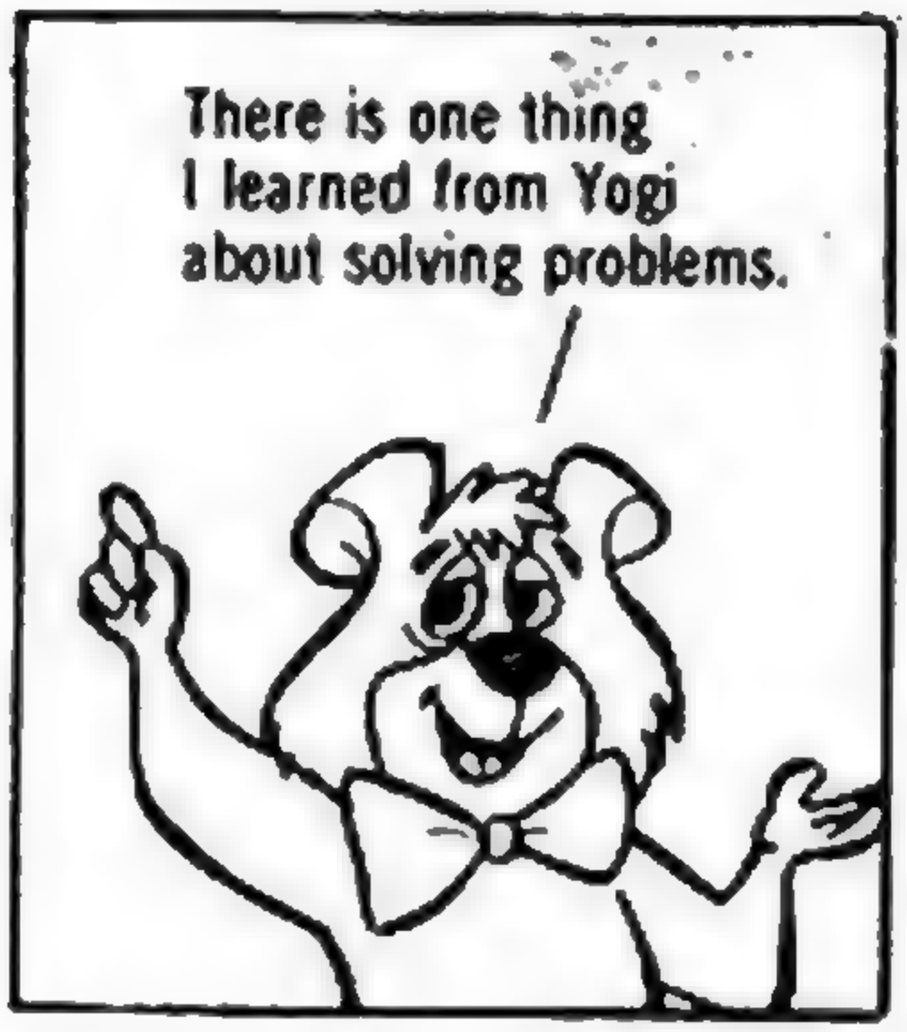
Catch up to you? Gosh, Cindy, I'm trying to catch up to that delicious picnic!

I'd better take the honey barrel home this time.
HONEY

This way I'll be sure not to lose it.



— Not again!



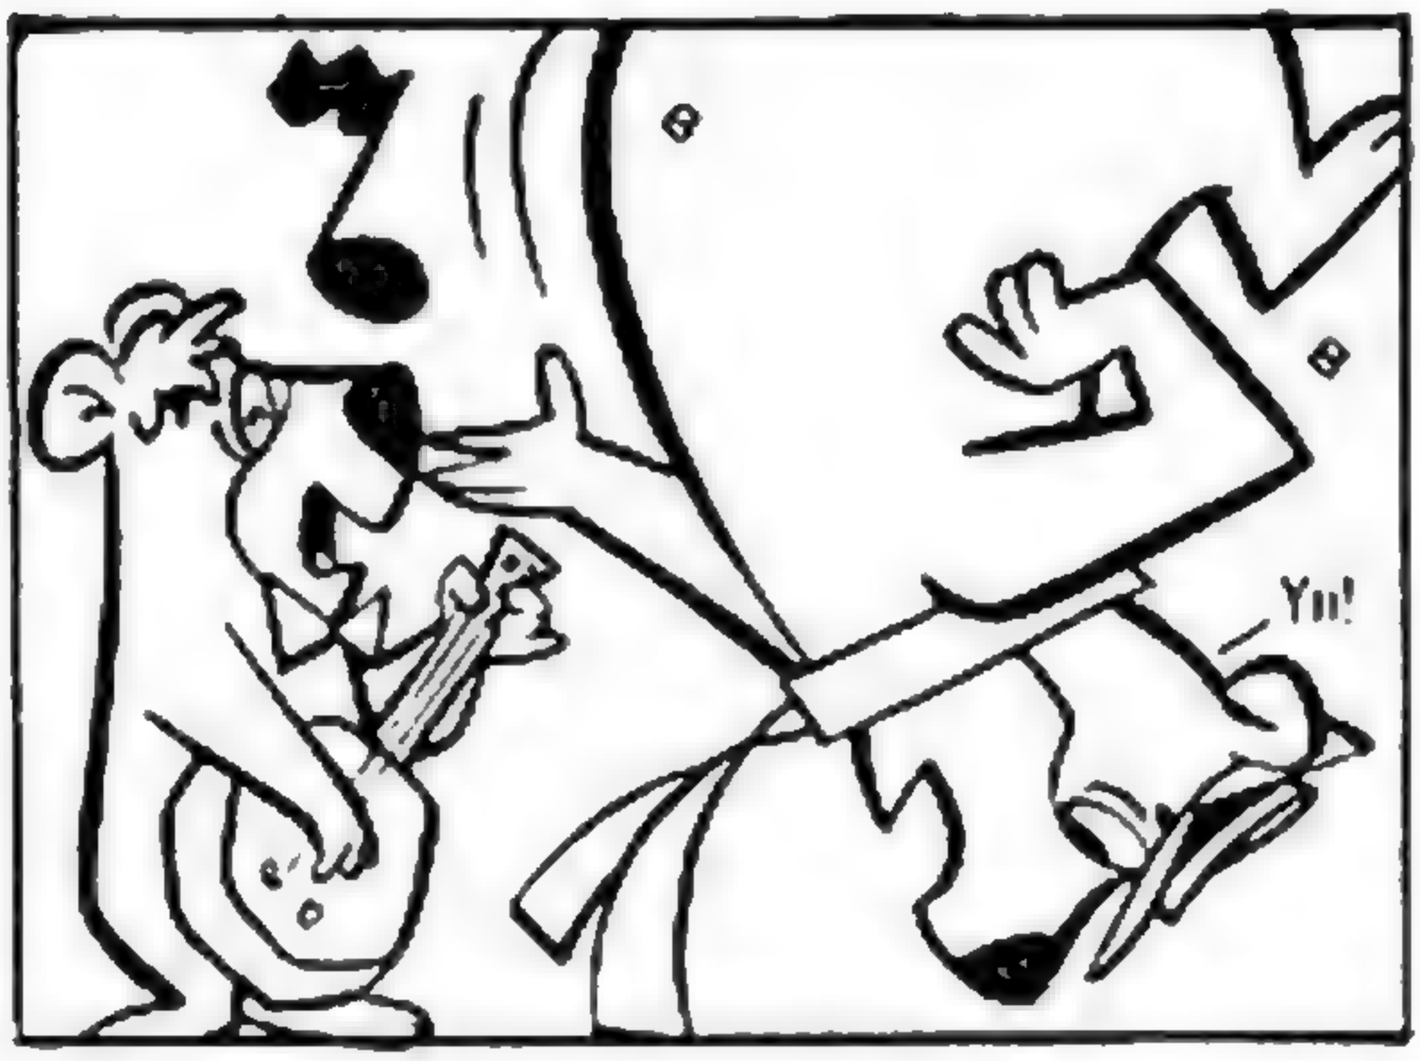
There is one thing
I learned from Yogi
about solving problems.

But I forgot what it is.

I'll just go to bed and
not worry about it. That's
what Yogi would do

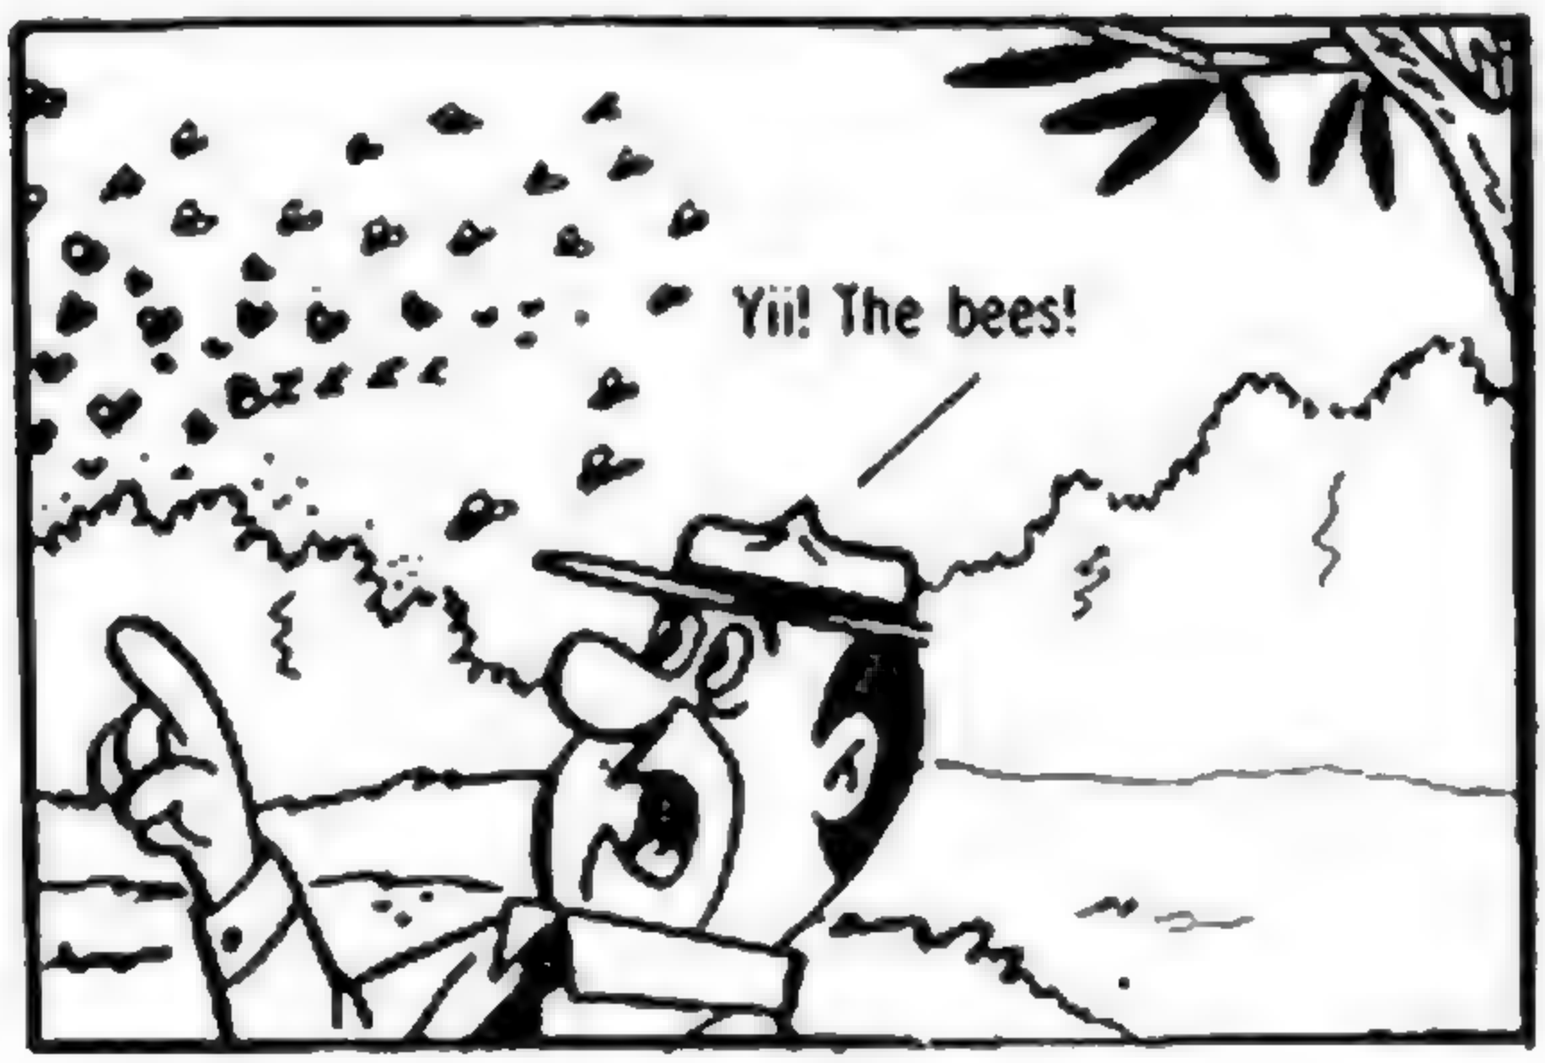
You don't have an ear for good music, Boo Boo.

If he doesn't stop that awful noise, I won't have any ears! I'll use my secret weapon.



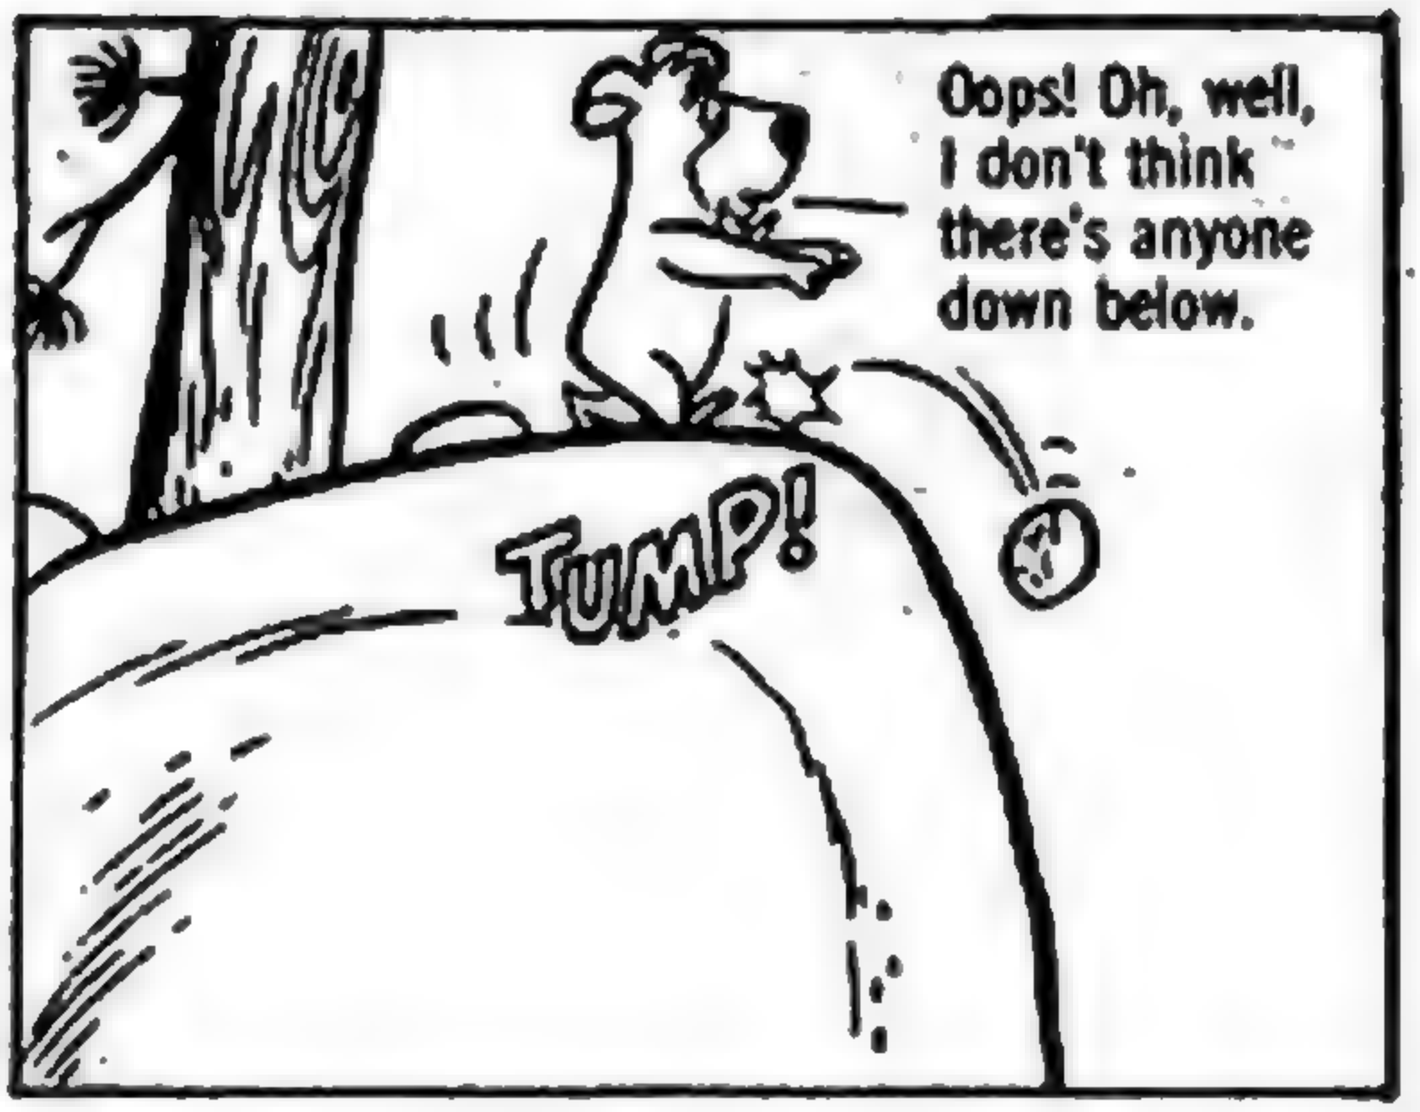
YIII!

How is Ranger Smith going to keep the bees away from us?
You'll see.



Yii! The bees!

Help!
Bzzz



Oops! Oh, well, I don't think there's anyone down below.
TUMP!

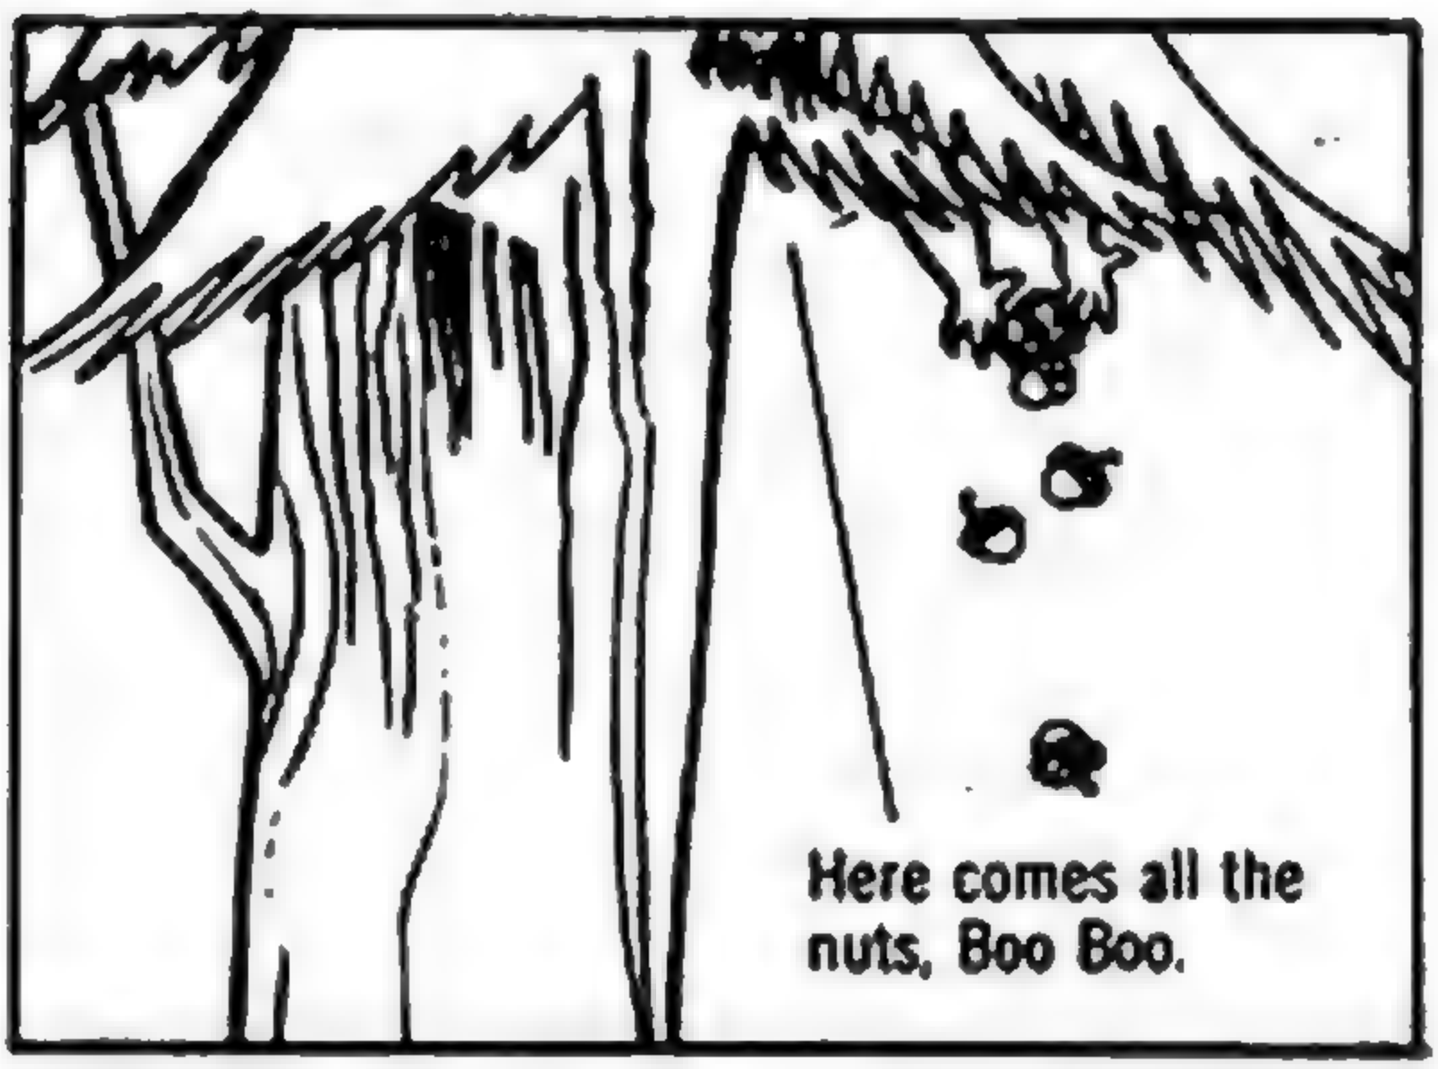
CLANK!

Something tells me that clank meant there was.

That sign stays there until people learn to respect our park rules!
DO NOT FEED THE BEARS

What are you worried about, Boo Boo?
If people start obeying the rules, we'll starve.

Then there's nothing to worry about, is there?
I'm afraid you're right.



Here comes all the nuts, Boo Boo.

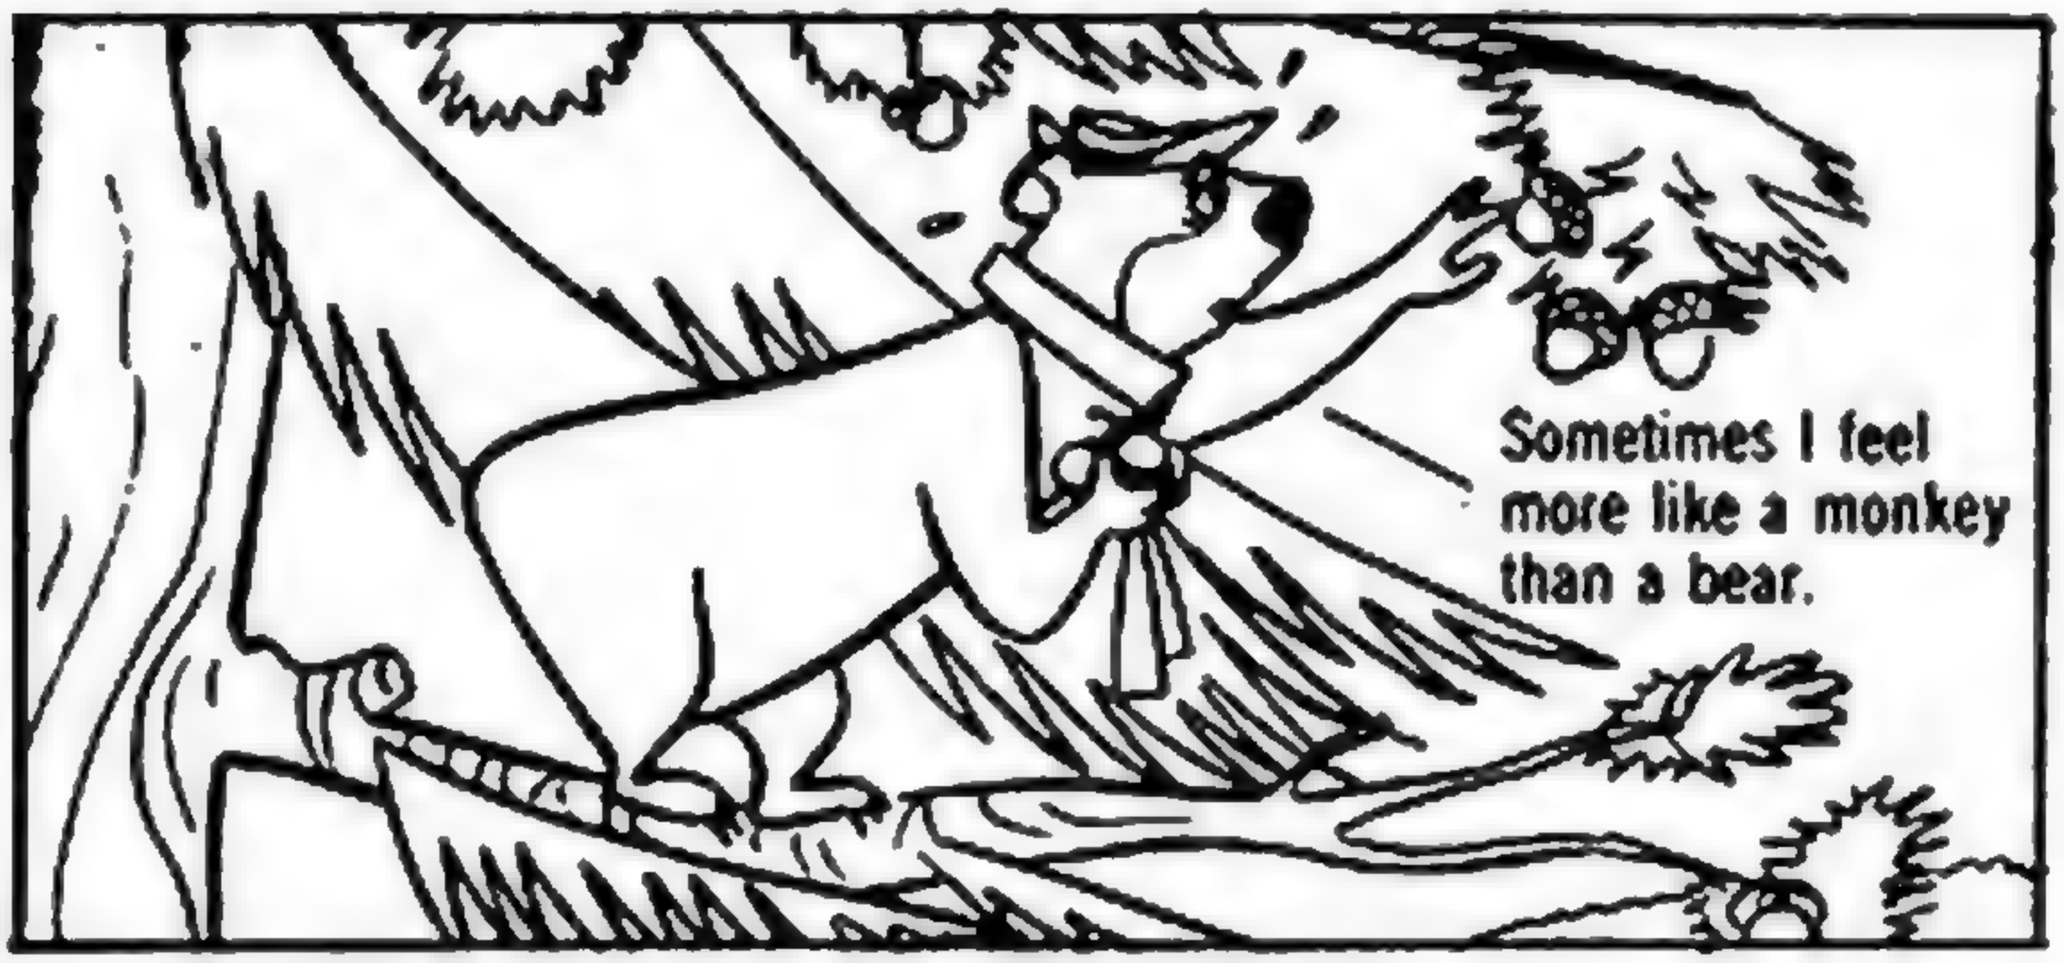
Yogi sure knows what he's talking about.

Here come all the nuts is right!

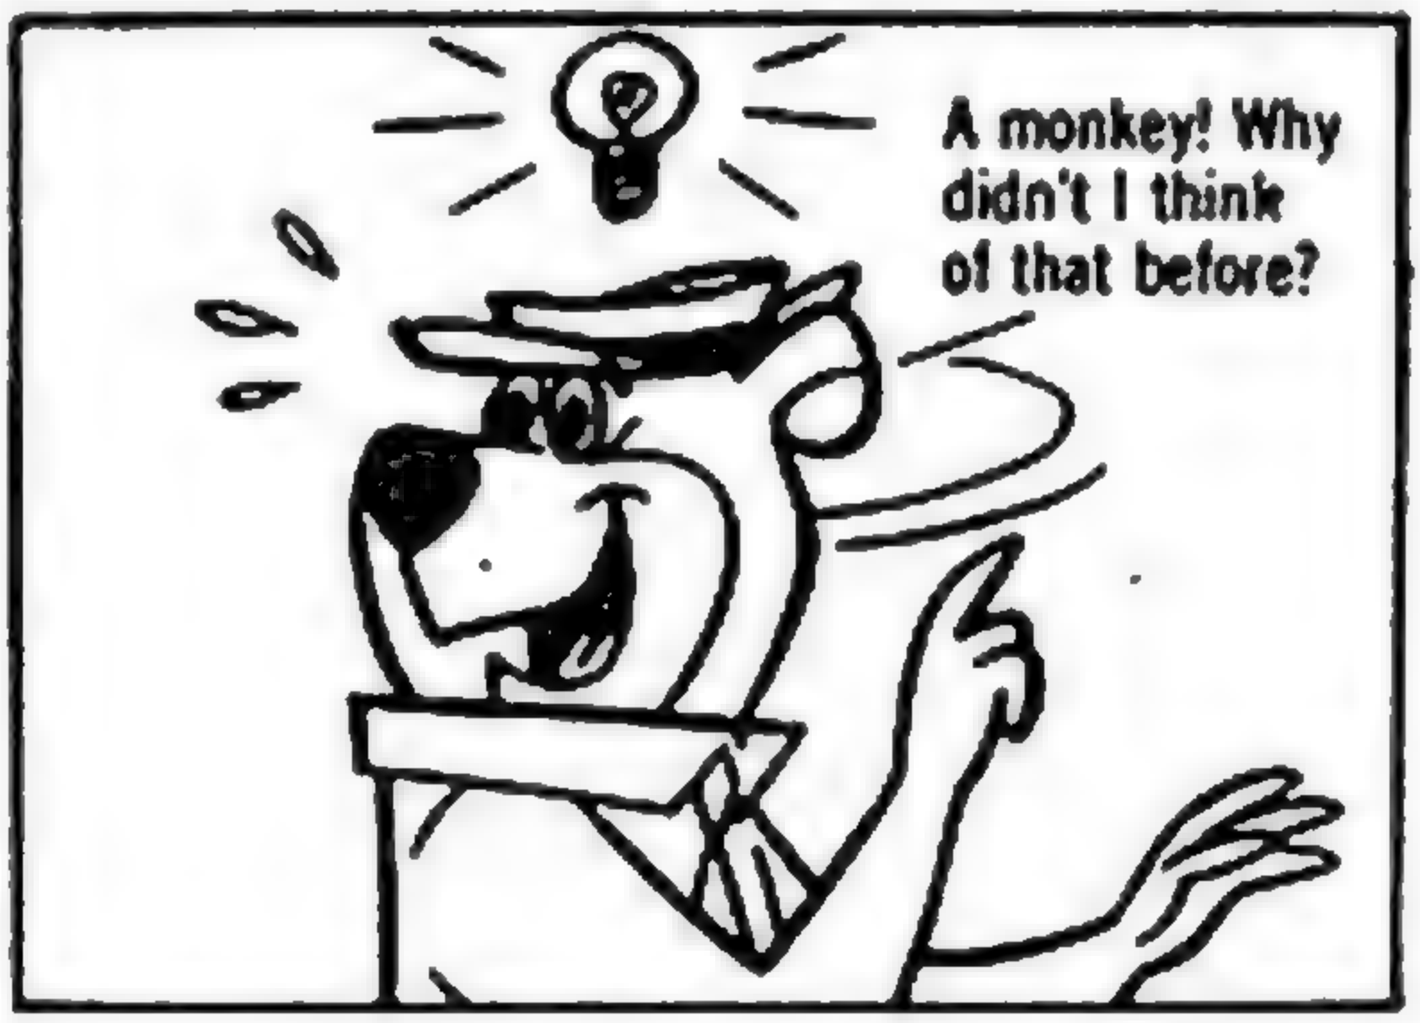
TRALALA
TRALALA

Bravo!
Wonderful!
They deserve a nice big picnic!

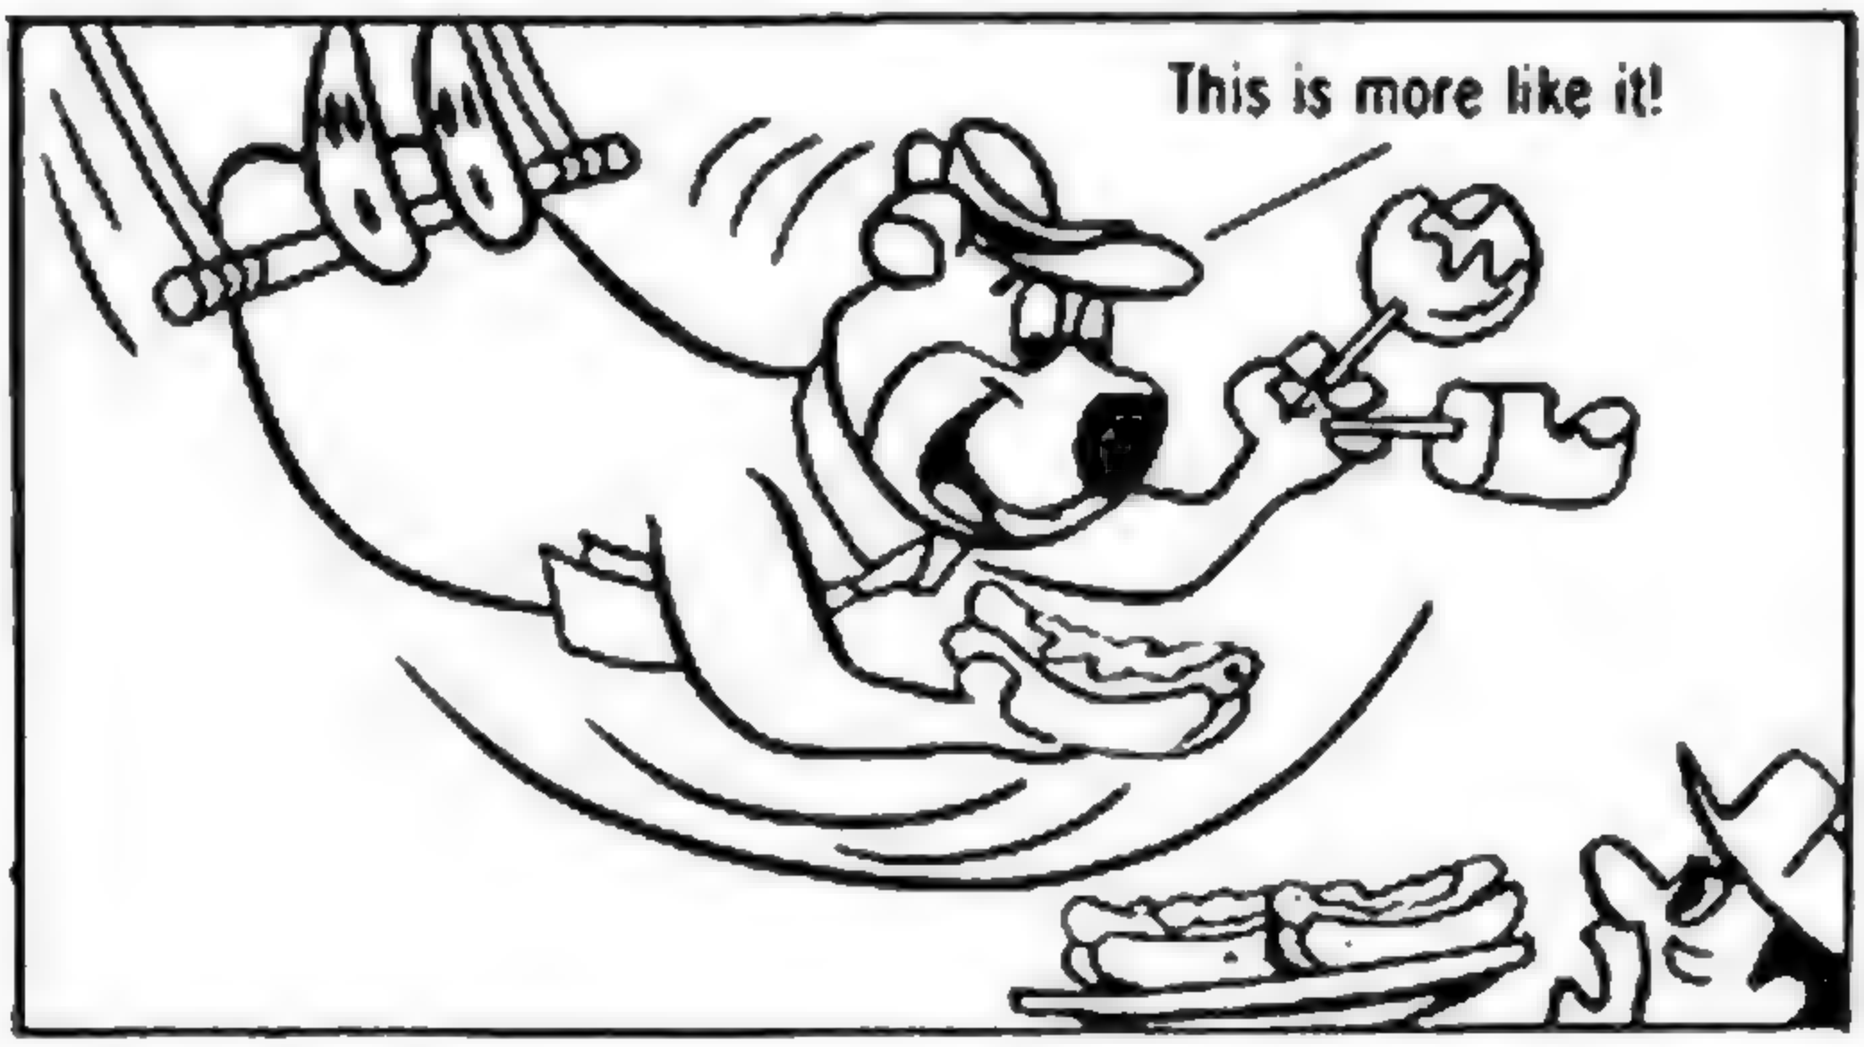
Thanks anyway, but Yogi got so tired singing and dancing that he fell asleep.
Zzzzz.



Sometimes I feel more like a monkey than a bear.



A monkey! Why didn't I think of that before?



This is more like it!

Stand back, Boo Boo. You're about to see an expert at work.
Honey! Oh, boy!

What makes you such an expert honey snitcher, Yogi?
Practice, my boy. practice!

What makes you such an expert runner, Yogi?
Practice, my boy. Practice. Yiii!

This is your last chance!
HOW

You're not going to trap me this time.

Ulp! Now both my hands are stuck —

This is awful! I'd better tell Yogi the news.

They're closing Jellystone Park a week early?
That's right! That means a whole extra week without picnics.

It also means a whole extra week to sleep. See you next spring. Boo Boo.

Let's go fishing in the jumping pond, Boo Boo.
Jumping pond?

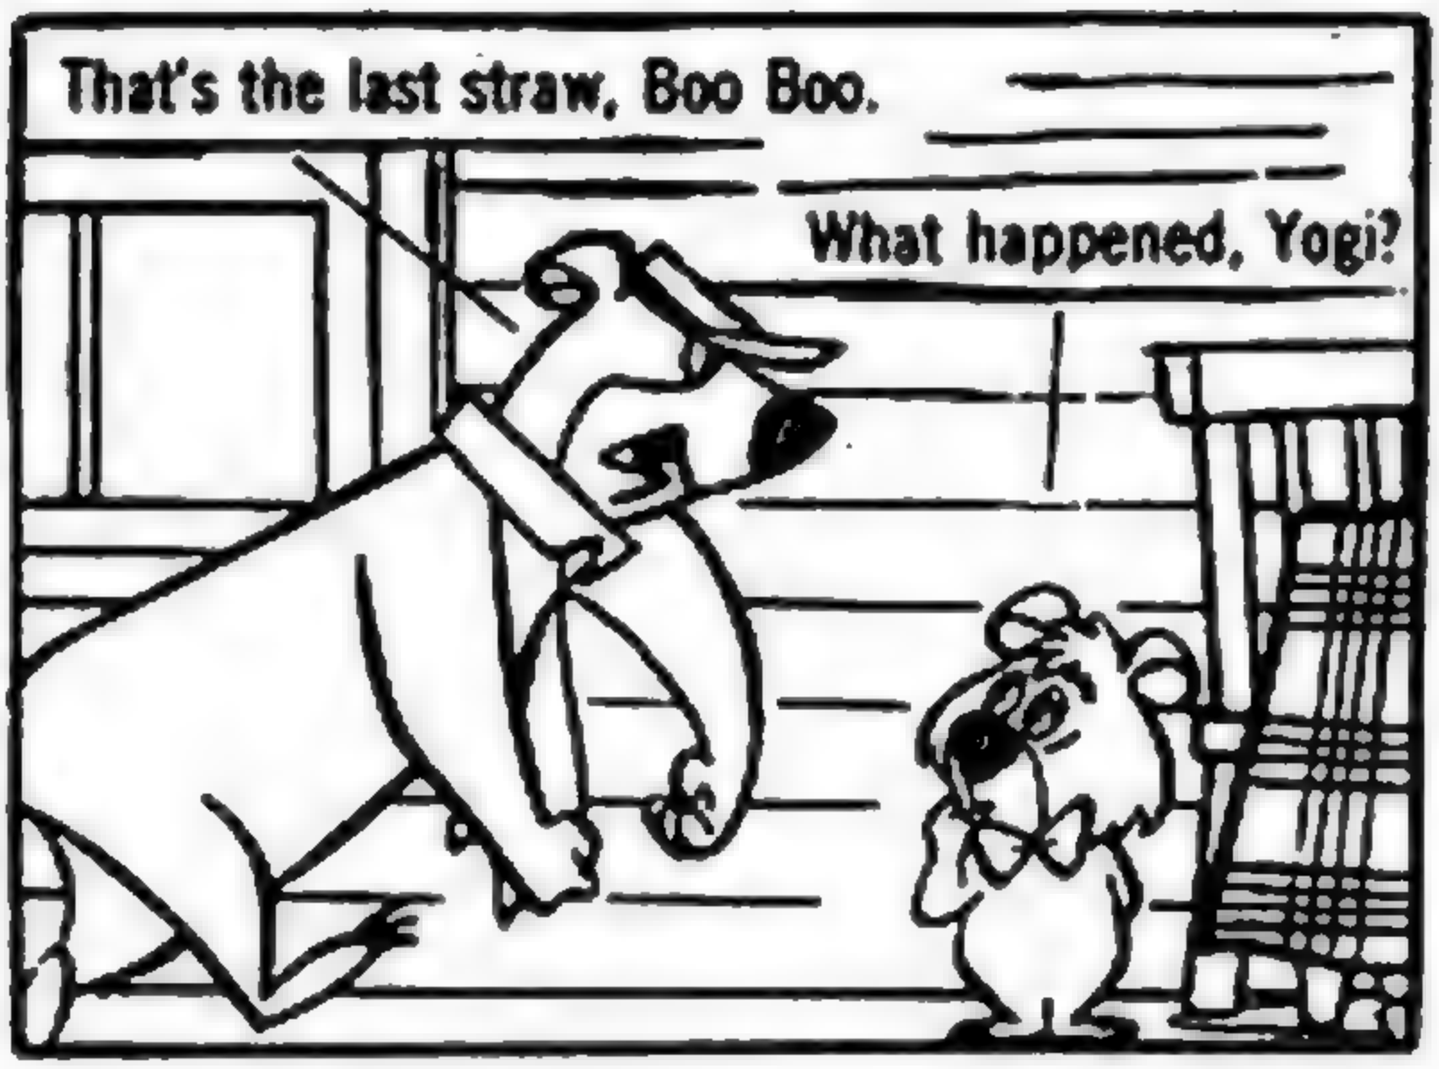
That's not a jumping pond, Yogi. That's a geyser.
Are you telling me I'm dumb enough to fish in a

I nearly got one that time.
Sometimes it's better not to say anything.

Follow me! I found a path nobody knows about.
Look out, Yogi!

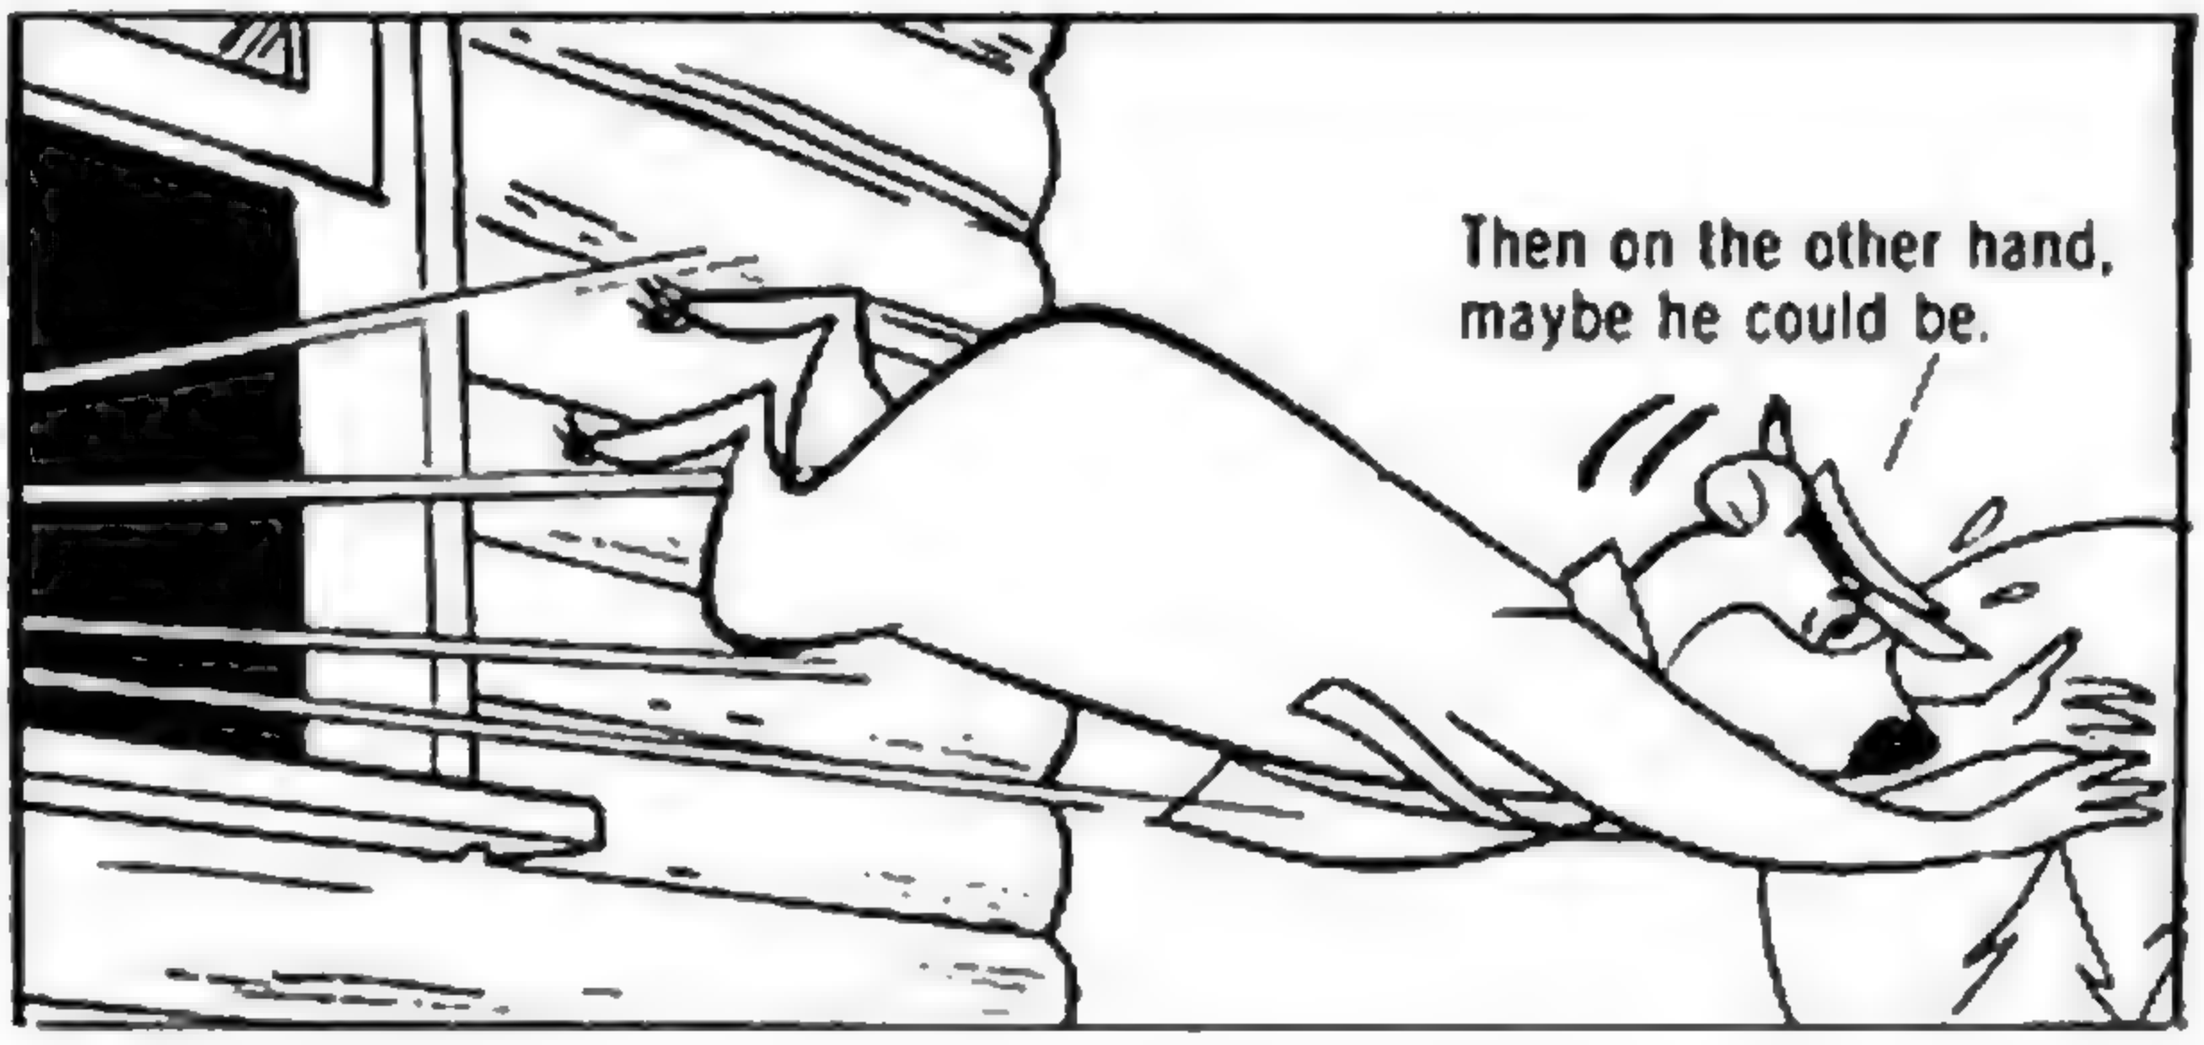
CRASH

Gosh, mister, for a nobody you sure have a hard head.

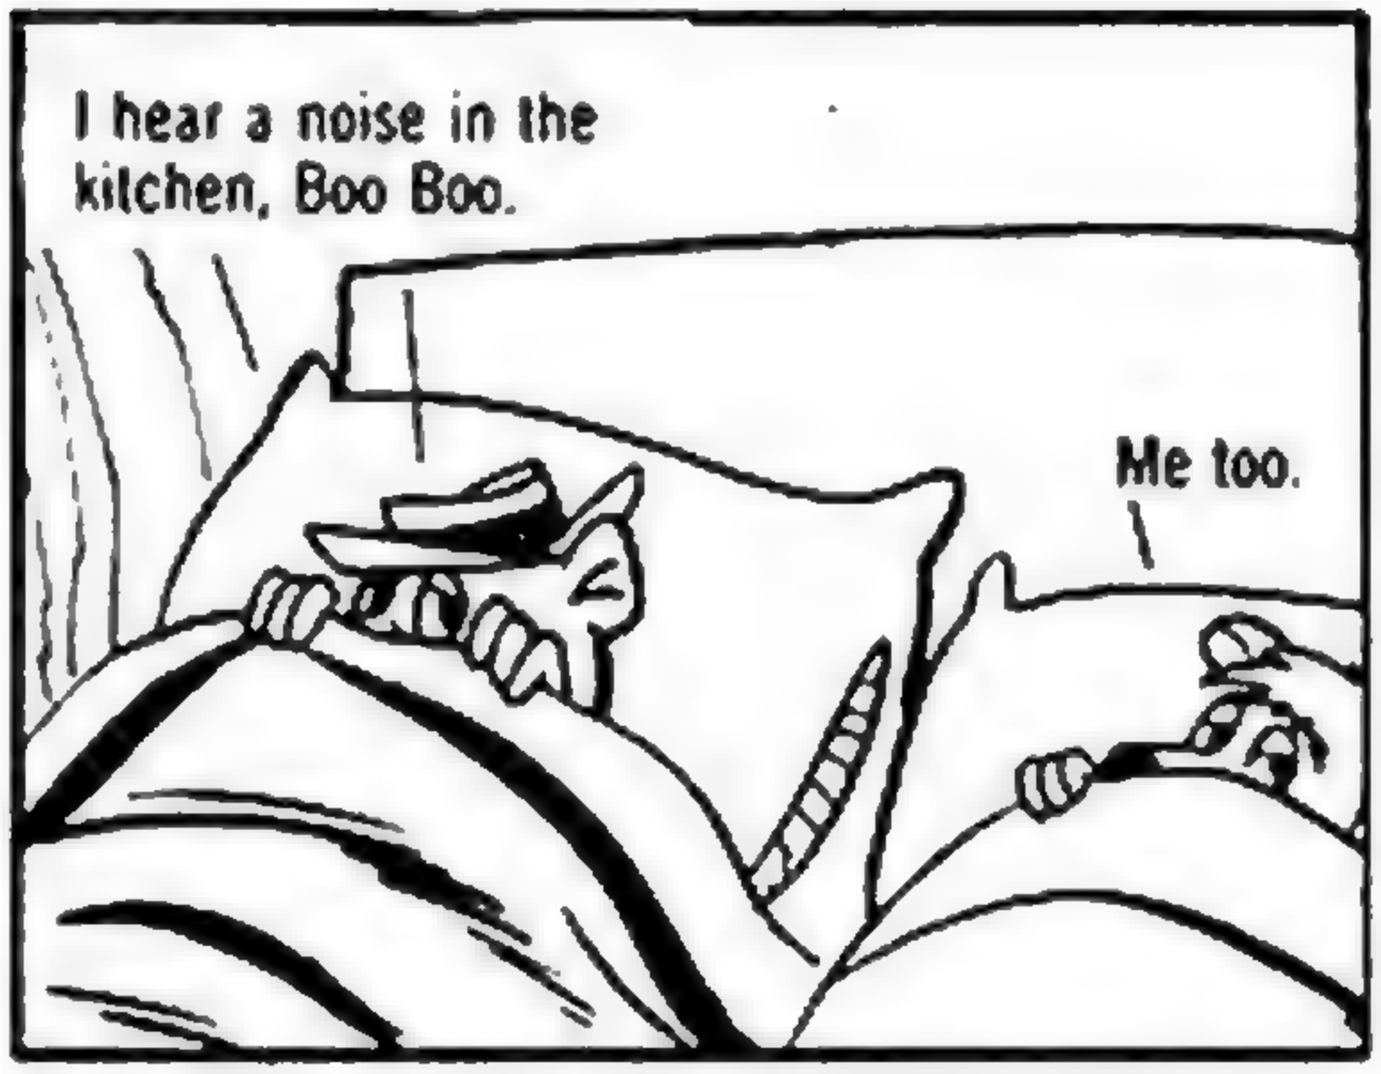


That's the last straw, Boo Boo.
What happened, Yogi?

Ranger Smith said he'd throw me out of his office if I bother him again. He can't be serious.



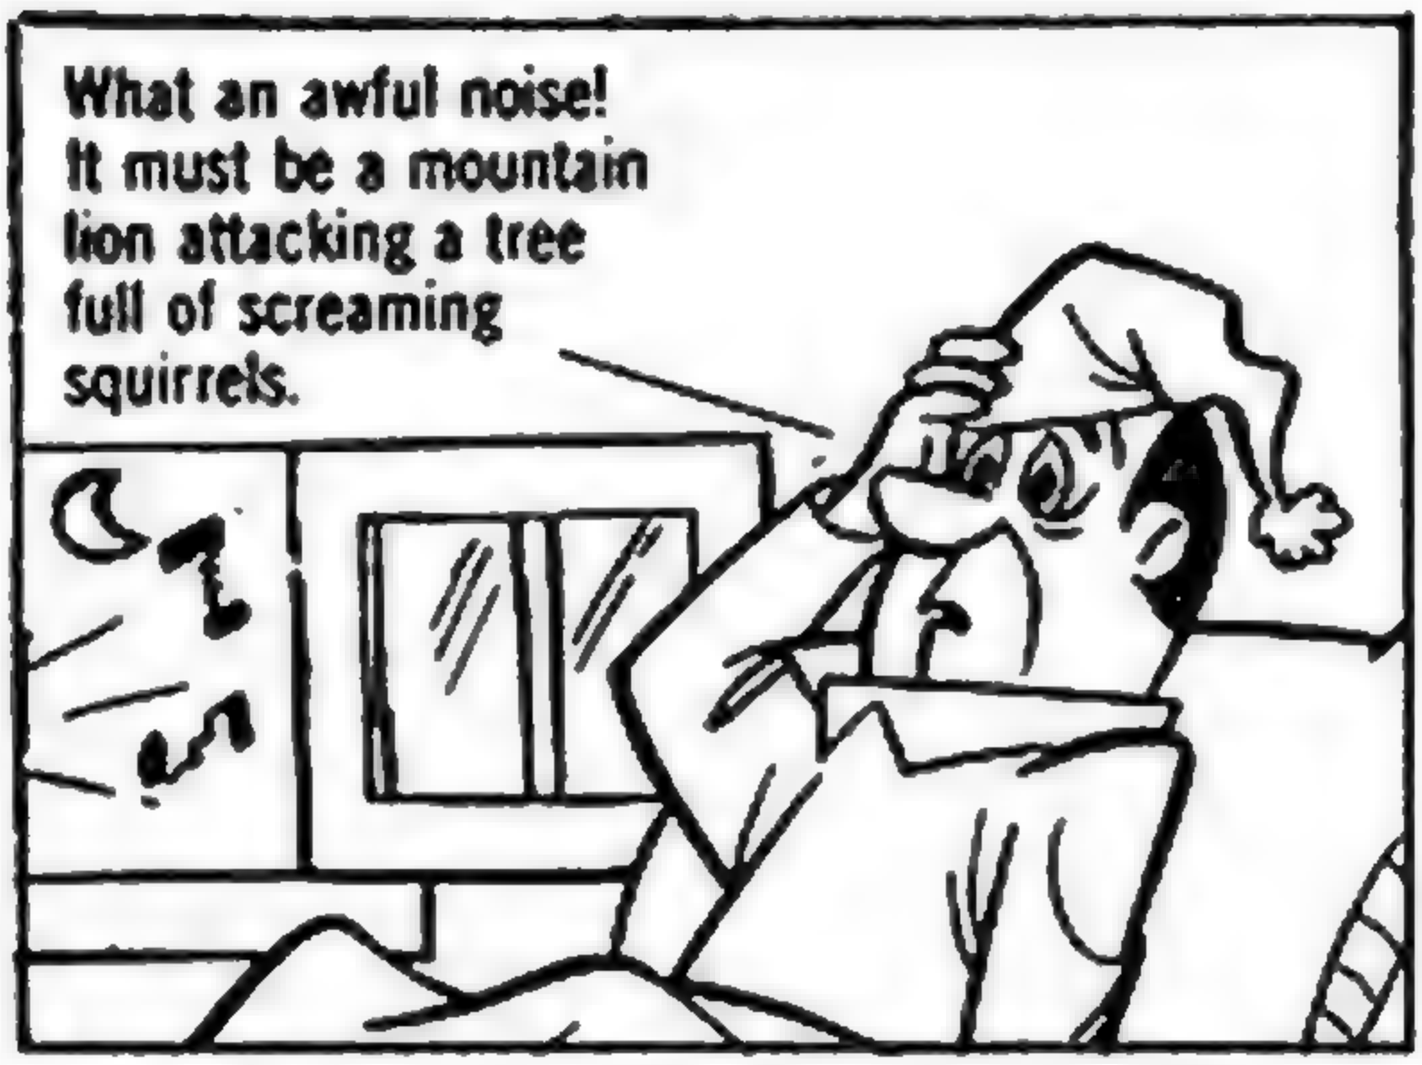
Then on the other hand, maybe he could be.



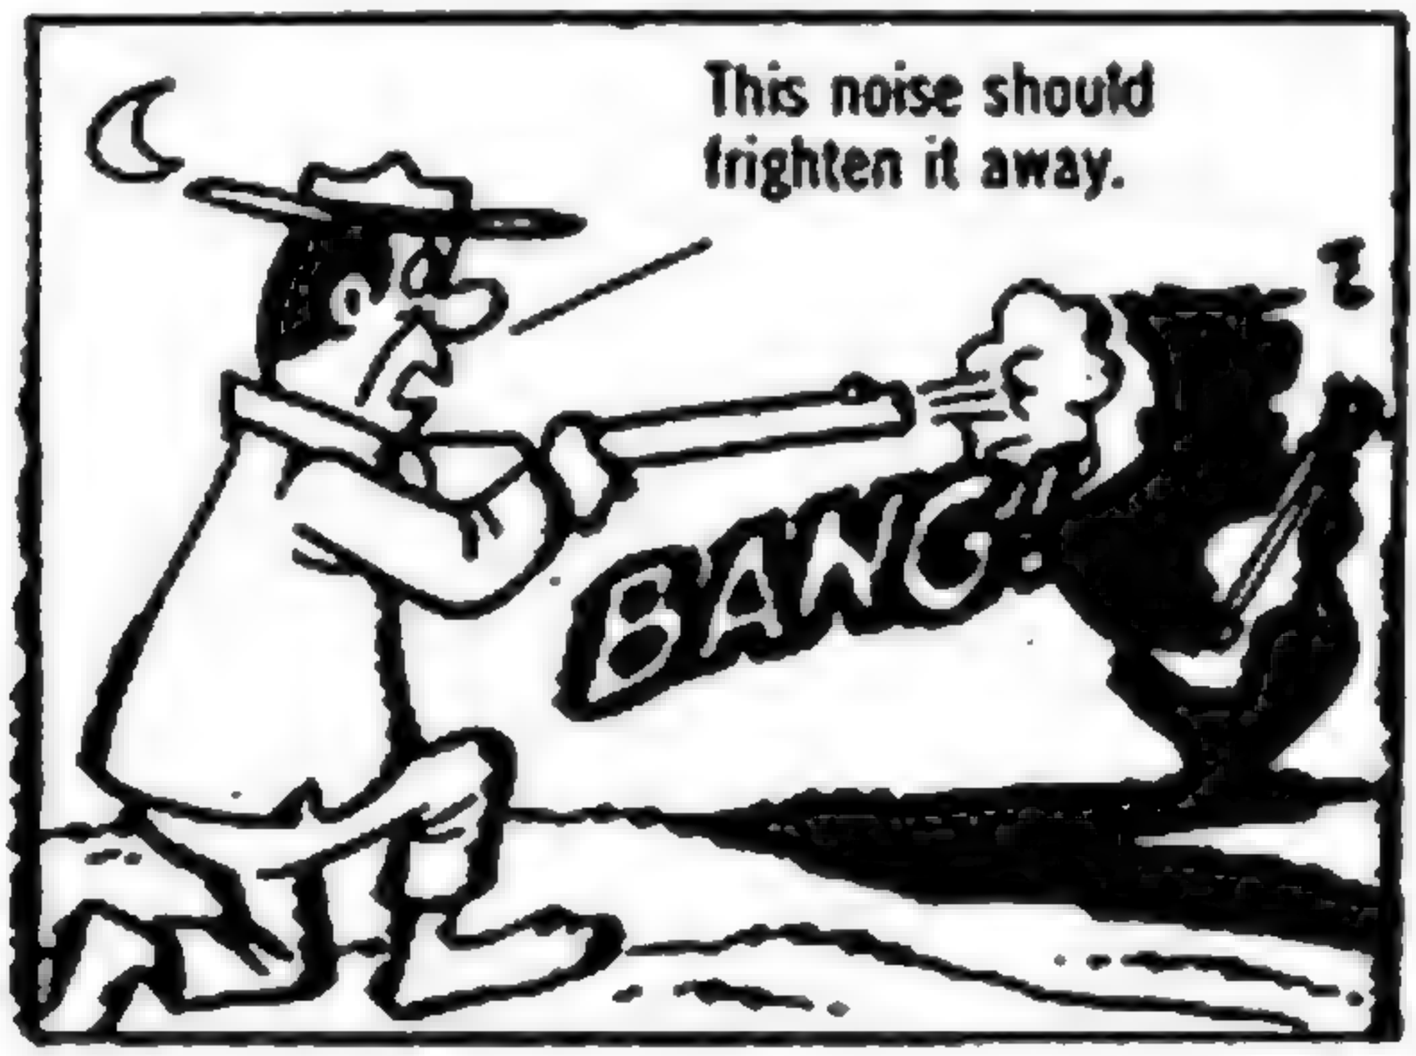
I hear a noise in the kitchen, Boo Boo.
Me too.

I'll get rid of it if you let me do it by myself.
Huh?

It was a wild peanut butter and honey sandwich but I trapped it single-handed.
Something tells me I've been tricked.



What an awful noise!
It must be a mountain
lion attacking a tree
full of screaming
squirrels.



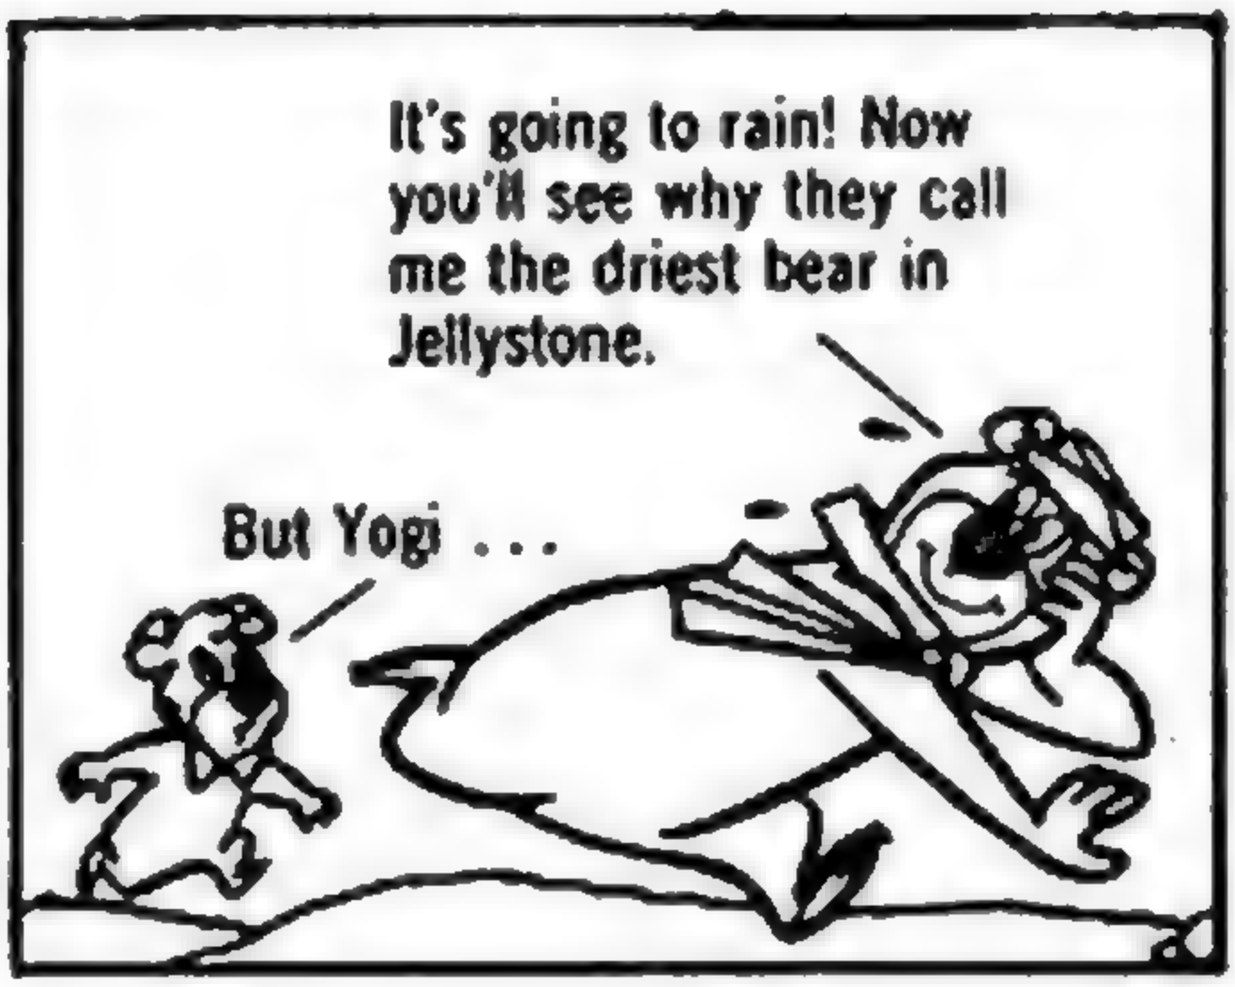
This noise should
frighten it away.
BANG!

Something tells me
Ranger Smith didn't
enjoy my serenade.

Oh, oh! Boo Boo
is sleep walking.

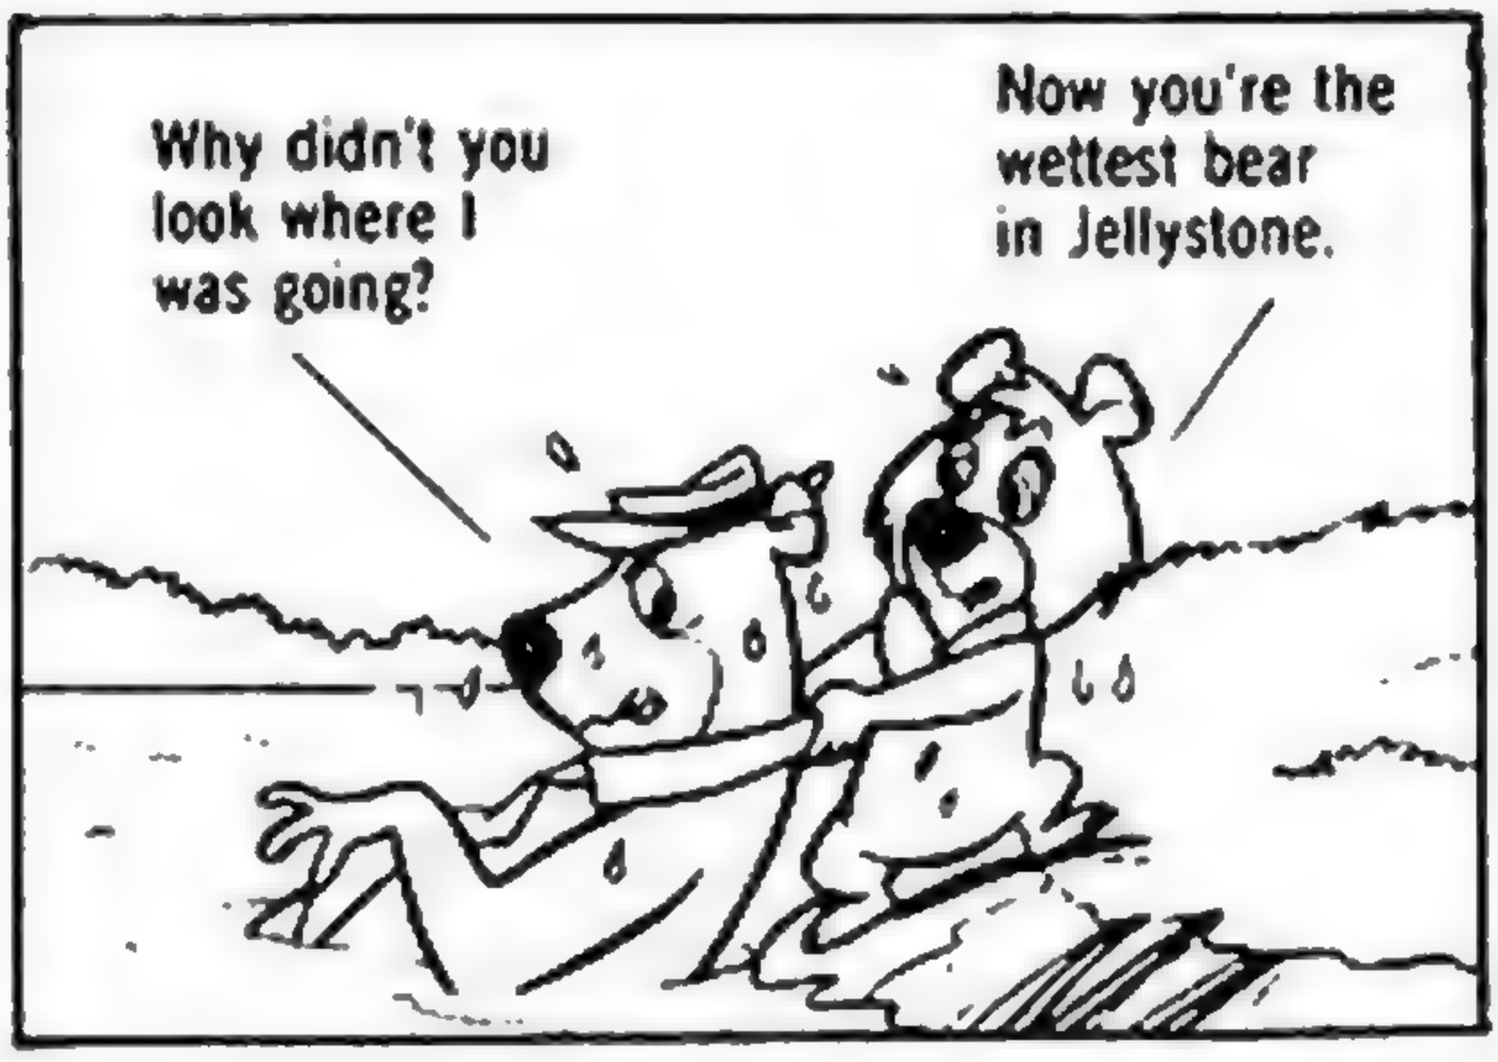
I'll stay with him
to see he doesn't
get into trouble.

Now I'm in trouble. It's
4 in the morning and I
haven't slept a wink.

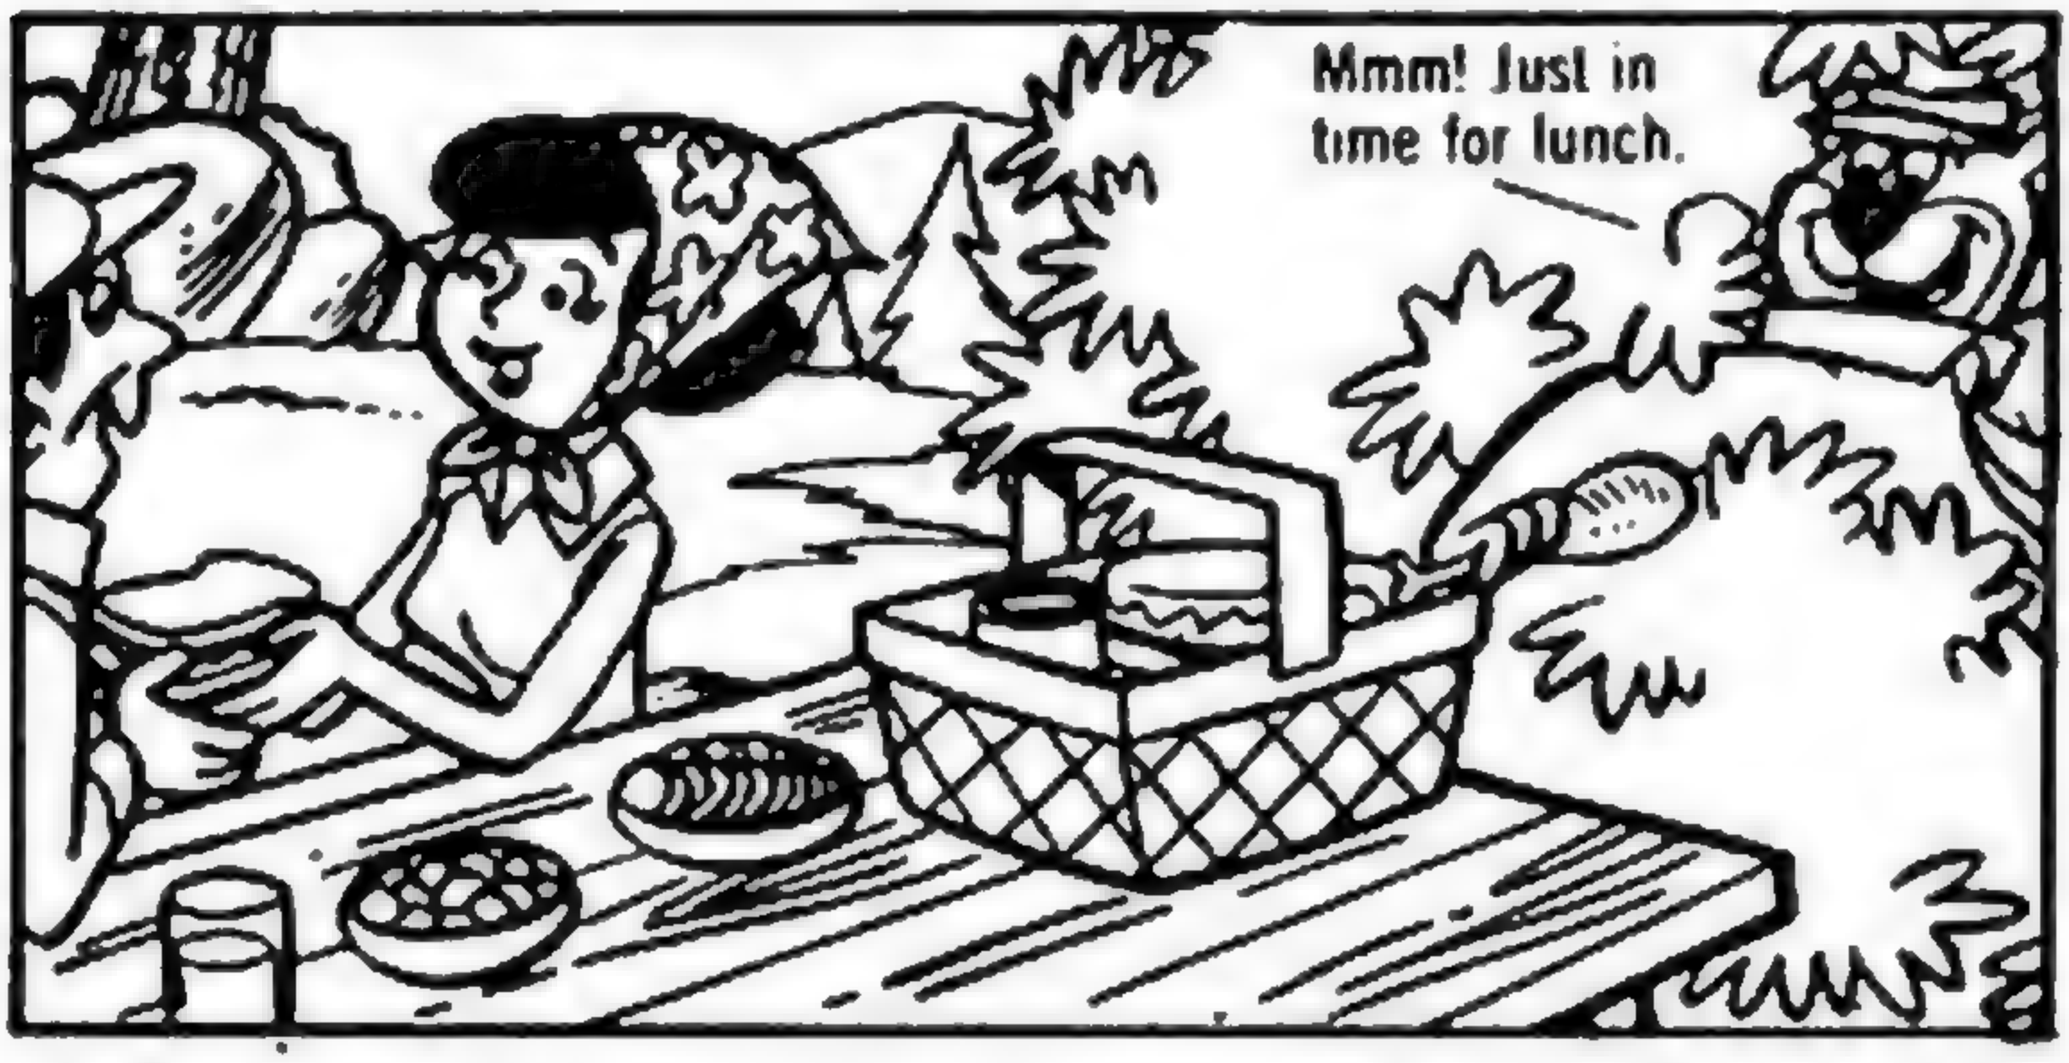


It's going to rain! Now you'll see why they call me the driest bear in Jellystone.
But Yogi . . .

SPLASH!



Why didn't you look where I was going?
Now you're the wettest bear in Jellystone.



Mmm! Just in time for lunch.

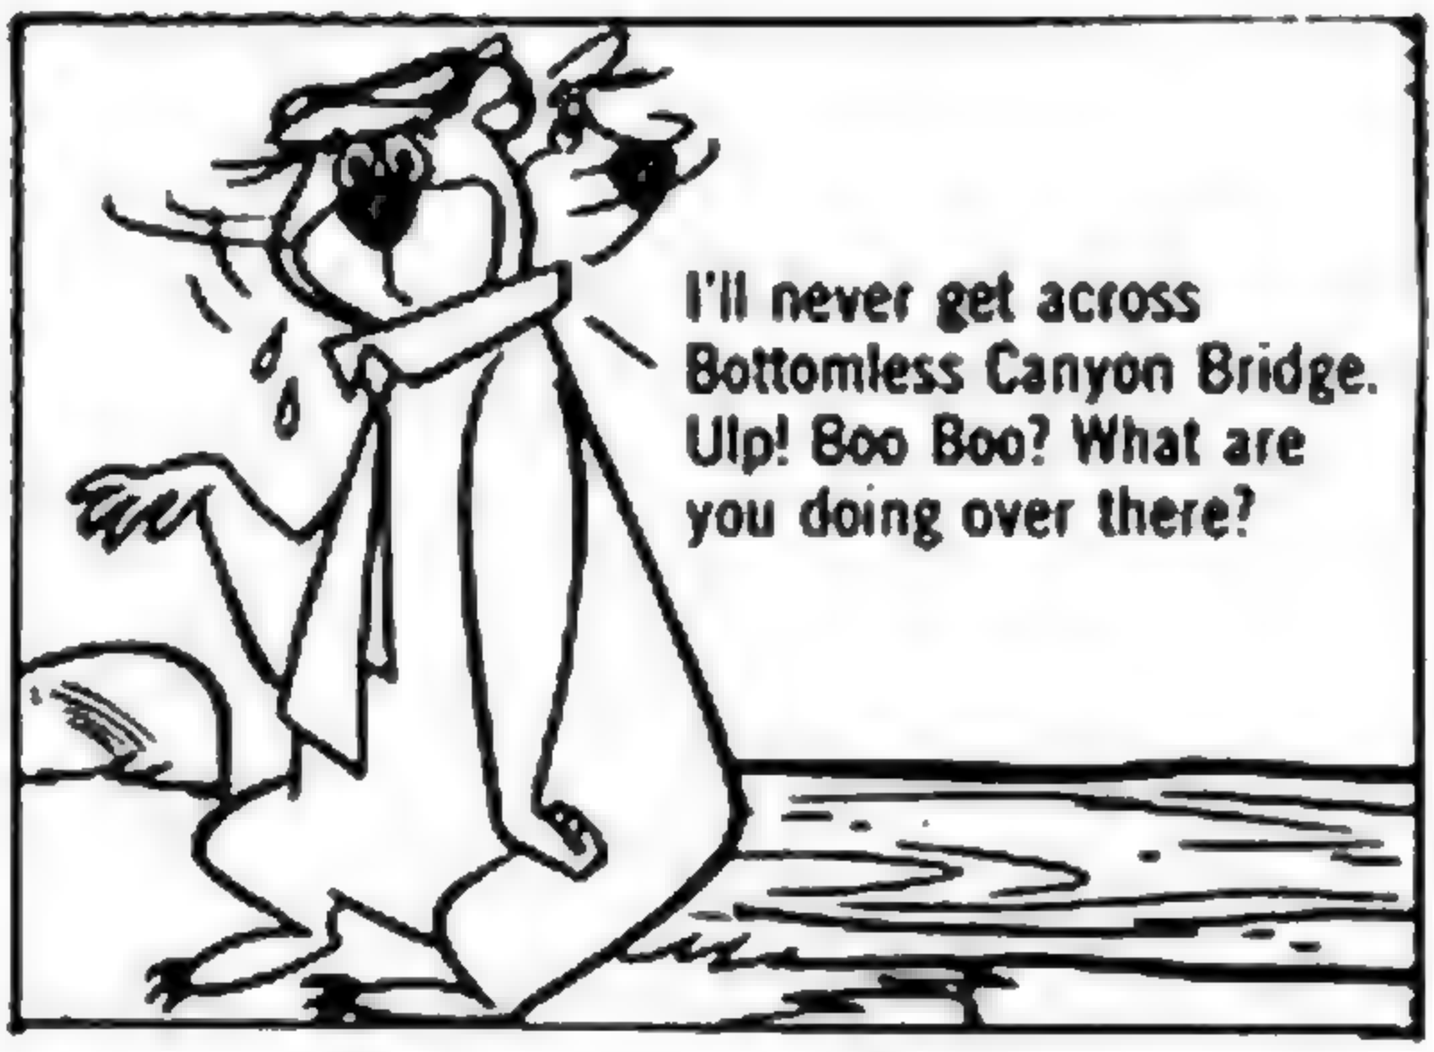
I sure could.
I'm stuffed. I couldn't eat another thing.

What else could you eat?
Something for a sick tummy
Oooo!

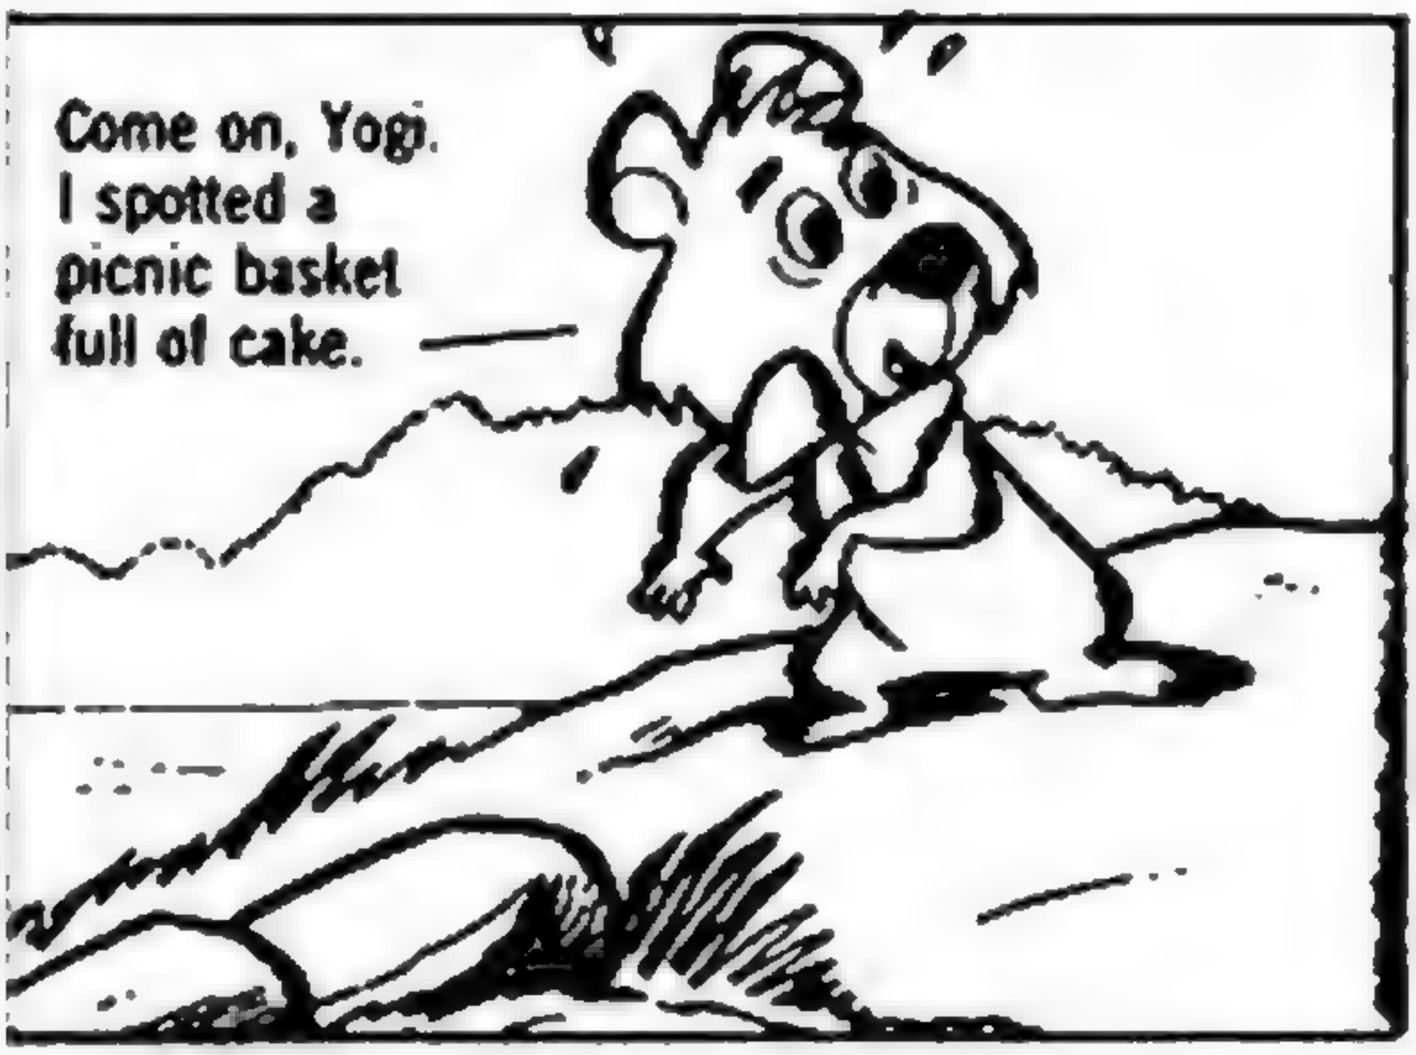
It's closing time, Boo Boo. We've got to get rested up for tomorrow.
YOGI

Ranger Smith said there'll be at least a thousand tourists visiting Jellystone tomorrow.

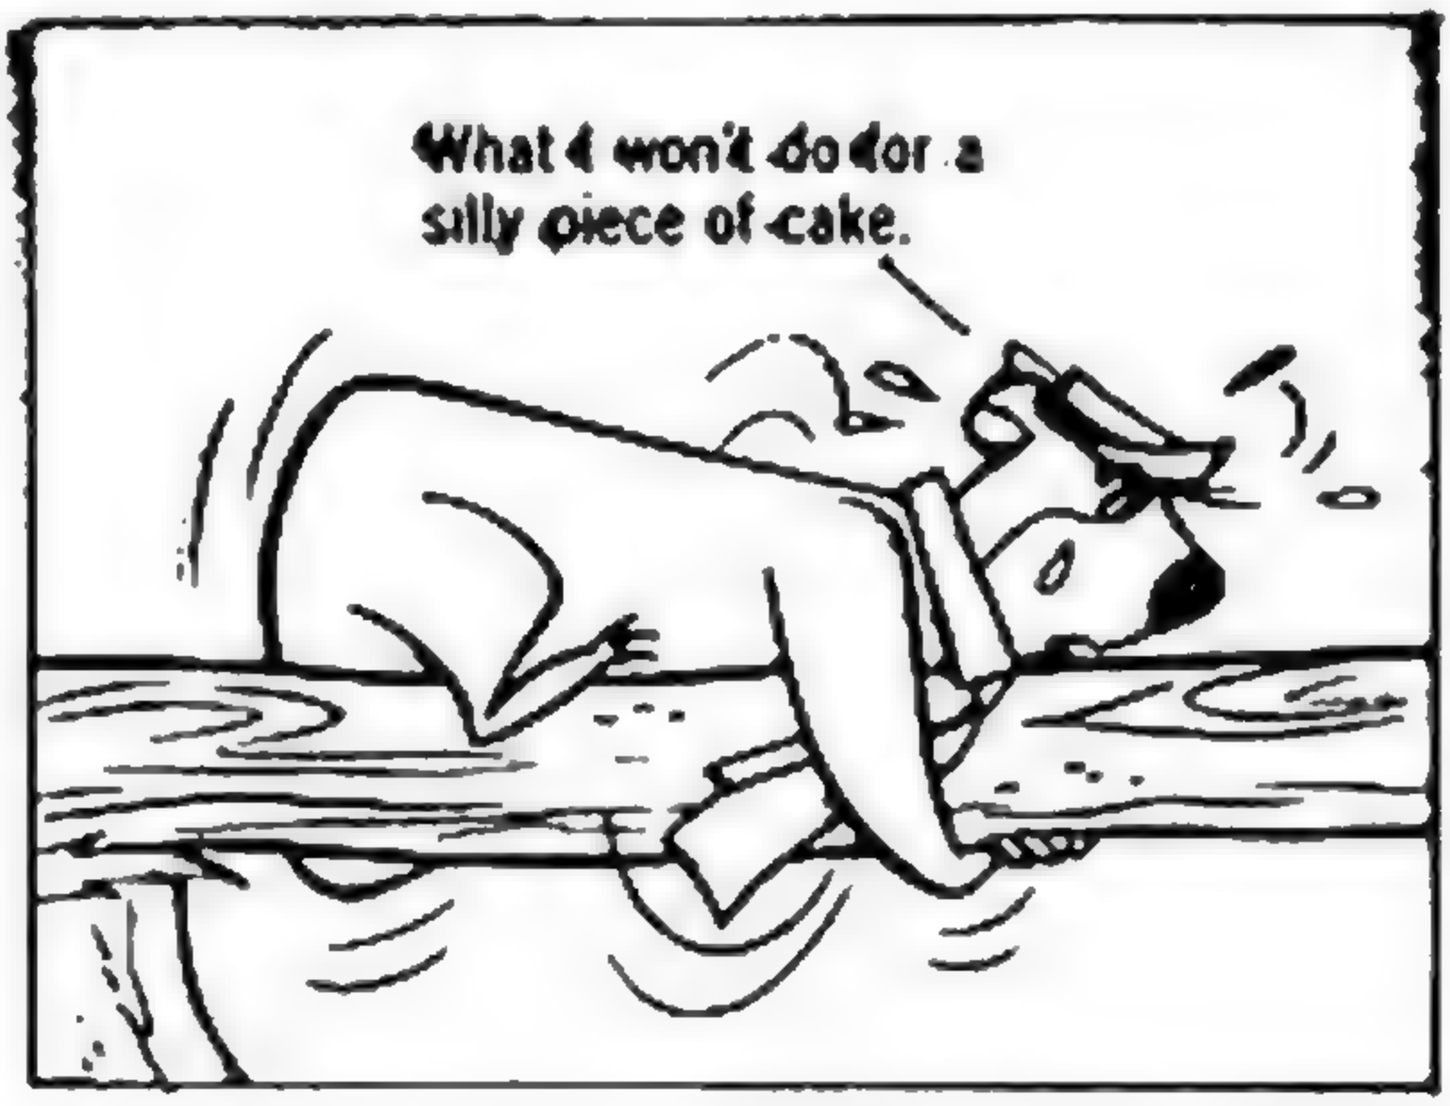
Oooo! A thousand picnics. I get a tummy ache just thinking about them.



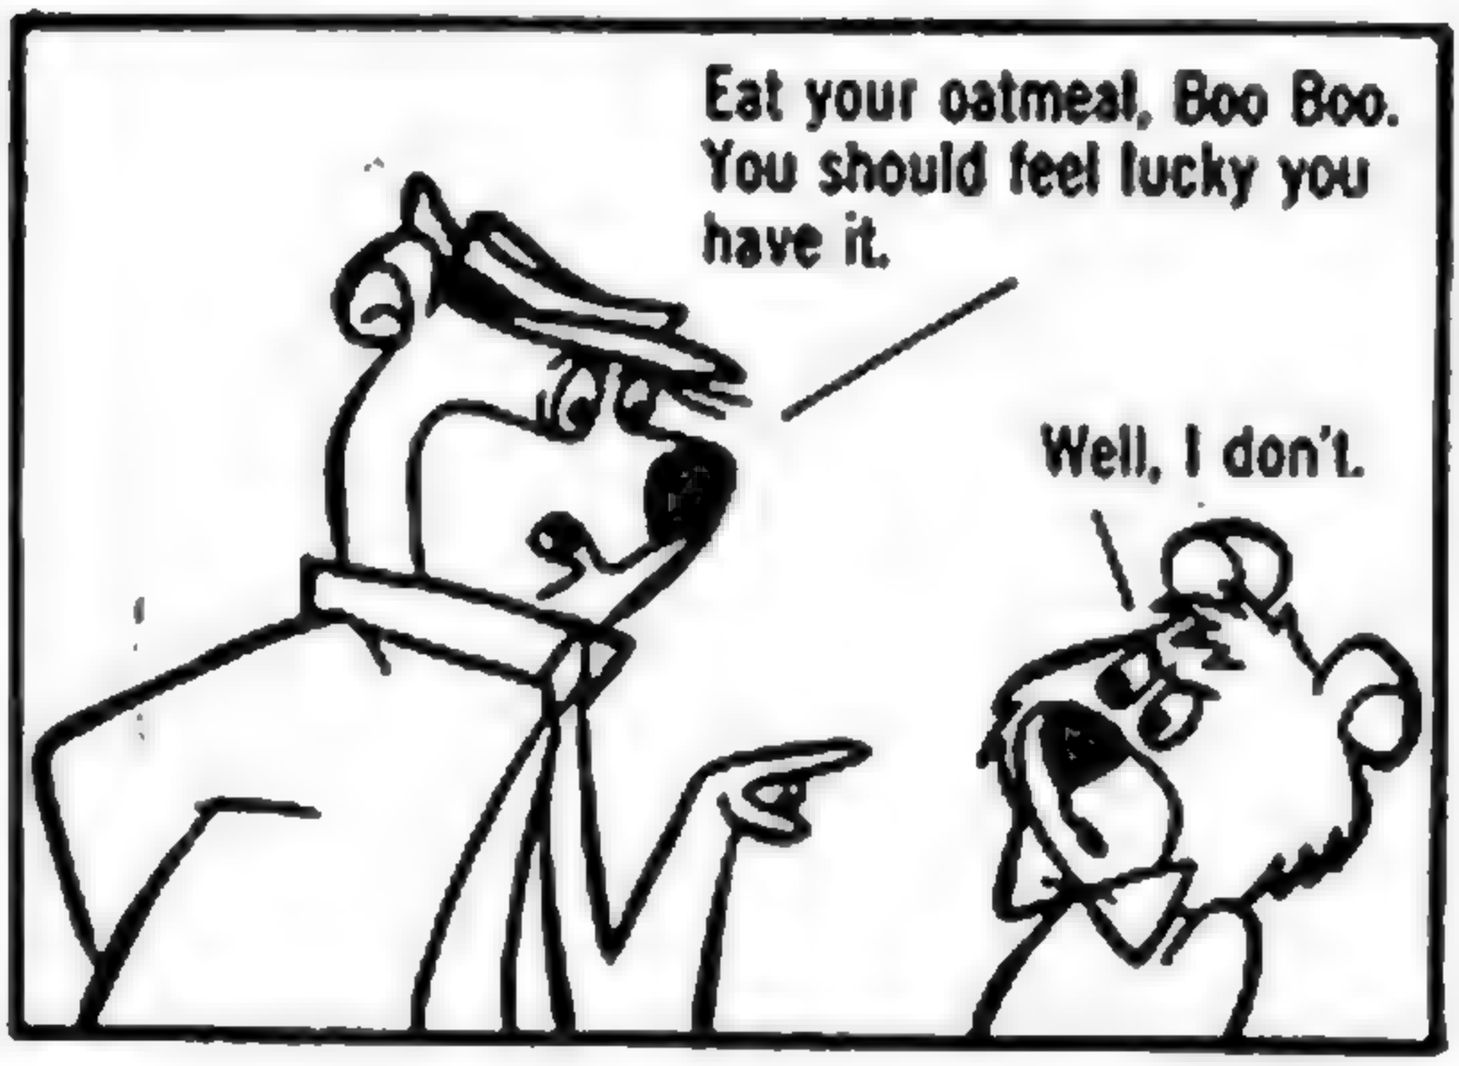
I'll never get across Bottomless Canyon Bridge. Ulp! Boo Boo? What are you doing over there?



Come on, Yogi. I spotted a picnic basket full of cake.



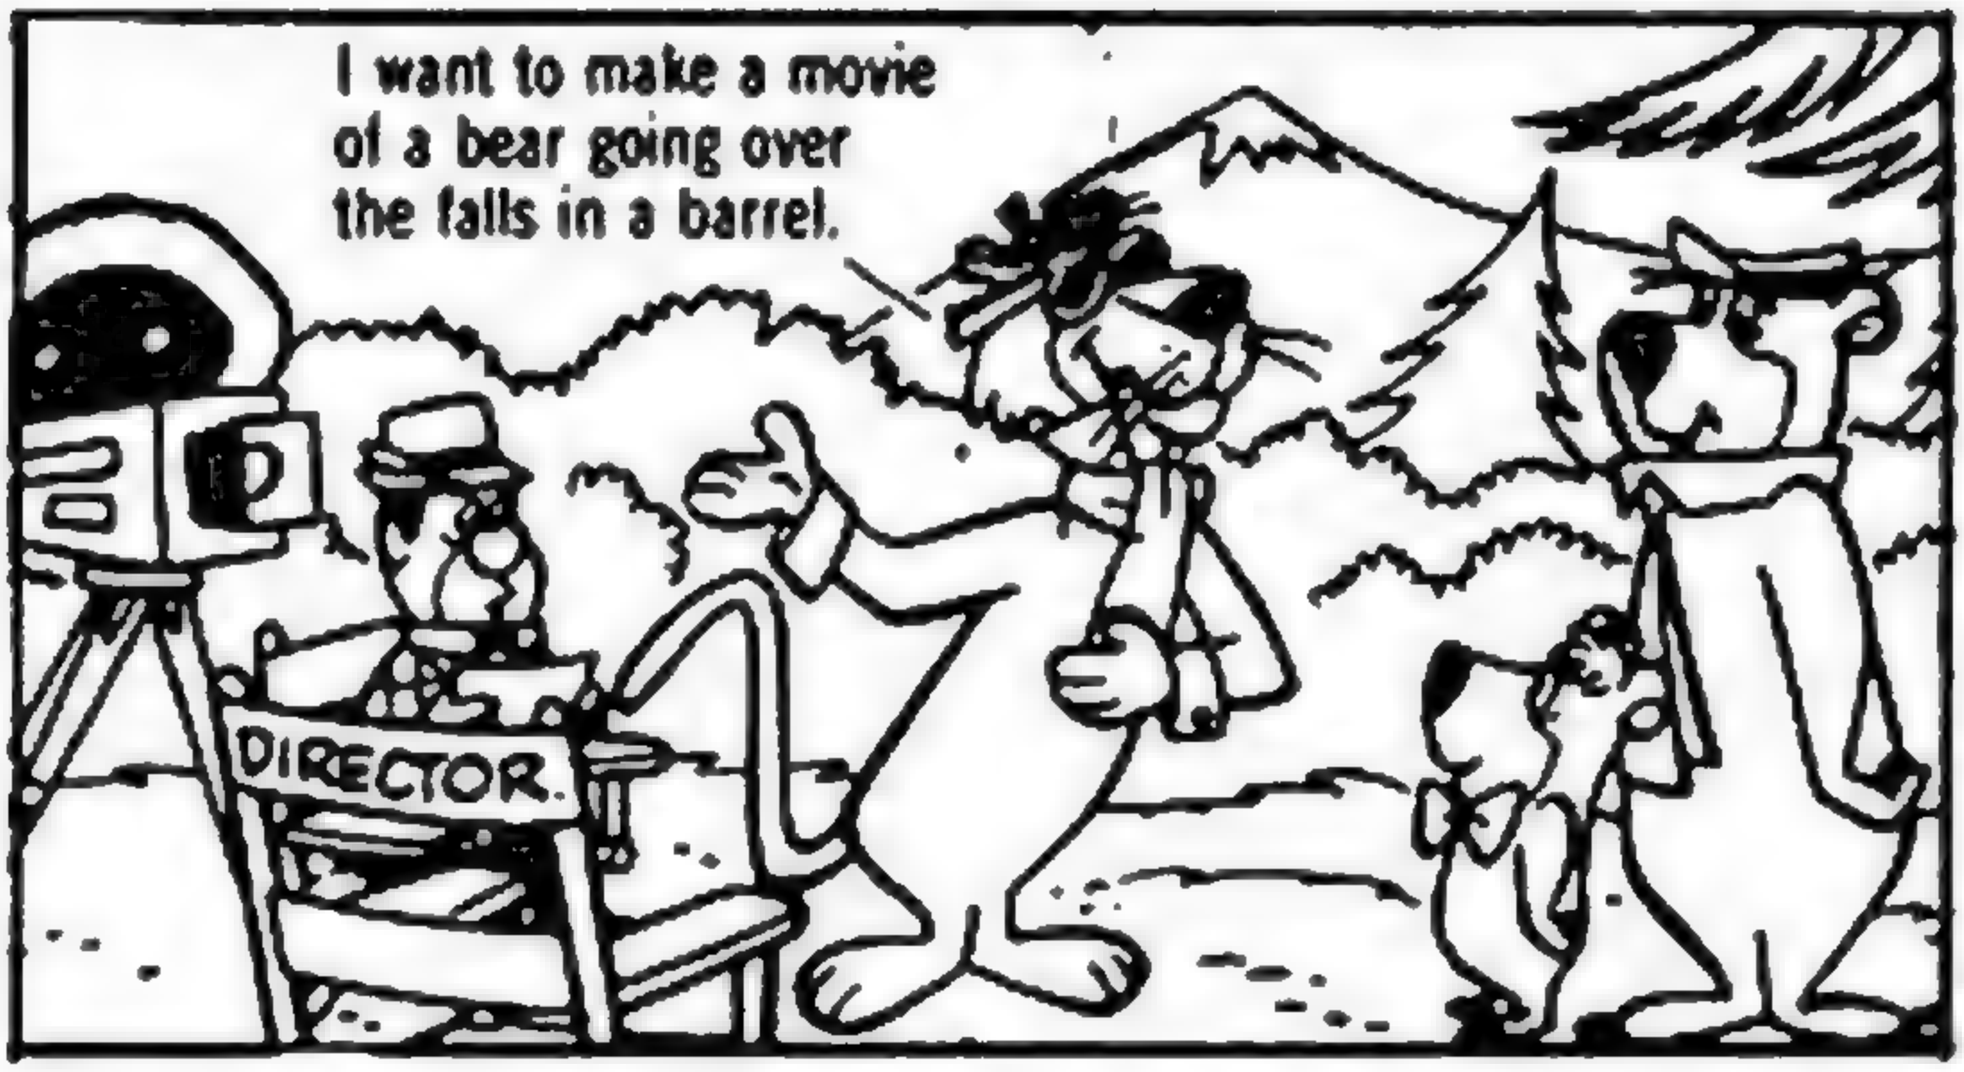
What I won't do for a silly piece of cake.



Eat your oatmeal, Boo Boo. You should feel lucky you have it.
Well, I don't.

But since you feel that way, you may share mine.

I'd better write that one down so he doesn't use it on me again.

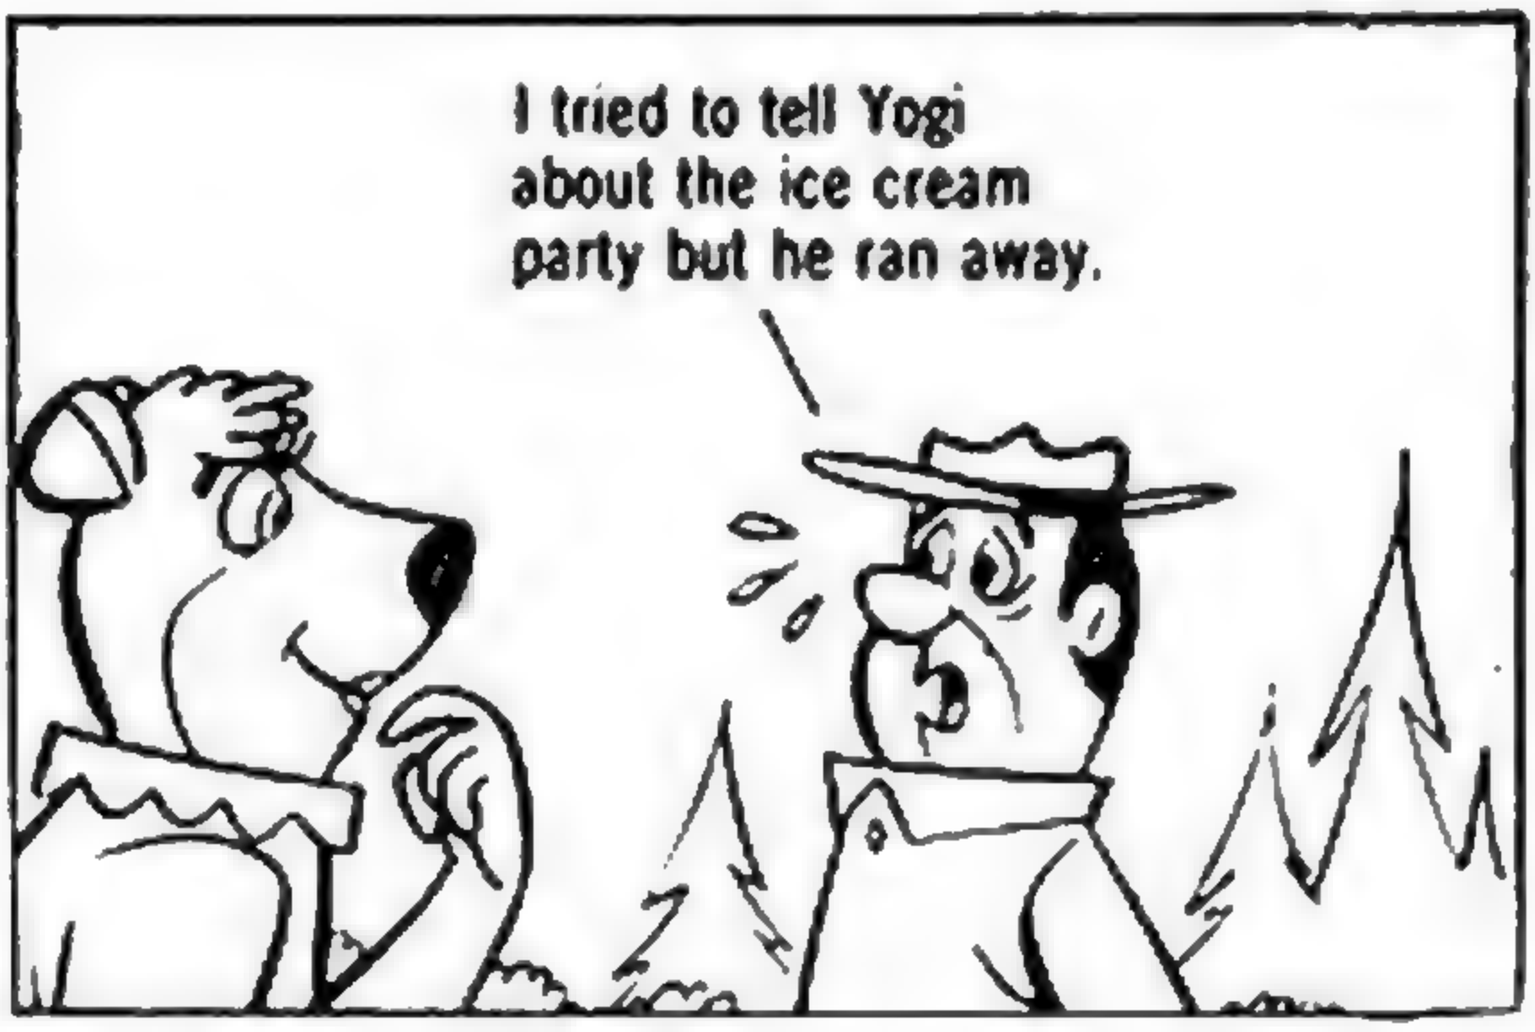


I want to make a movie of a bear going over the falls in a barrel.
DIRECTOR.

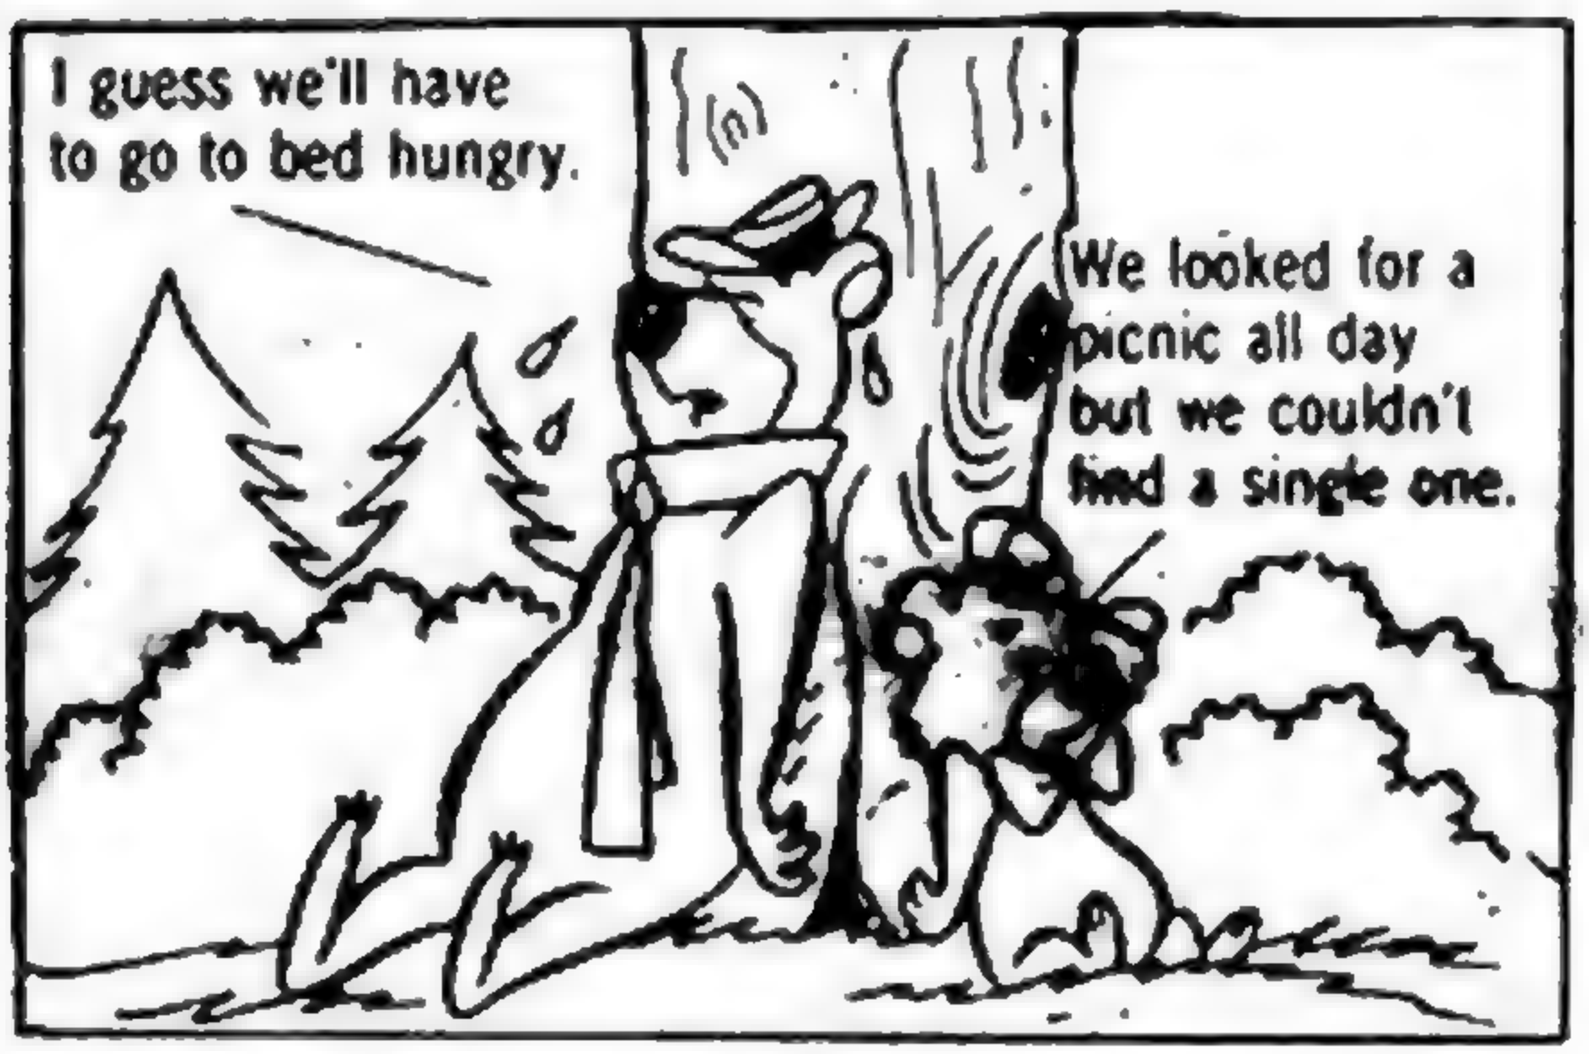
I've got a better idea.
He means a safer one.

How about a barrel going over a bear in the fall?

I tried to tell Yogi about the ice cream party but he ran away.



I can't walk another step.
Me either!



I guess we'll have to go to bed hungry.
We looked for a picnic all day but we couldn't find a single one.

Look, dear. Do you see those cute bears sleeping under that tree?
I'd like to feed them but I don't want to disturb their nap

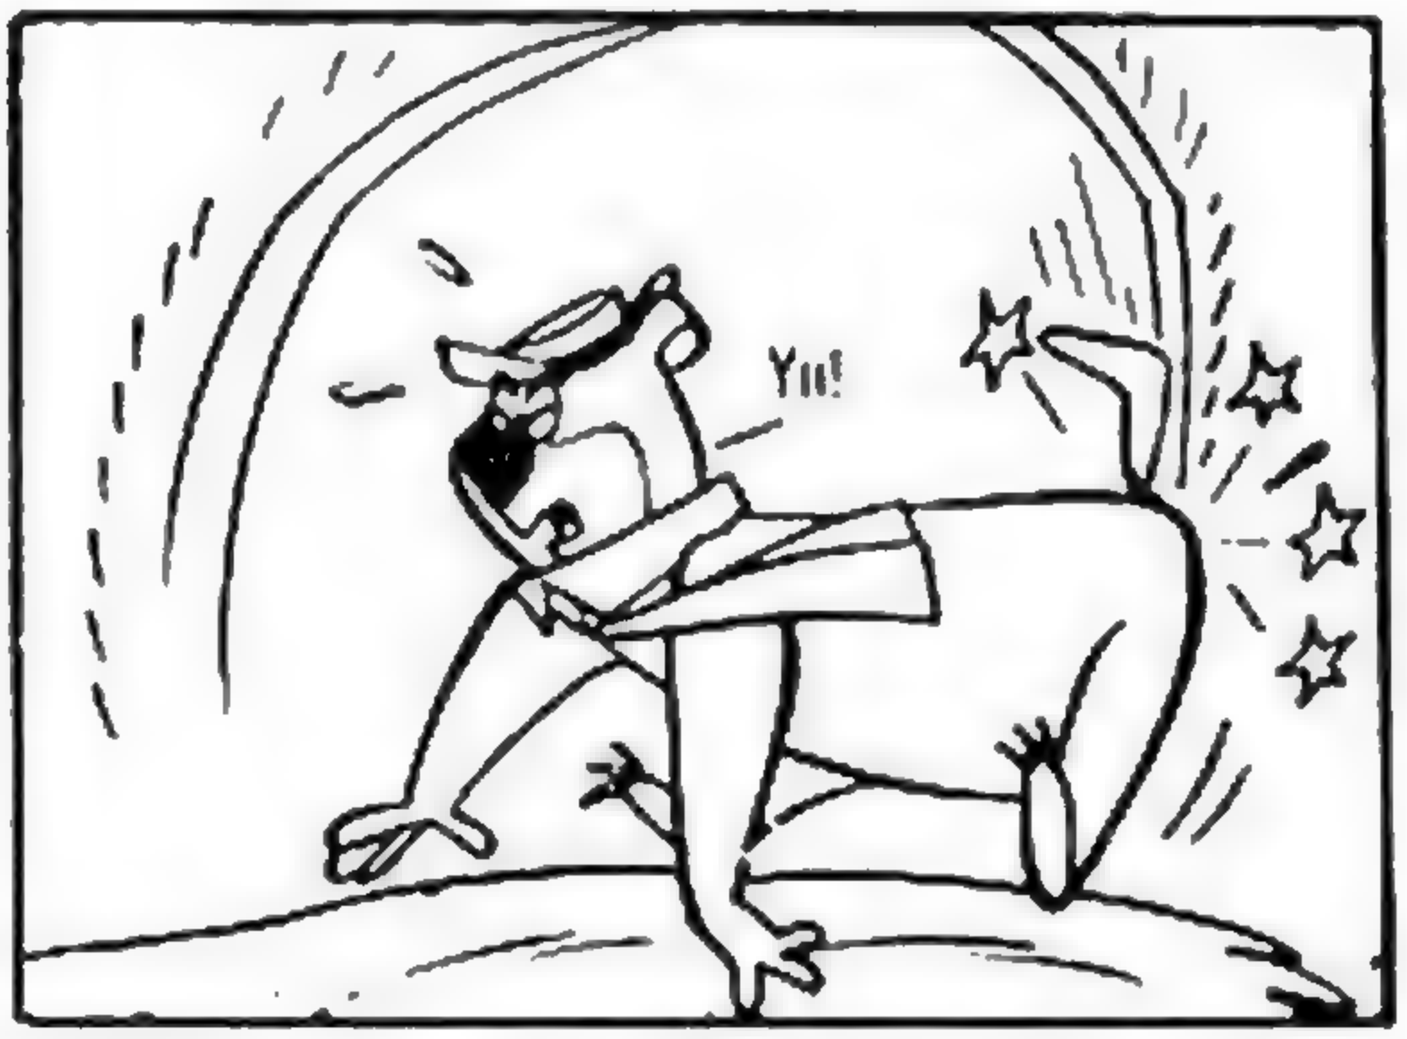
Look! Bears! Let's feed them!

Gosh, Yogi! What are we going to do? It's against the rules to feed us bears.
Ulp!

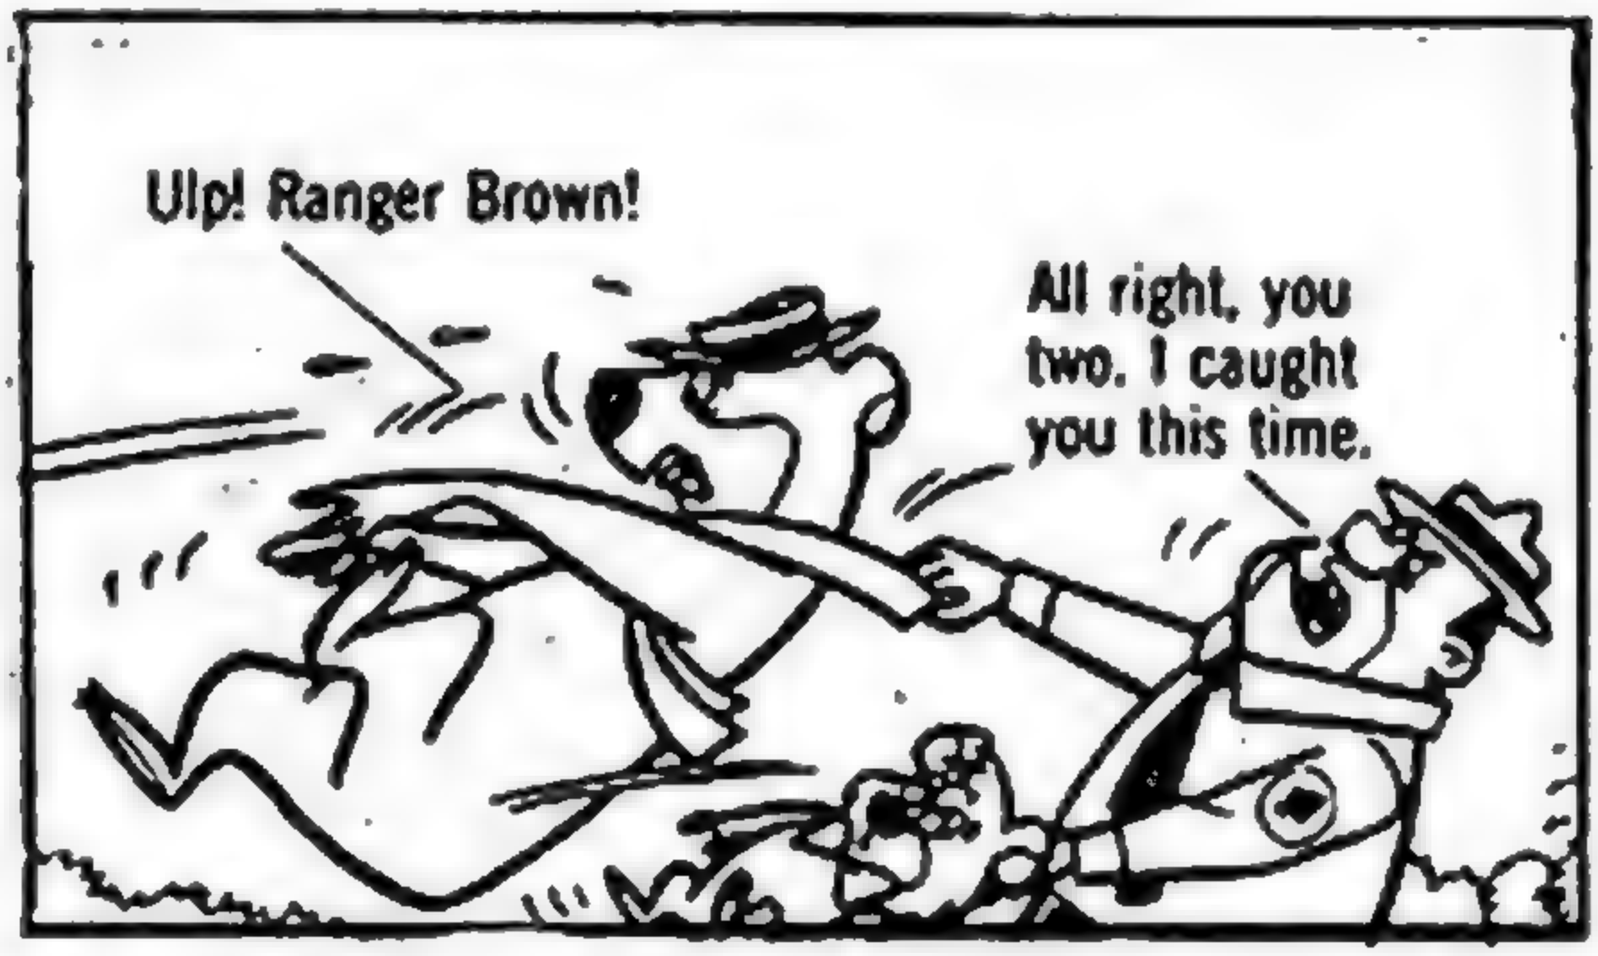
Hey! Come back with our baskets!
You always know what to do, Yogi.

Are you sure it will work?
Of course, it will. I'm an expert boomerang thrower.

I'm an expert boomerang catcher, too. Watch this! Here it comes.



Yii!



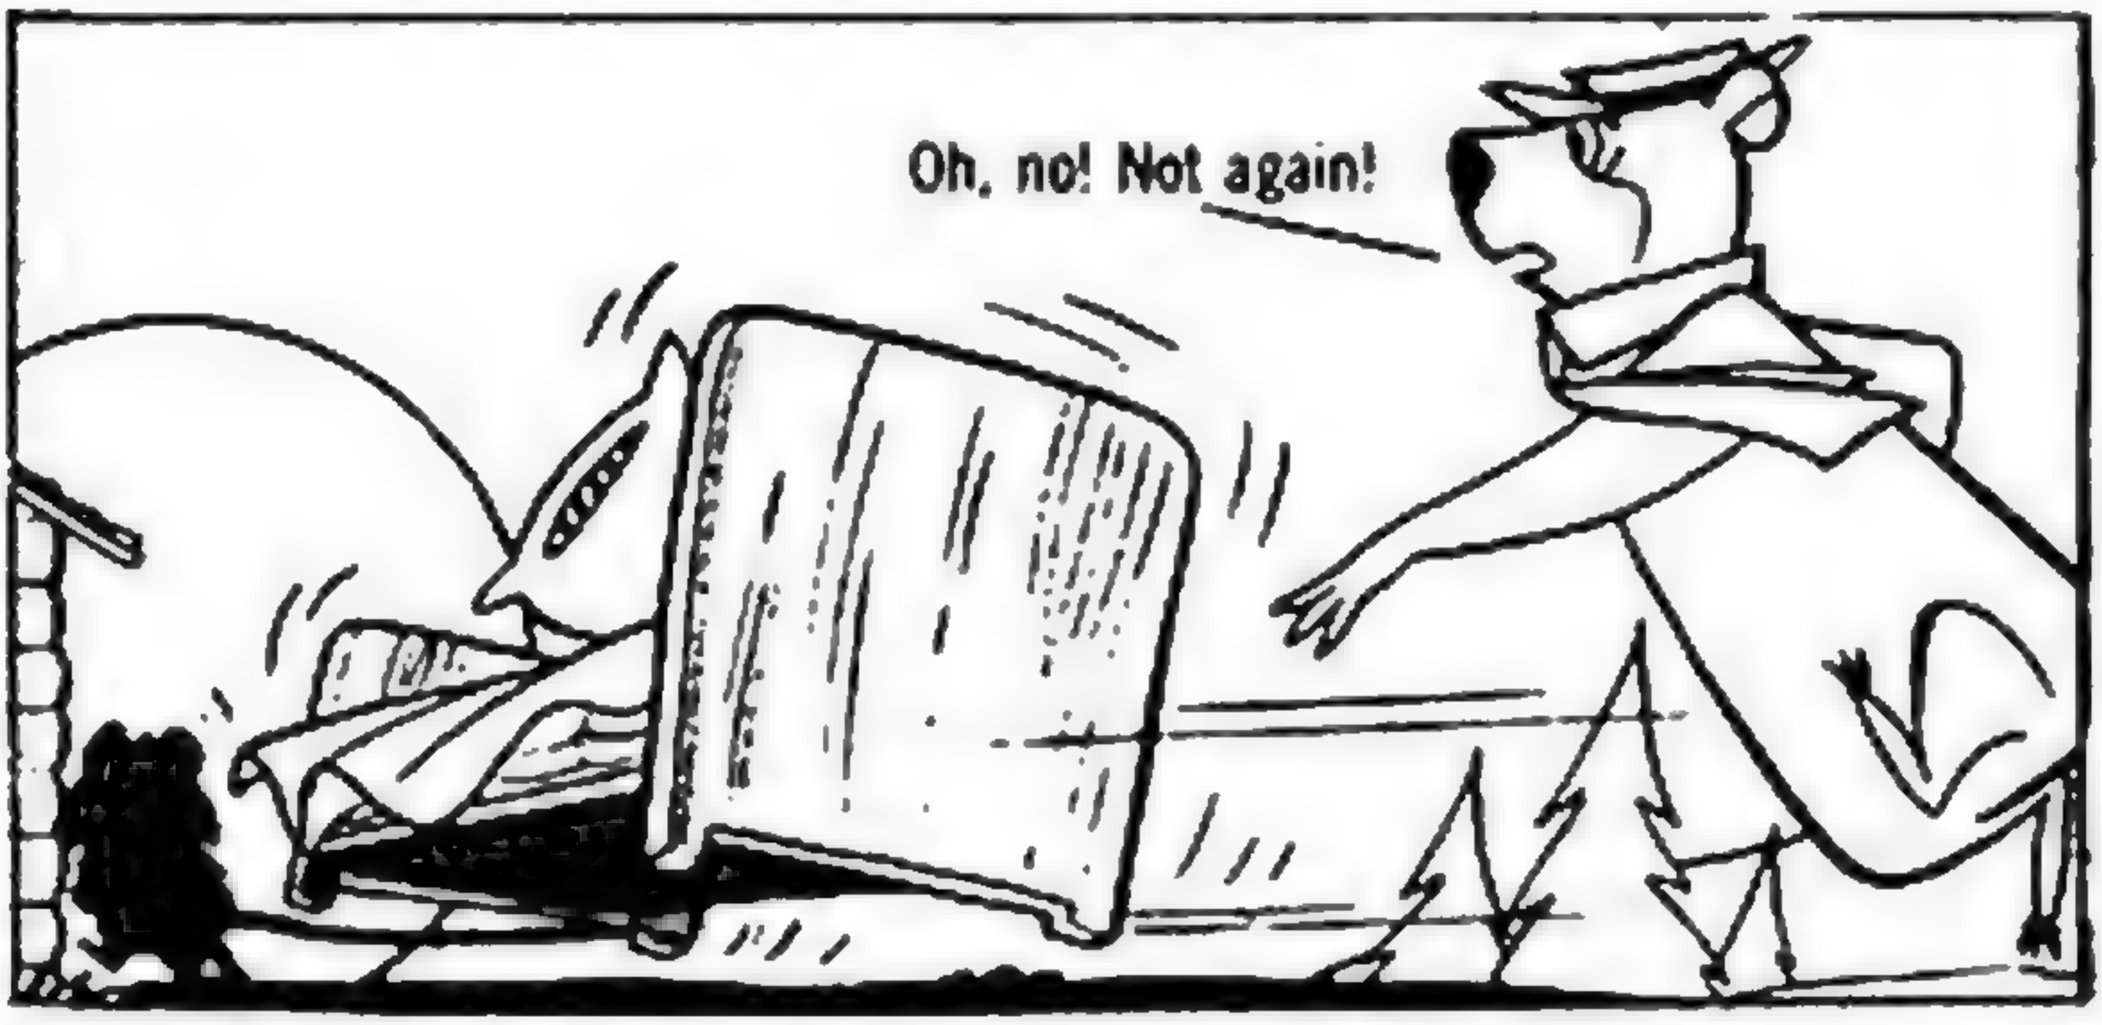
Ulp! Ranger Brown!
All right, you two. I caught you this time.

You bears better stay in that section of the park if you know what's good for you.
We know what's good for us, Ranger Brown.

But that's the first time Ranger Brown knew what's good for us. Yum yum.

Boo Boo's sleep walking is wearing me out.
Zzzz.

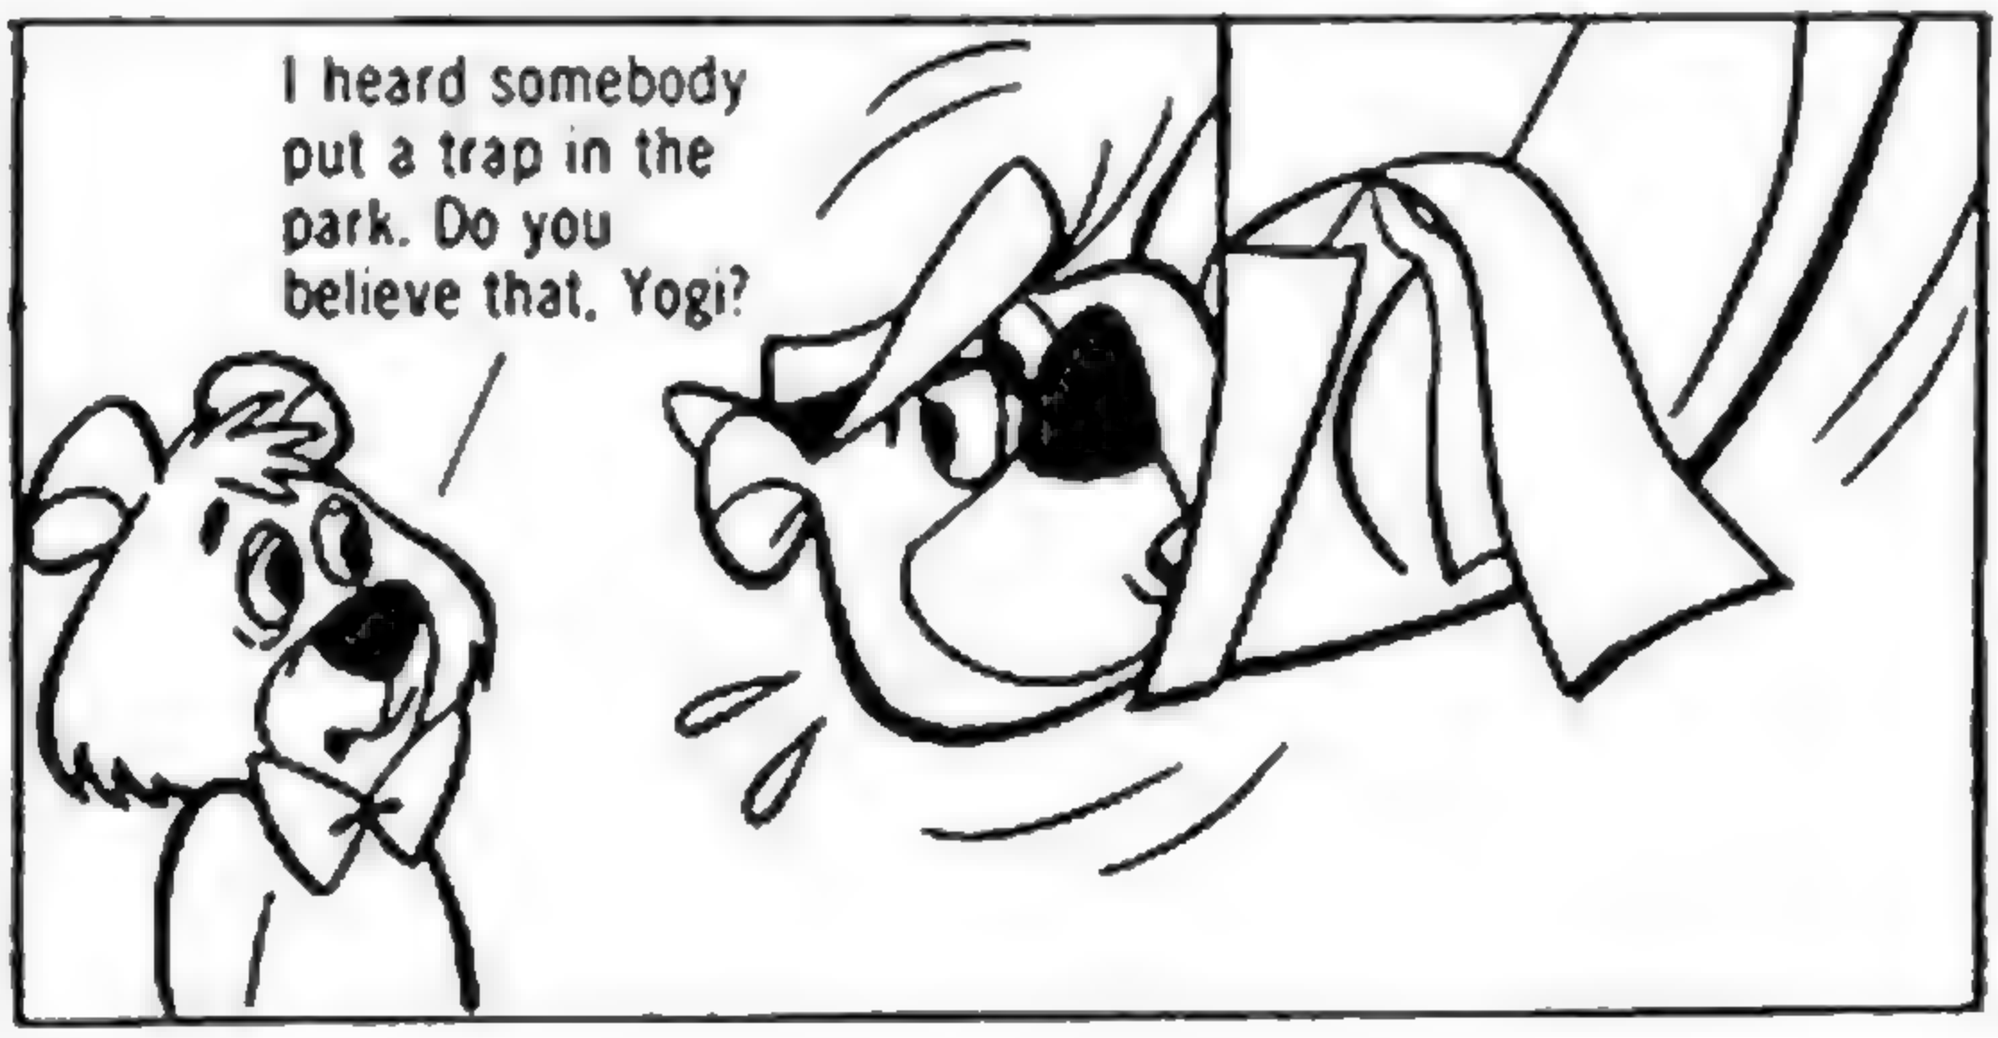
There! Now I'll be able to get some sleep too.



Oh, no! Not again!

I heard somebody put a trap in the park but I don't believe it. Ooops!

Yii!

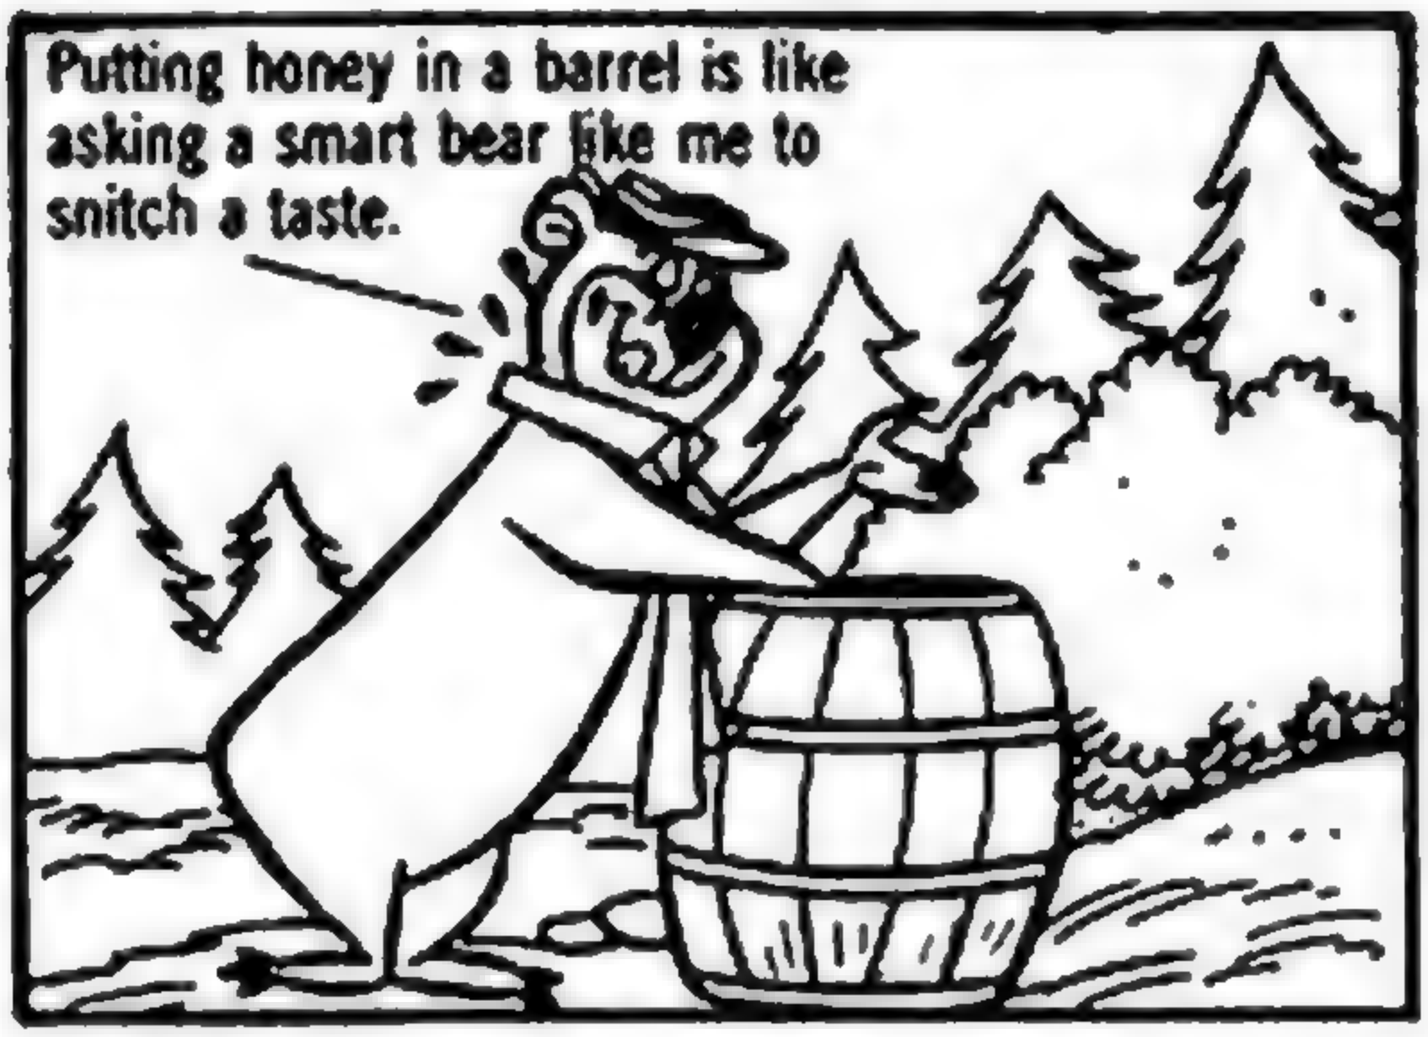


I heard somebody put a trap in the park. Do you believe that, Yogi?

Stop, Boo Boo. It looks as if Ranger Smith will catch us this time.
He's still running.

BOING!

You have to be more careful. If you get hurt, who will be left to chase us?



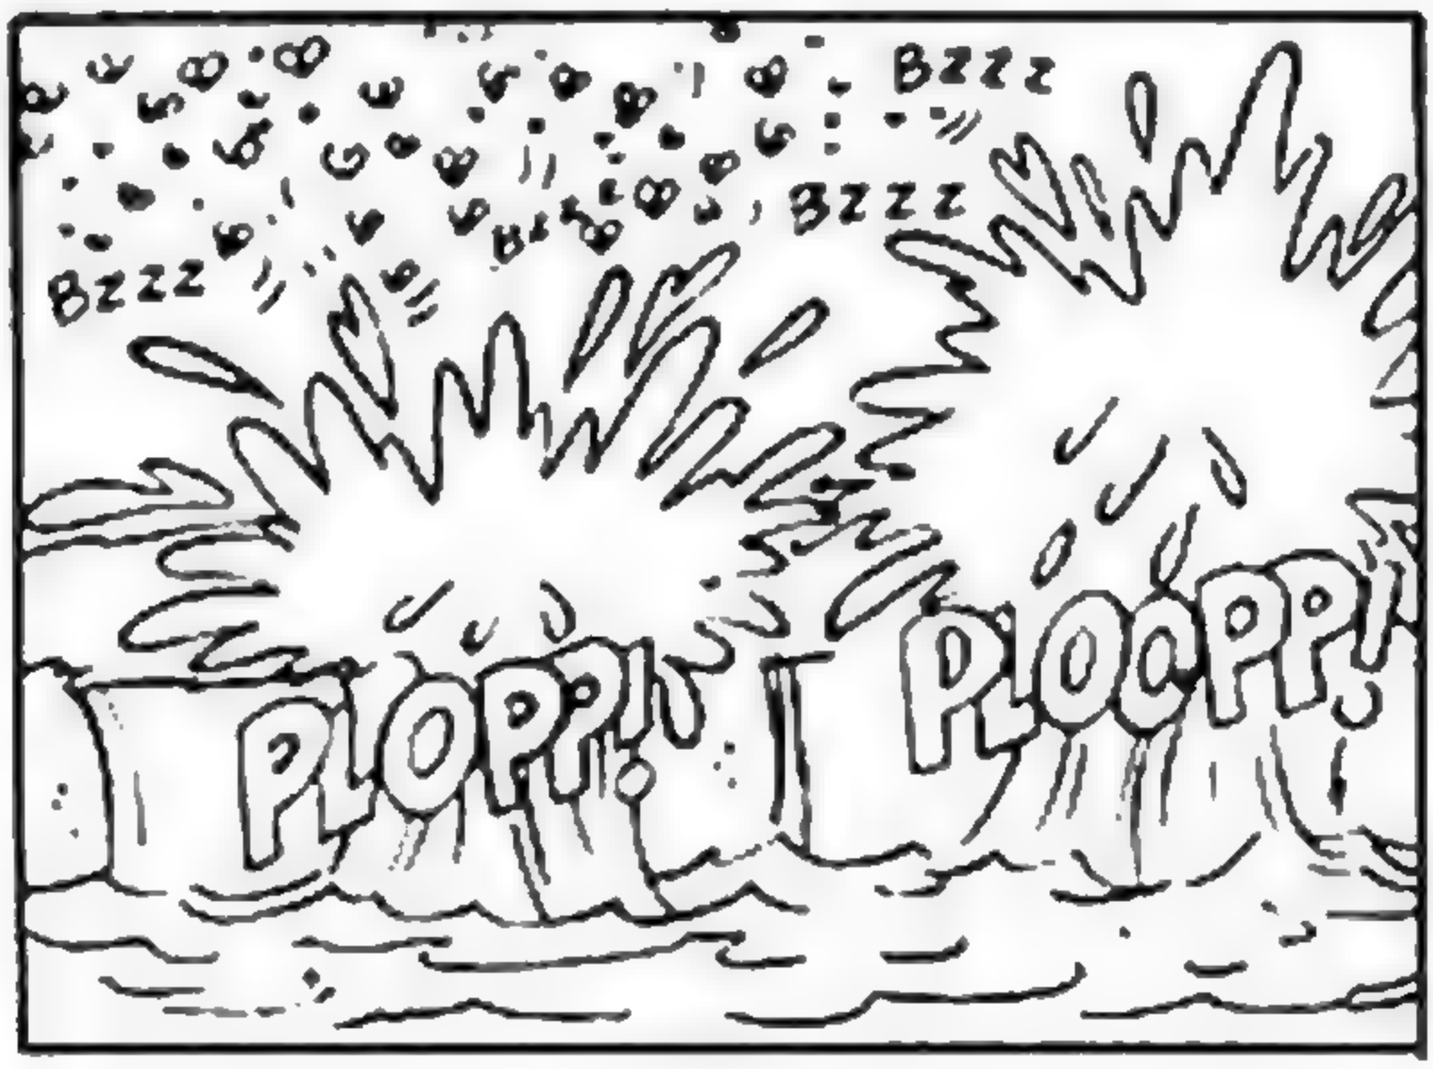
Putting honey in a barrel is like asking a smart bear like me to snitch a taste.

They sure must want to get rid of this honey awfully bad. Oh, Oh!

Maybe it's the barrel they want to get rid of. It's stuck on my hand. Gulp!

Yogi! Wait for me!
I want to tell you
something!
Bzzz
Bzz

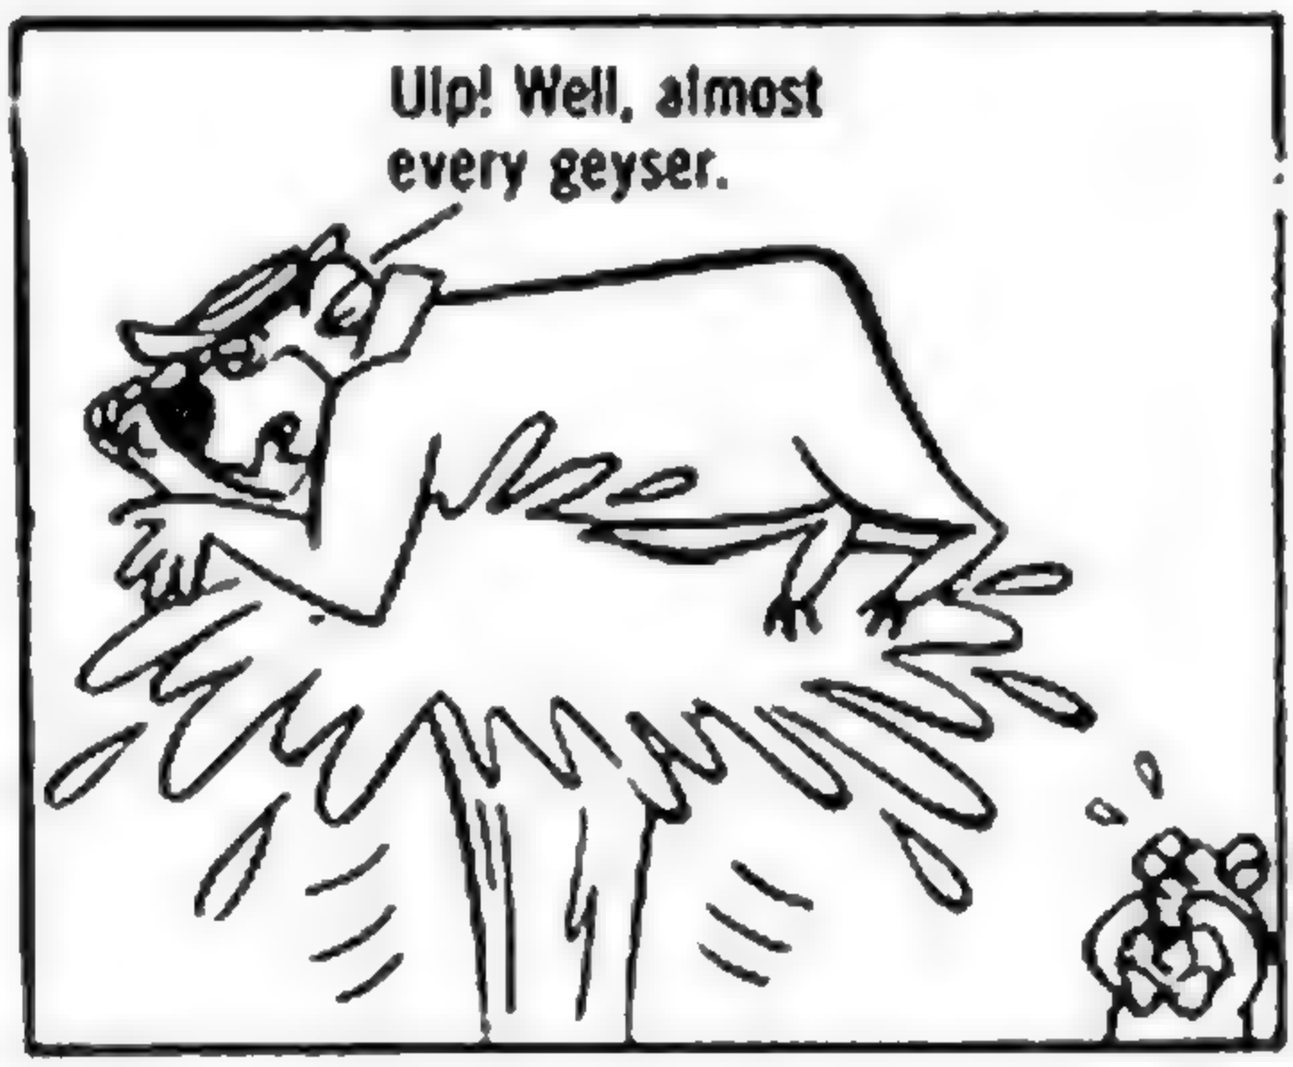
I wish you wouldn't
bother me with your
silly problems. Well,
what is it?
It's not my problem
now. It's our problem!



Bzzz
Bzzz
Bzzz
PLOPP!
PLOPP!

I'm going for a walk, Boo Boo.
Watch out for the new geyser, Yogi.

New geyser! Who does that kid think he is? Why, I know every geyser in Jellystone.

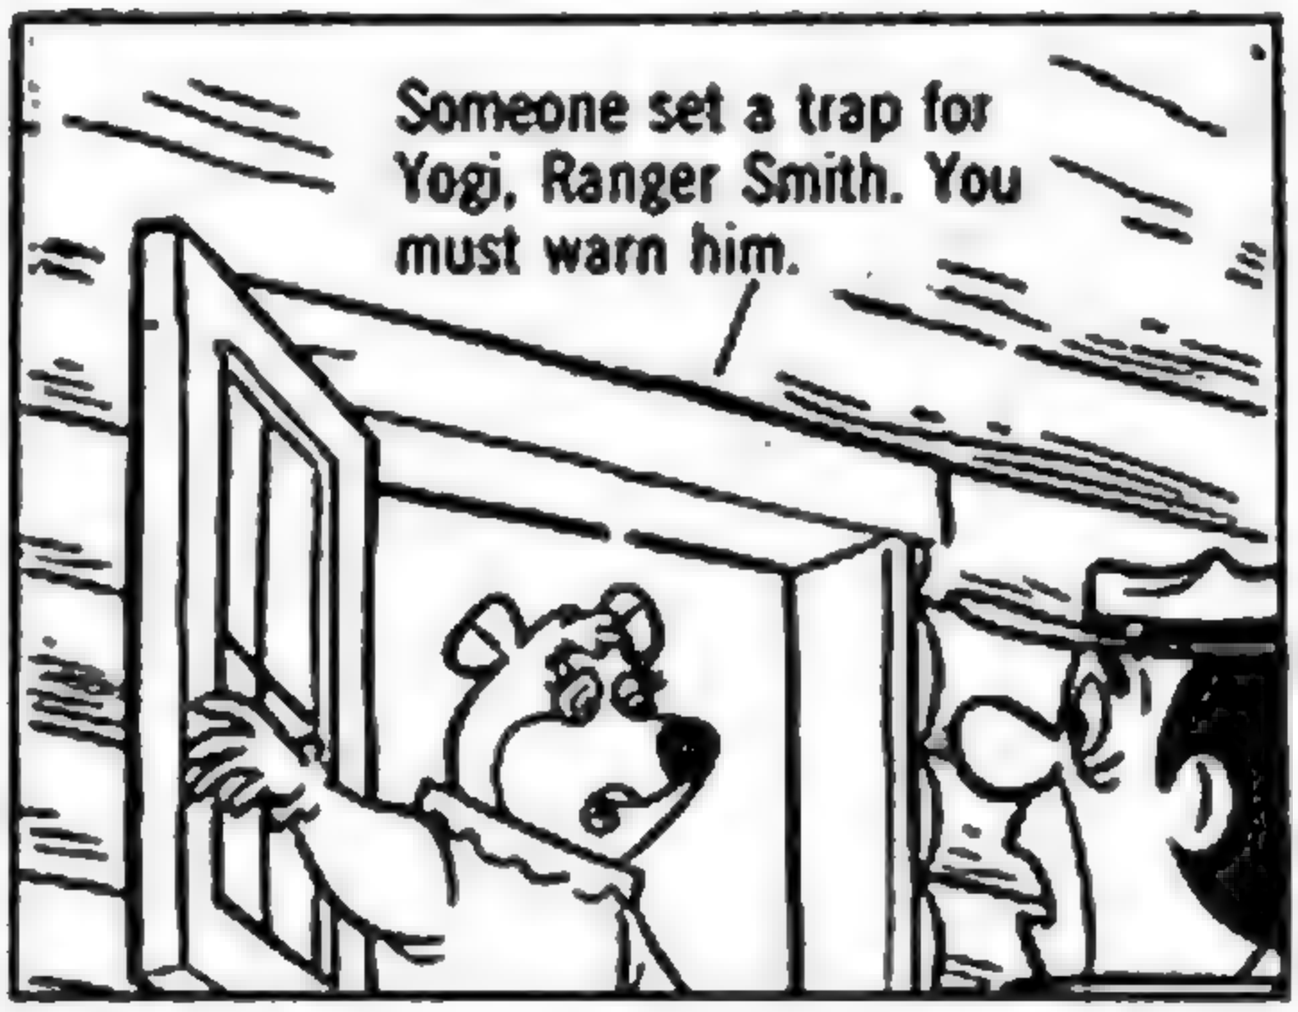


Ulp! Well, almost every geyser.

It's 8 o'clock. You told me to remind you.
8 o'clock already?

Hurry, Boo Boo. We'll be late!

Whew! That was close. The only thing I like better than eating is sleeping. Good night, Boo Boo.



Someone set a trap for Yogi, Ranger Smith. You must warn him.

Oh, gosh! What did I do now?

Yogi! Look out for the...Yiiiii!

It sure is going to be dull around Jellystone without Ranger Smith.
Where is he going?

He's on vacation. Everybody goes somewhere on their vacation.
Er, I forgot to tell you something, Yogi.

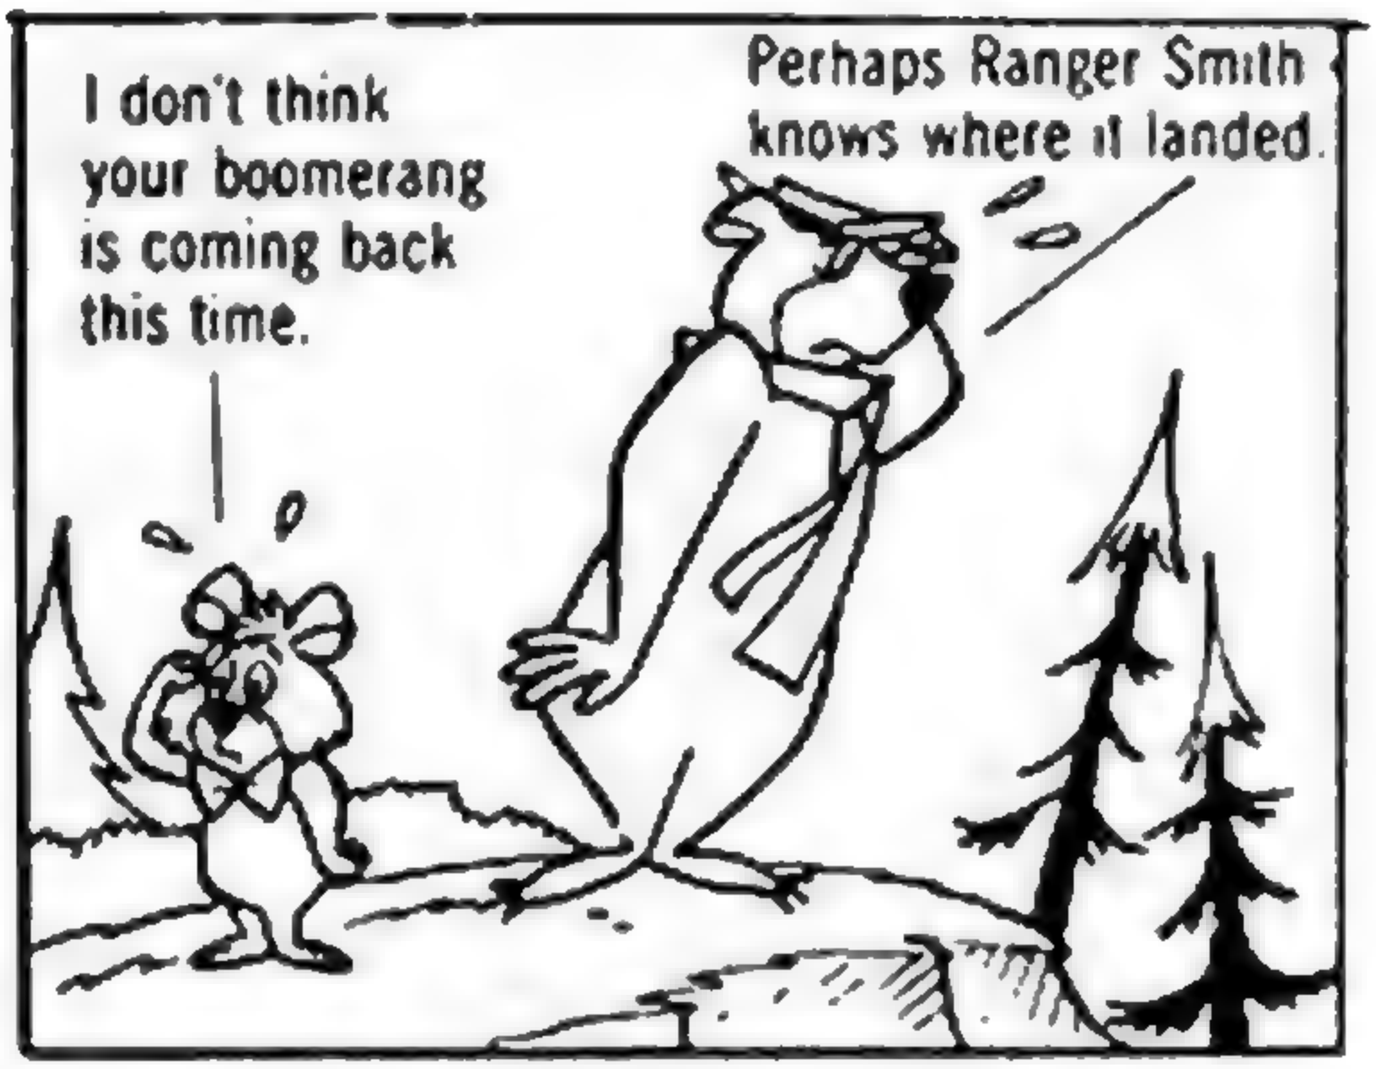
Come back here, you two!
He's taking his vacation right here in Jellystone!

Hi, folks. Will you spare a meal for a hungry bear?

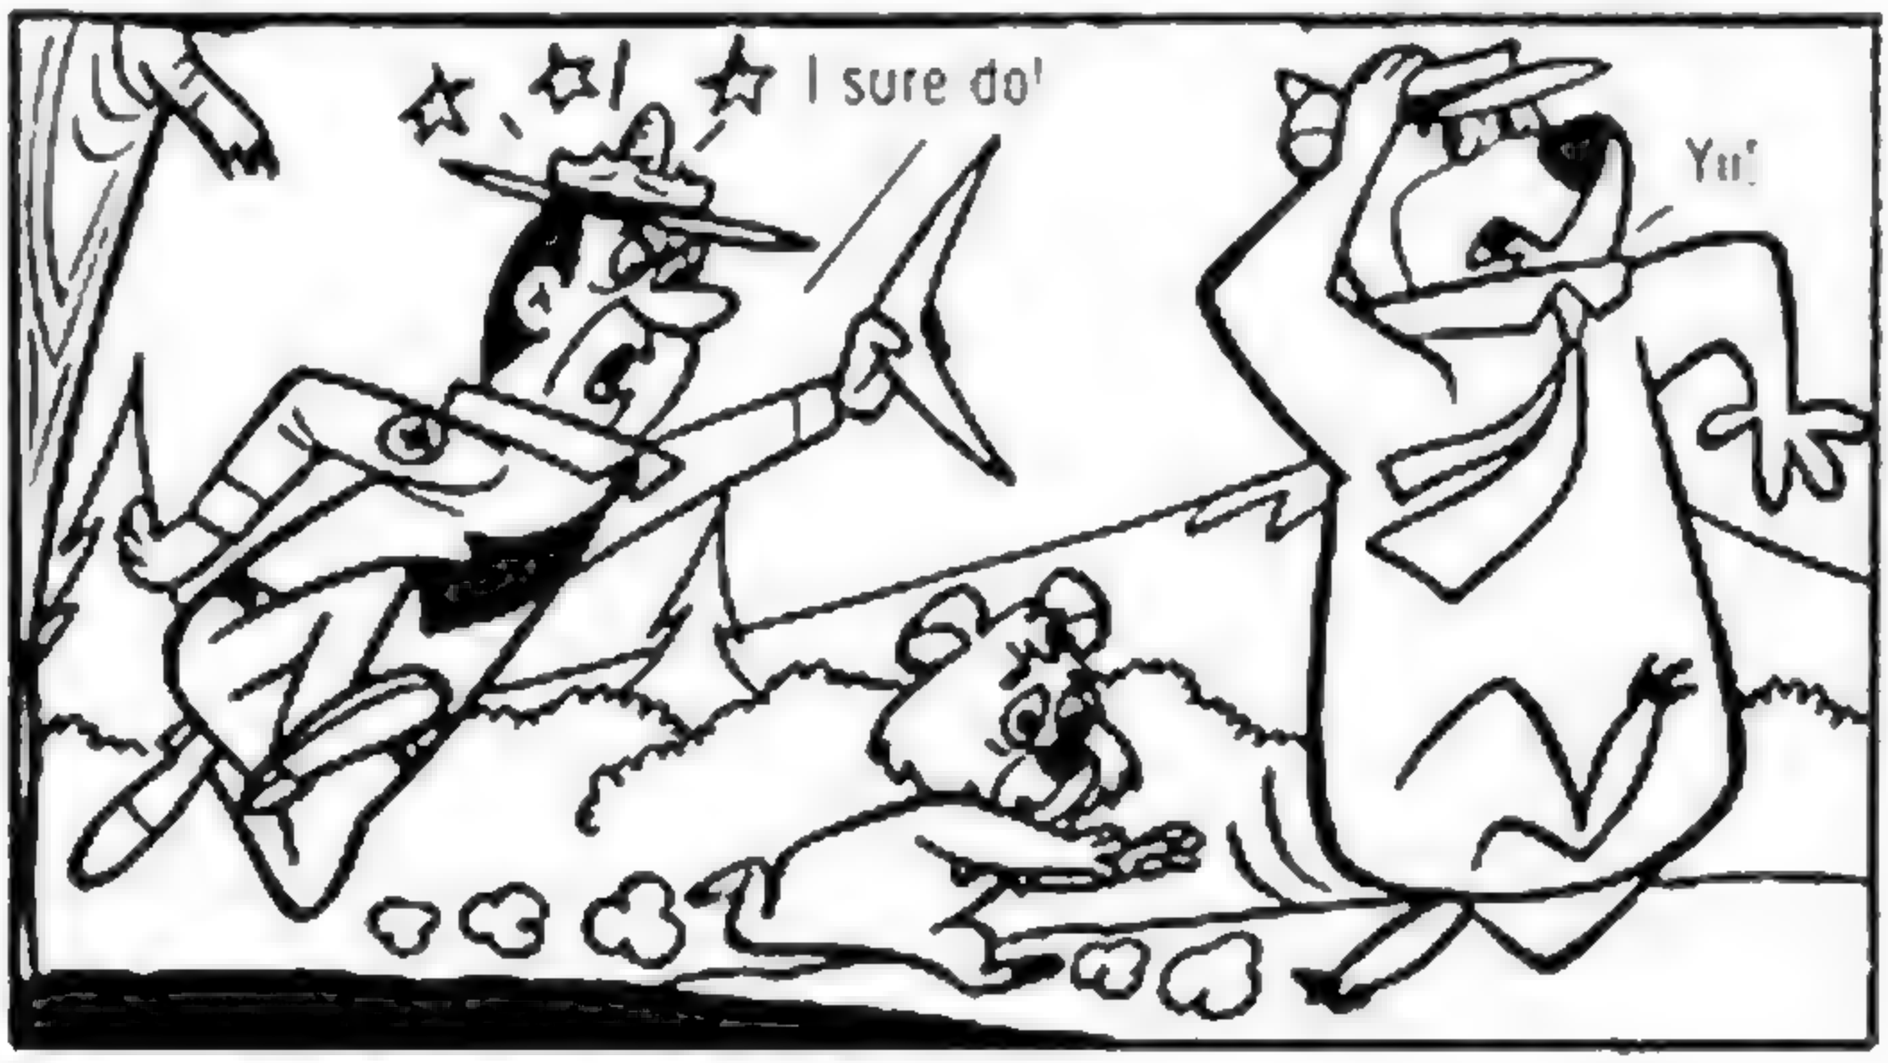
Why, certainly. Here! There's plenty for everyone!

I might have known it was a dream.

There's an unidentified flying object heading right at me!



I don't think your boomerang is coming back this time.
Perhaps Ranger Smith knows where it landed.



I sure do!
Yu!

The rangers said you're lazy, Yogi. Aren't you going to tell them to stop spreading lies?
I sure am!

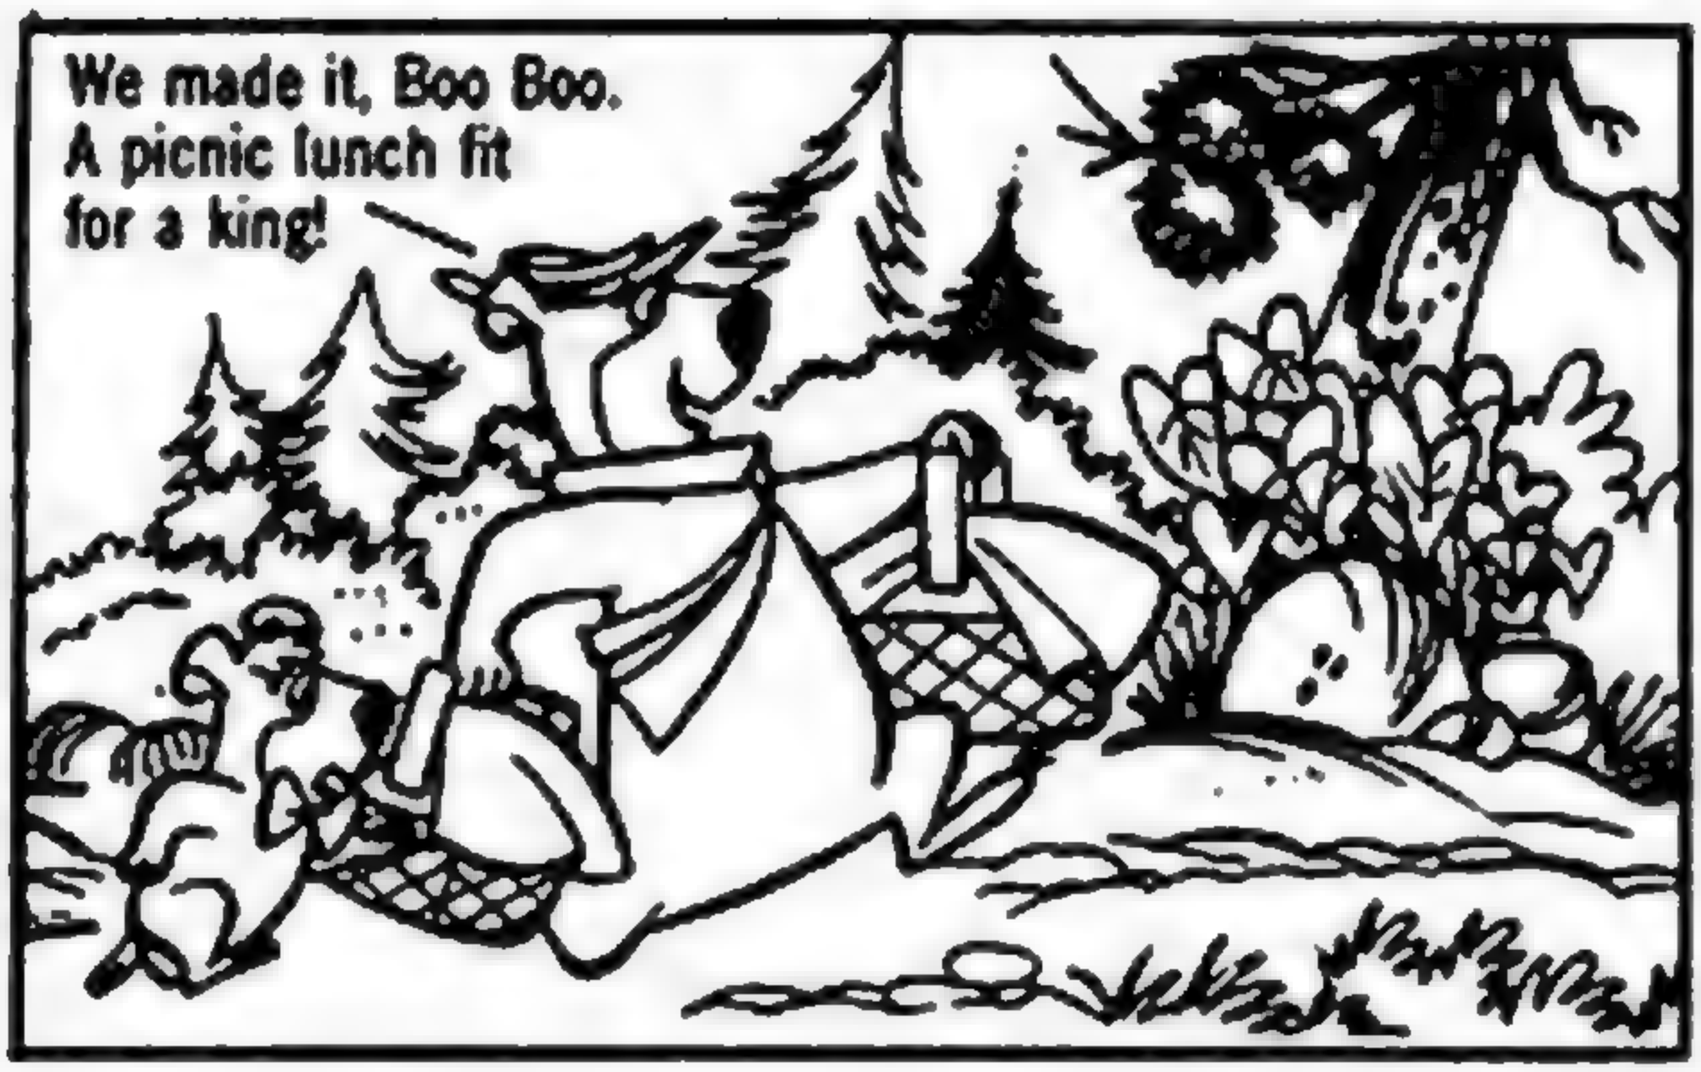
Well, what are you waiting for?

It's awfully far to walk. I'll just snooze under this tree until they come this way.

Hello, folks. Can you spare
a hand-out for a bashful bear?

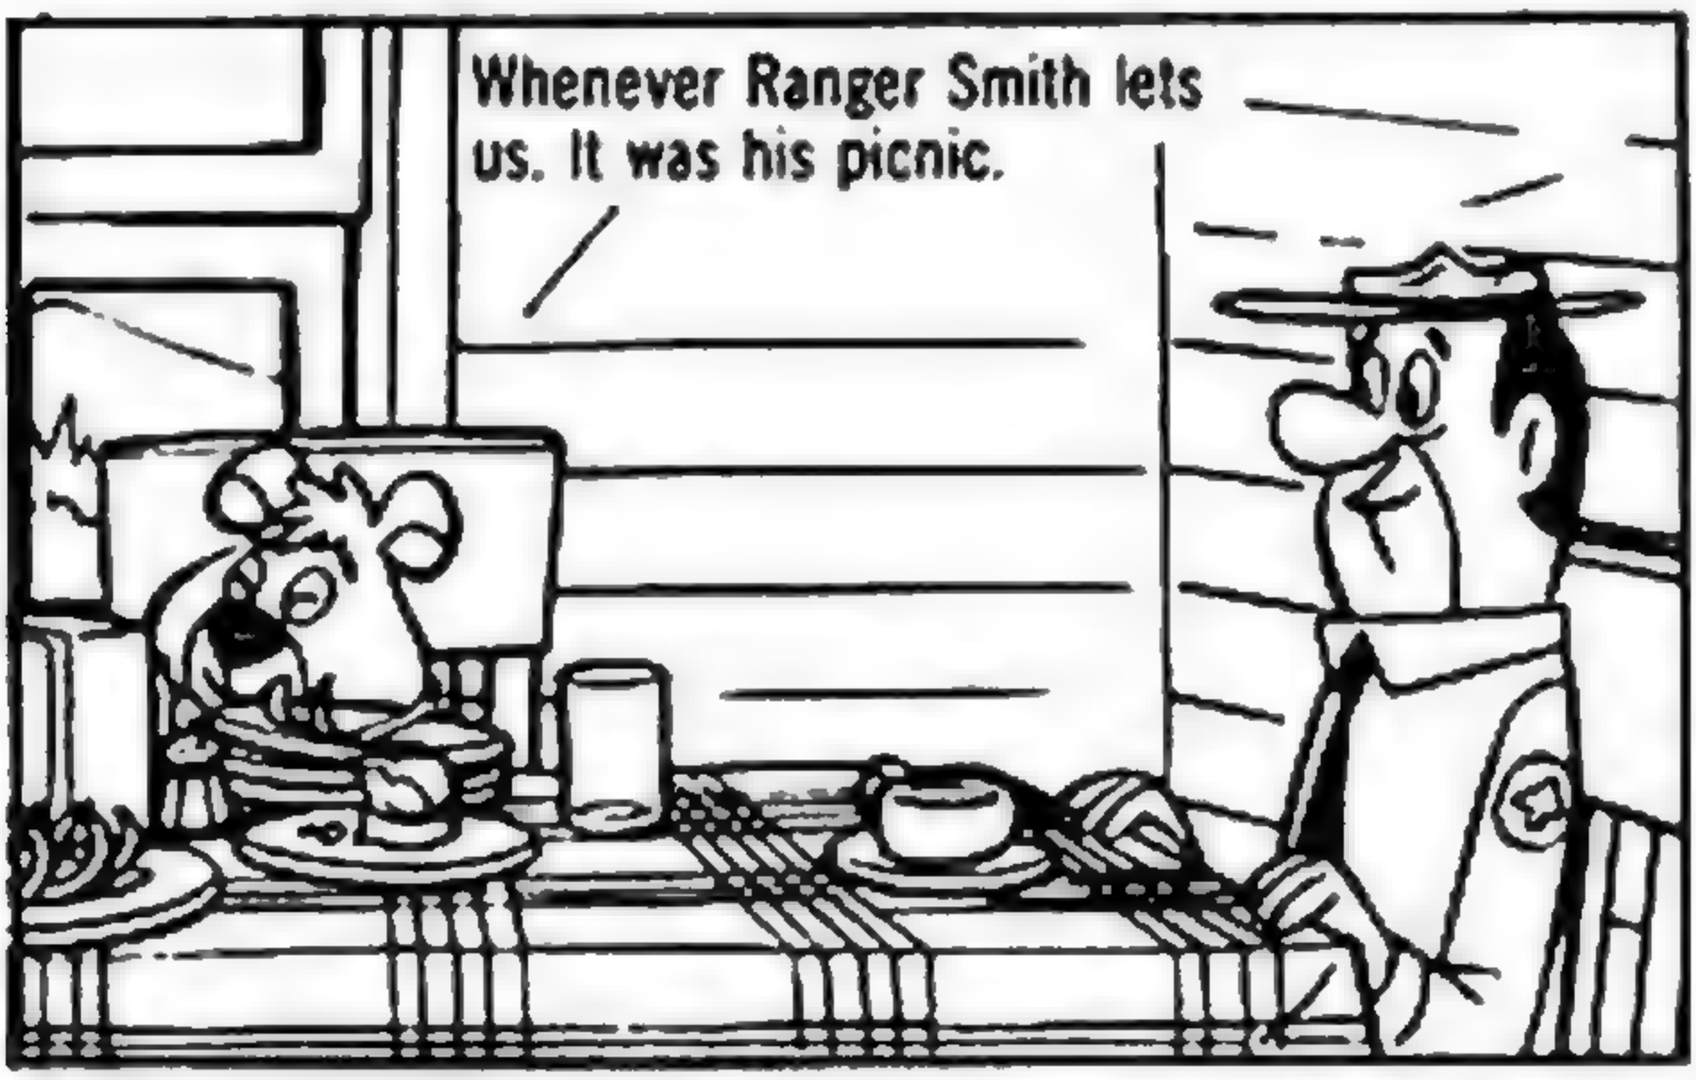
Why, certainly. Here,
little fellow. There's
no need to be bashful.

That's the first time
I ever got an upset
tummy without eating
anything.

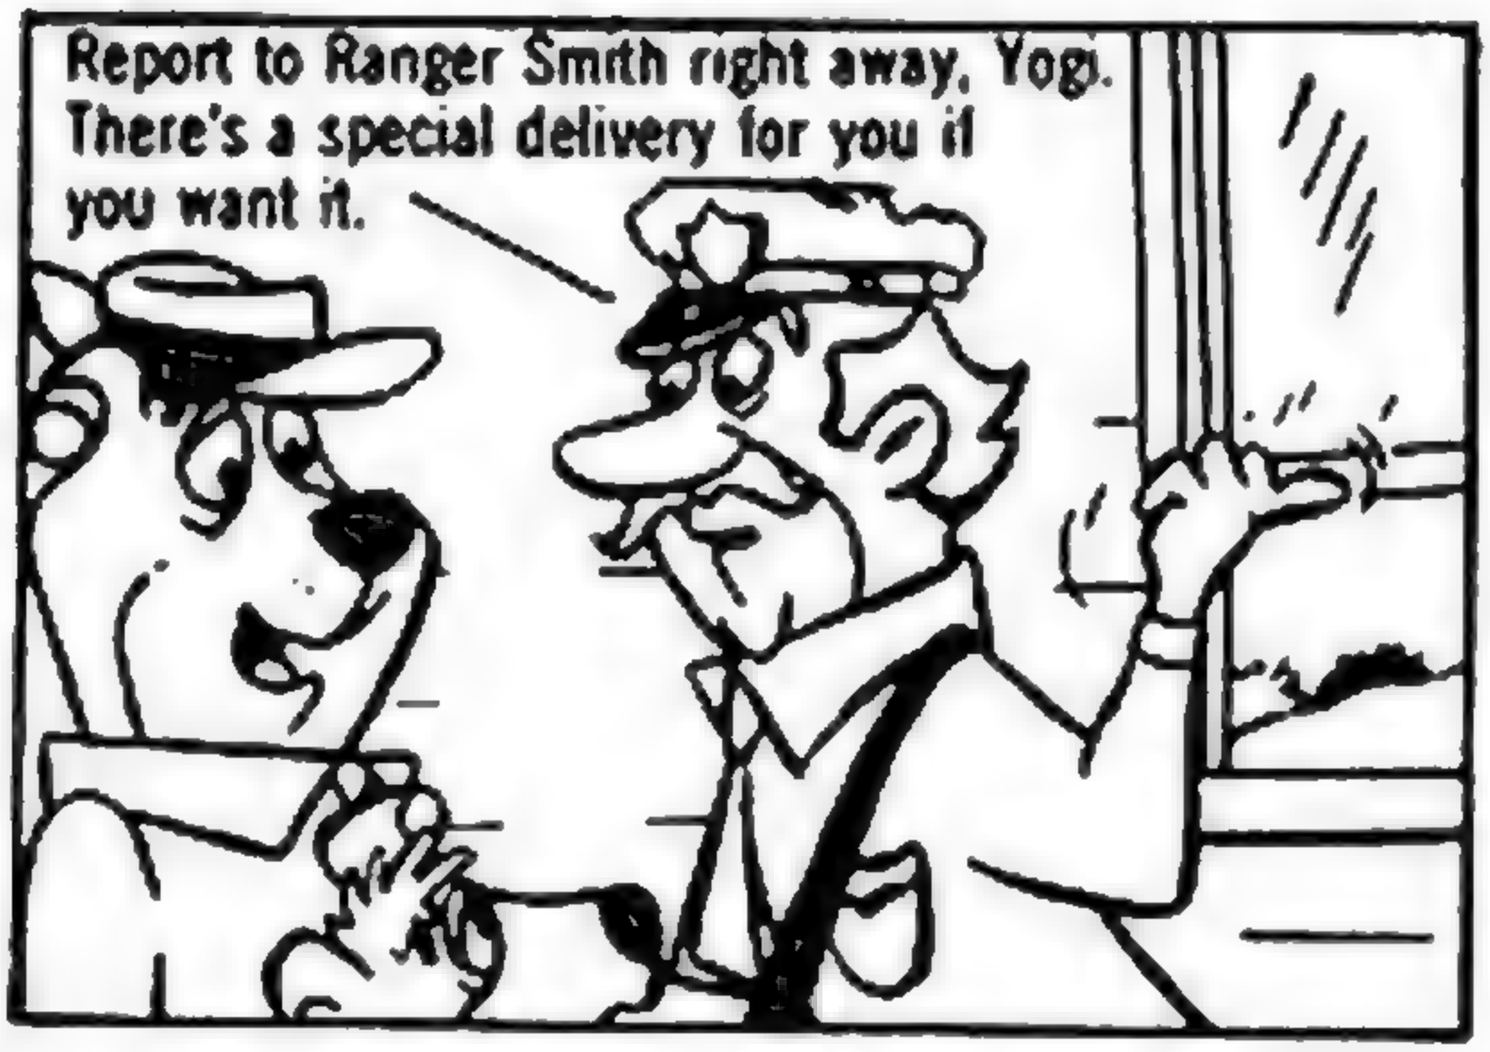


We made it, Boo Boo. A picnic lunch fit for a king!

Gosh, I'm stuffed. But it was worth it. How often do we get away with snitching a picnic like this one?



Whenever Ranger Smith lets us. It was his picnic.

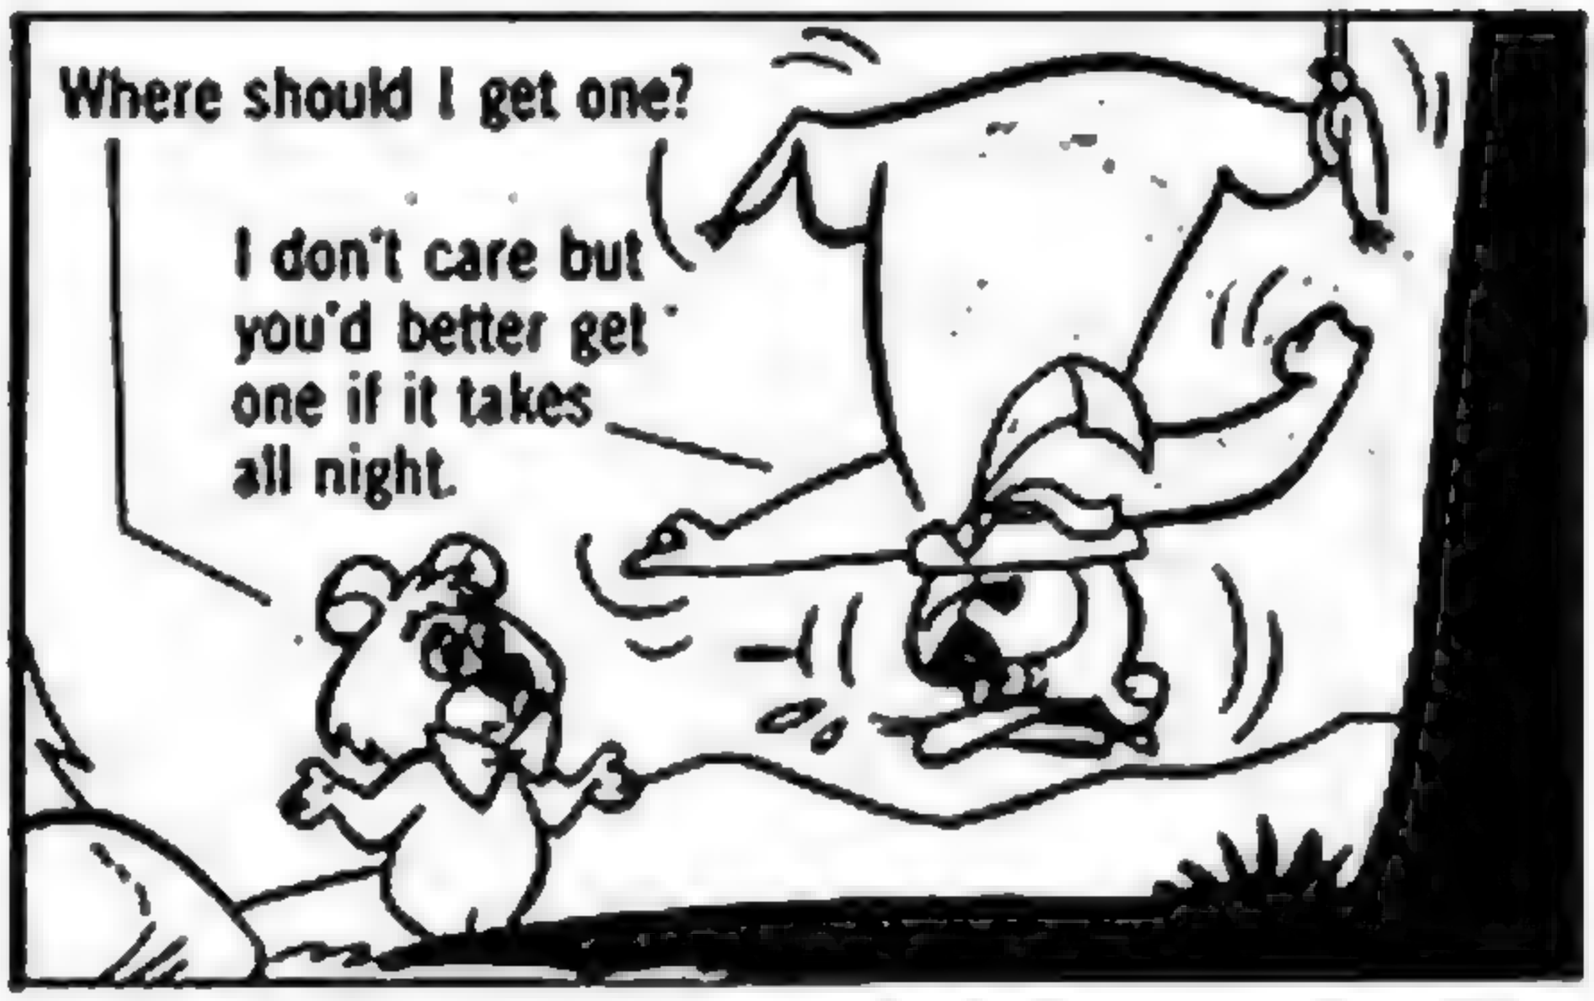


Report to Ranger Smith right away, Yogi. There's a special delivery for you if you want it.

I'm here for my special delivery letter!

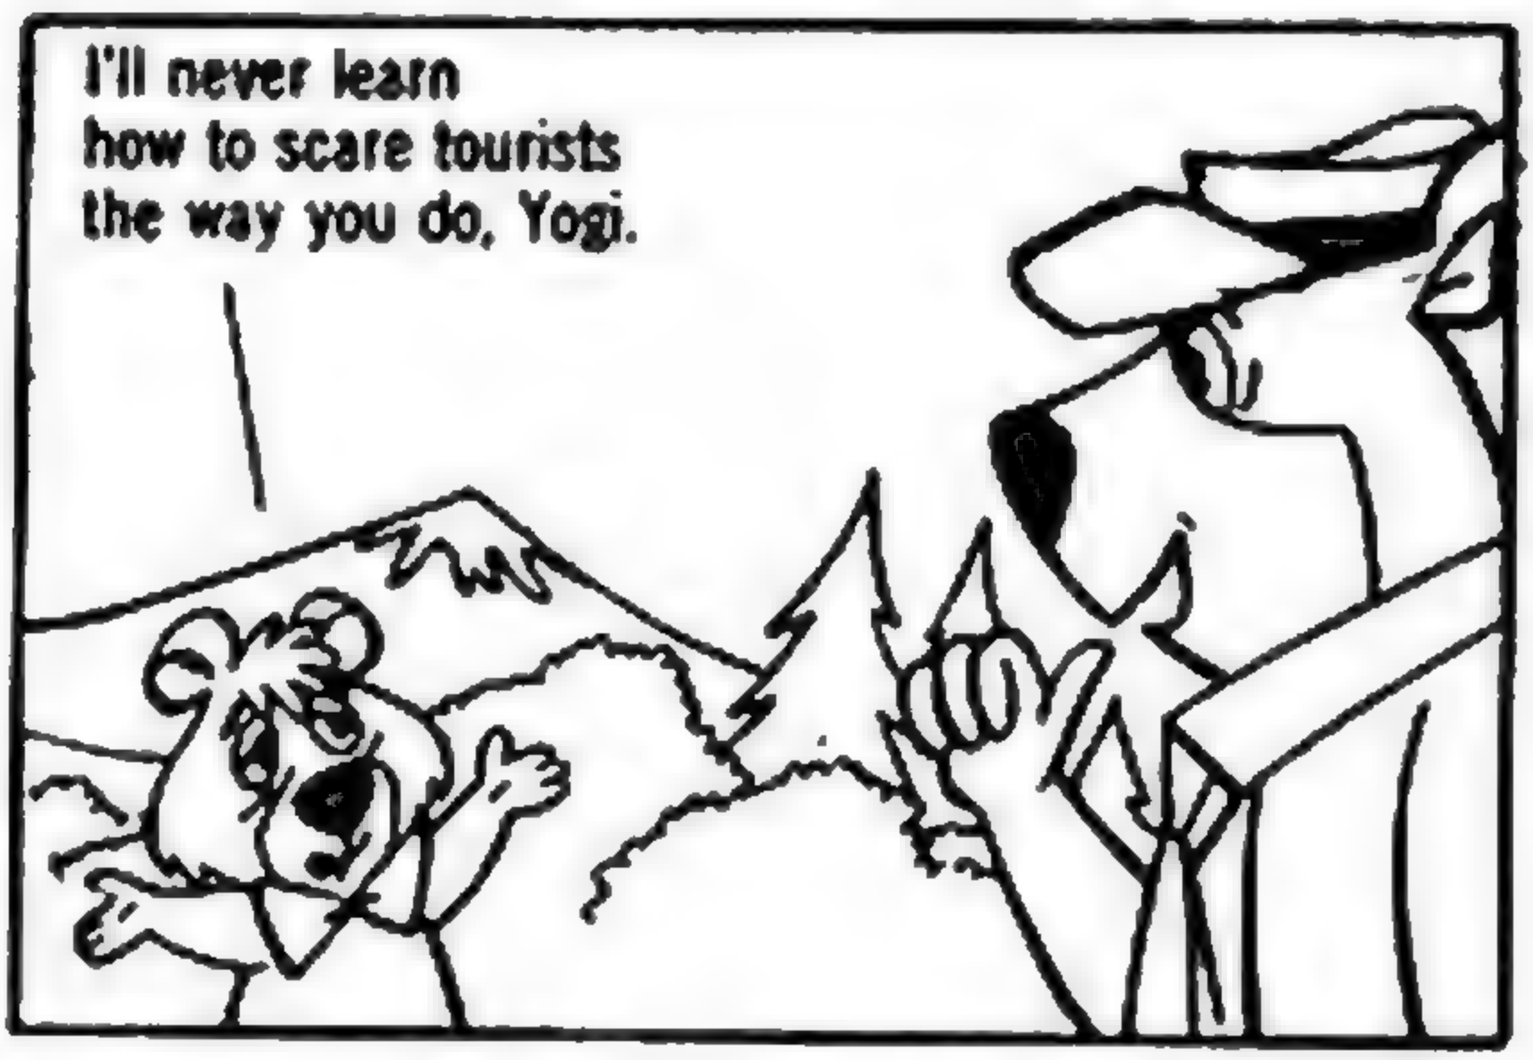
I said litter, not letter.

Help, Boo Boo!
Get me a ladder!



Where should I get one?
I don't care but you'd better get one if it takes all night.

Maybe I should have left out that part about taking all night. Gulp!



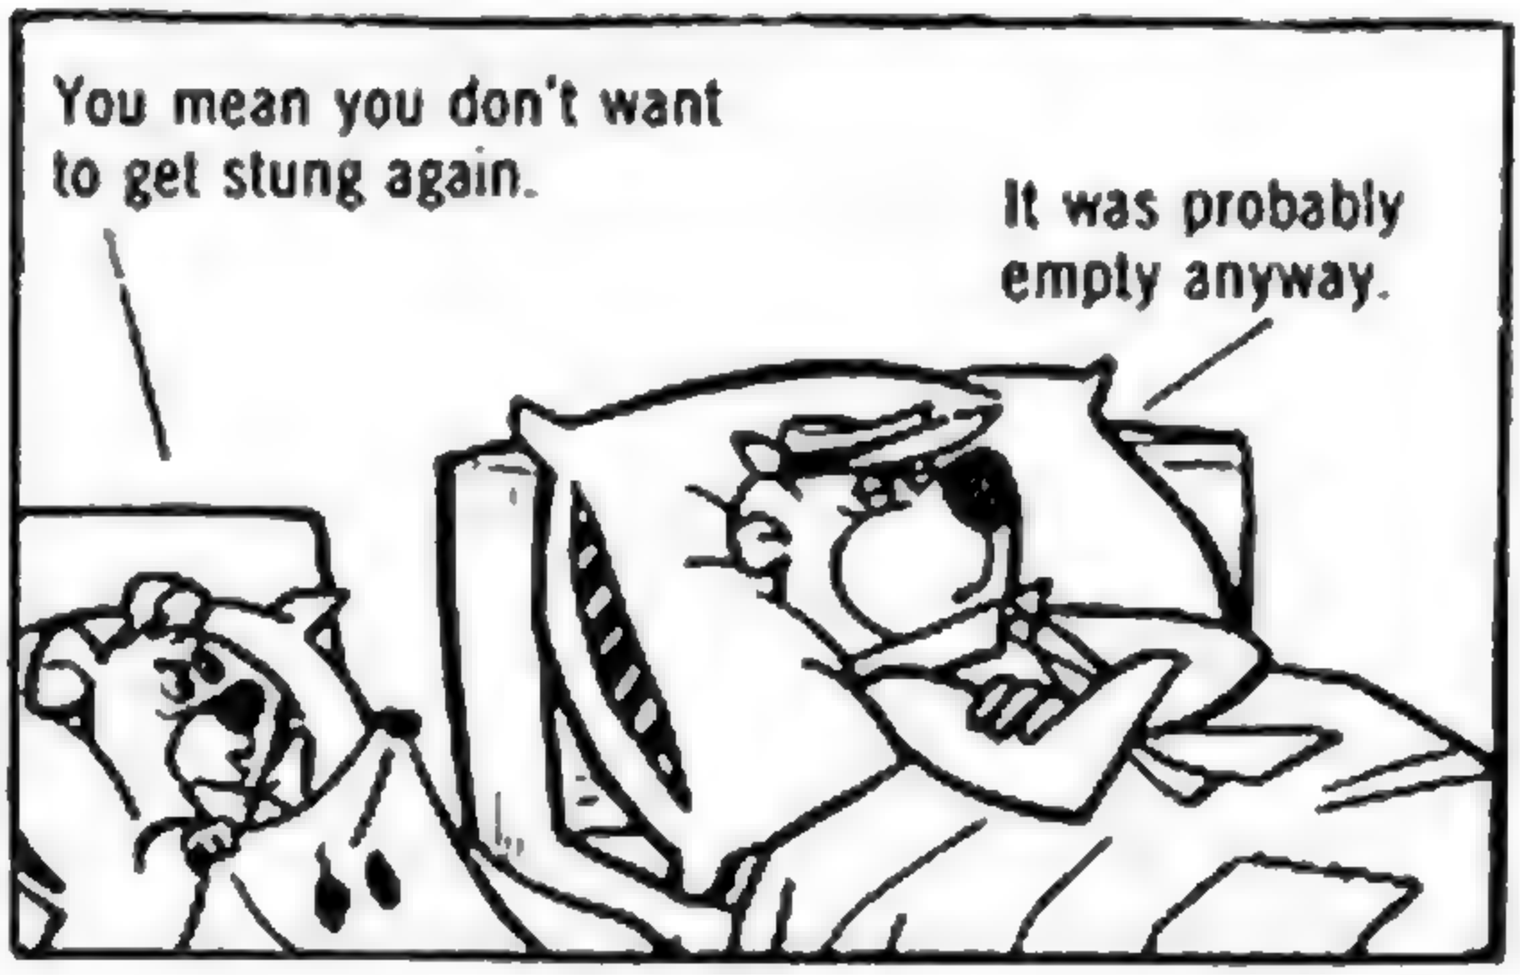
I'll never learn
how to scare tourists
the way you do, Yogi.

That's because I
have a special
talent. Watch!

Mmm hmm. It's because I'll
never have a funny looking
face like you have.

I don't see a beehive.
But there's one right there!

Hush, Boo Boo. I don't want you to think you saw something that wasn't there.

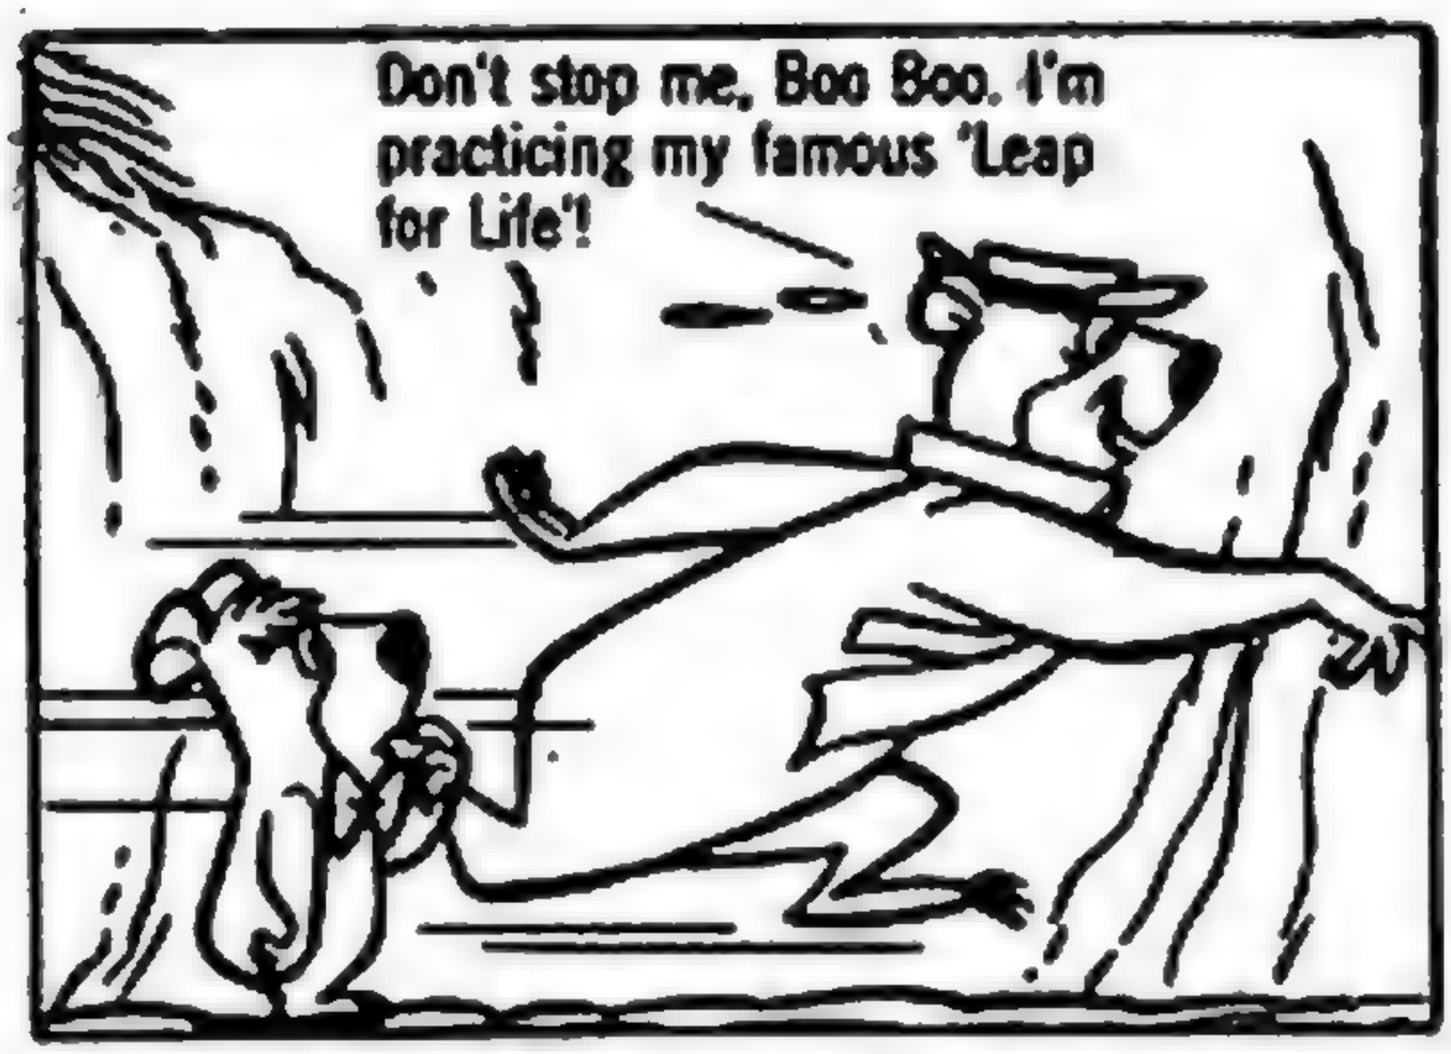


You mean you don't want to get stung again.
It was probably empty anyway.

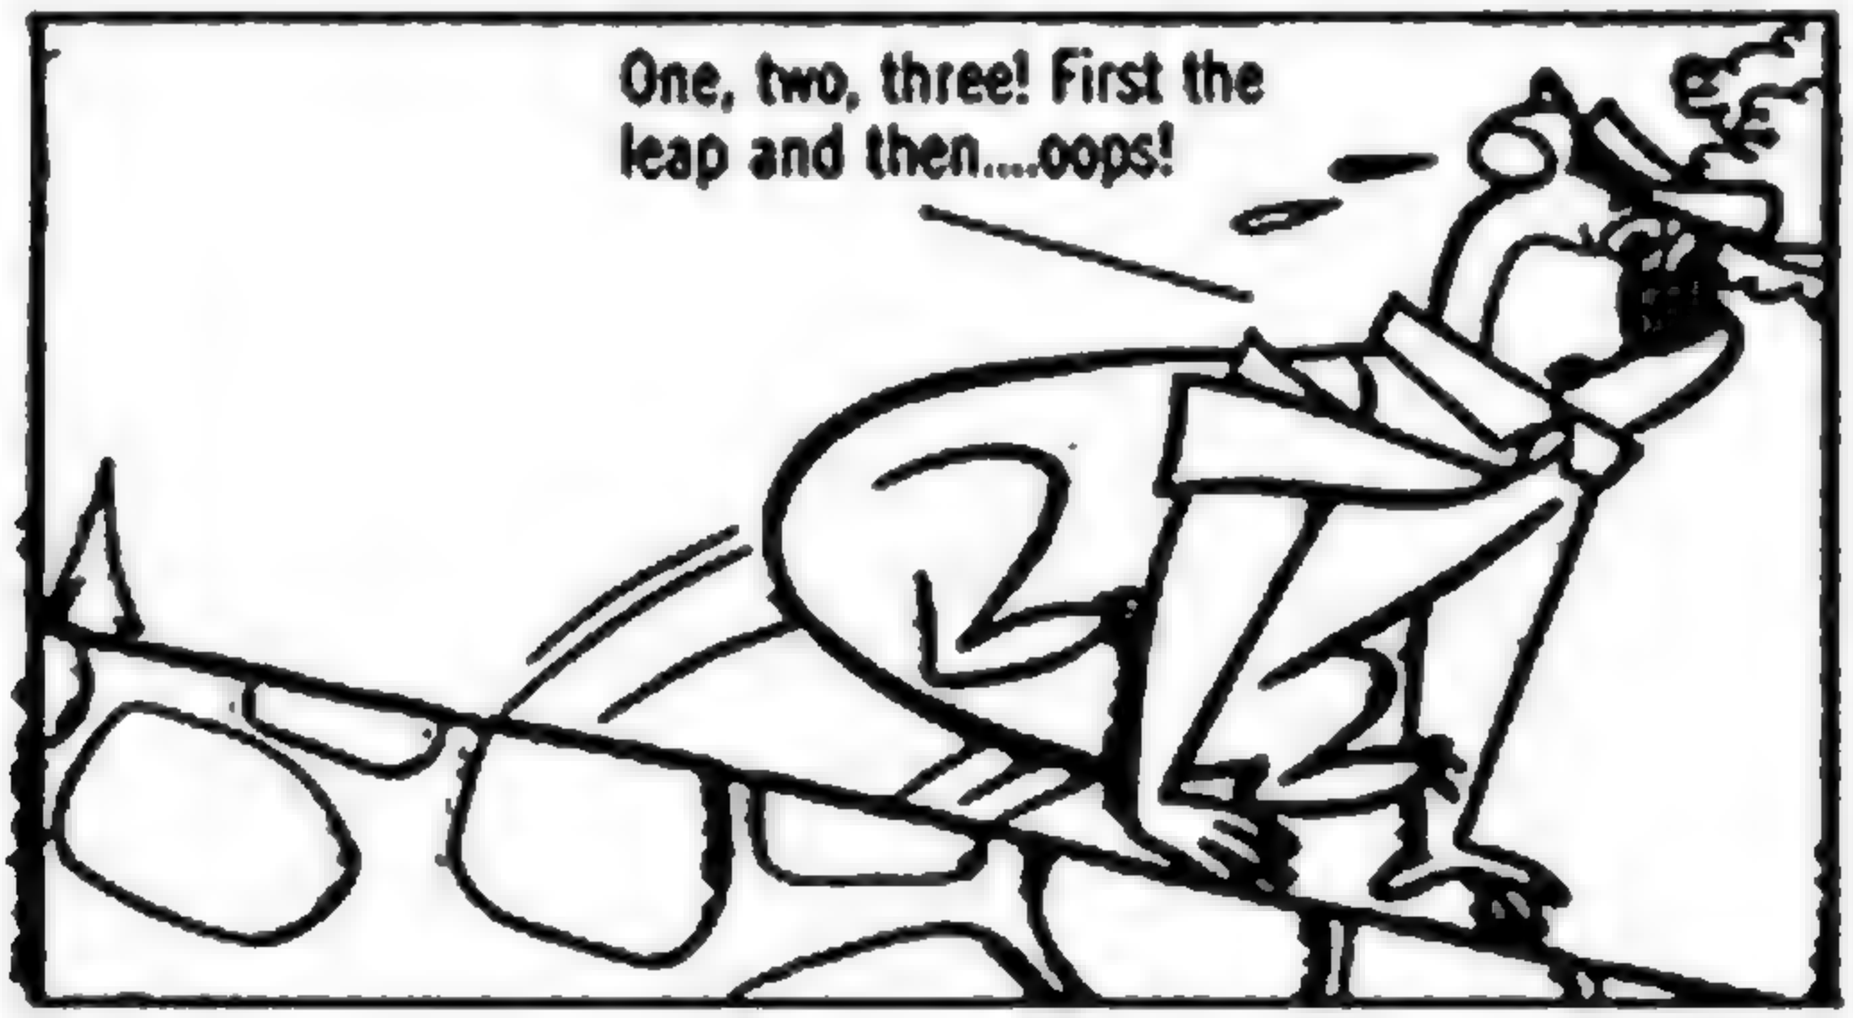
Don't worry, Boo Boo. If Ranger Smith is hiding out there, old Eagle Eye Yogi will let you know.

Yiii!

Ranger Smith is hiding out there
Thanks a lot, "Eagle Eye"!



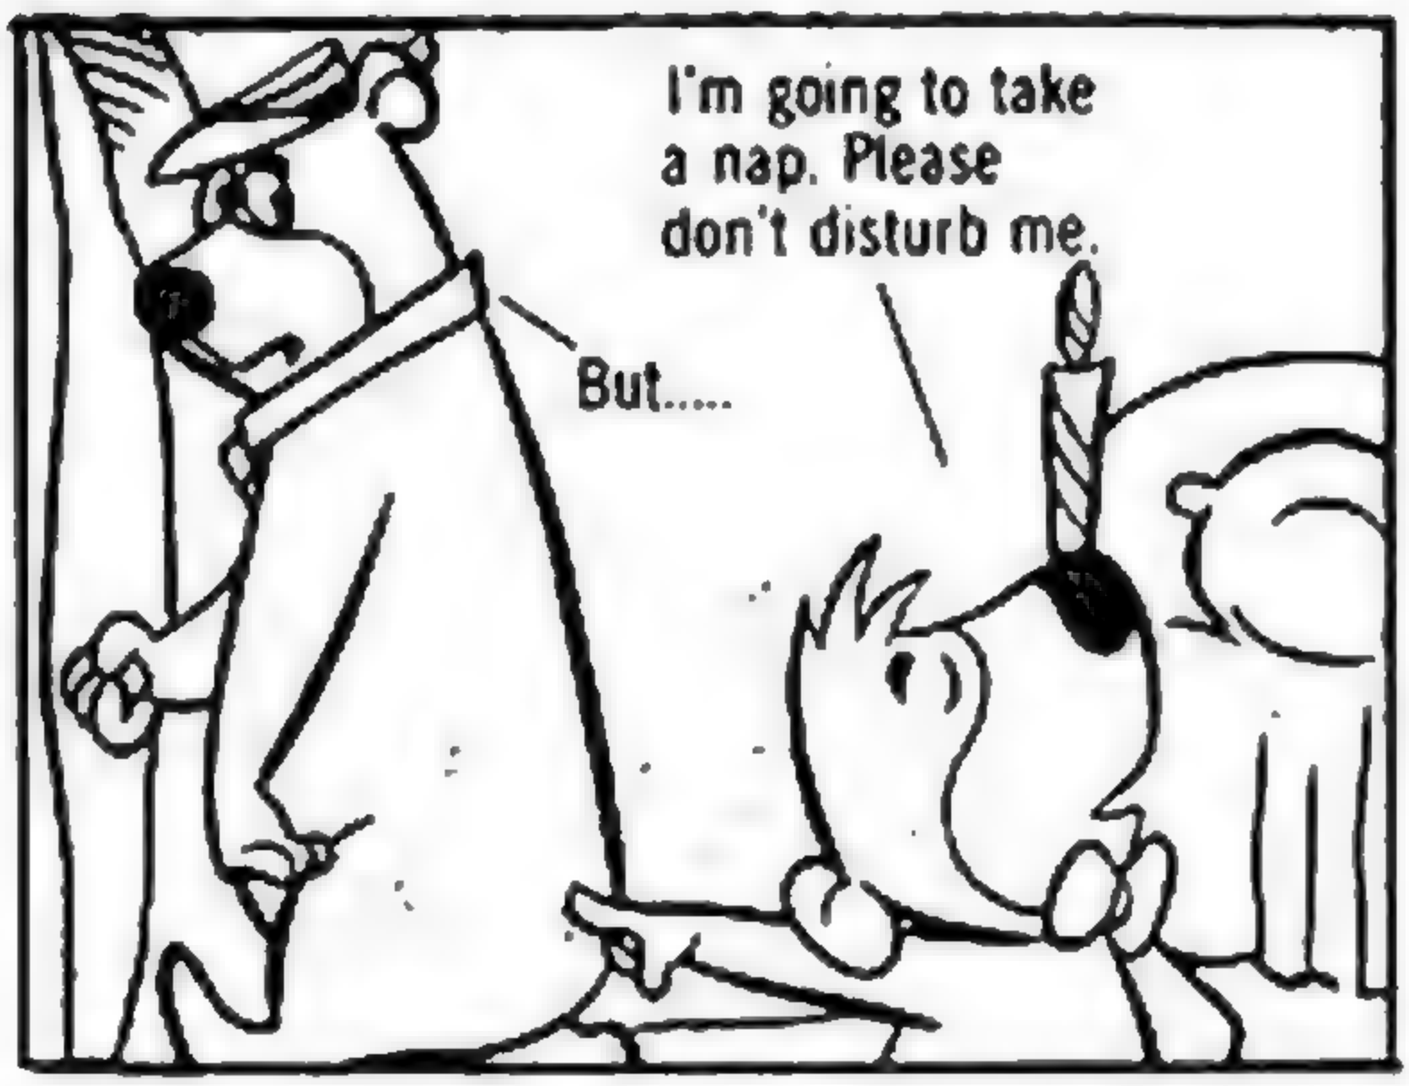
Don't stop me, Boo Boo. I'm practicing my famous 'Leap for Life'!



One, two, three! First the leap and then....oops!

It's supposed to save my life. Not ruin it!

I don't want you hanging around my office, Yogi.
But....



I'm going to take a nap. Please don't disturb me.
But.....

Sometimes I get the feeling even my best friends don't appreciate me.

Where are we going this time, Yogi?

I just heard that Ranger Smith is looking for a couple of big wheels to help him do his job.

I'm the biggest wheel in the park.

That's not the kind of wheel he means, Yogi.

See what I mean?

Grrr.

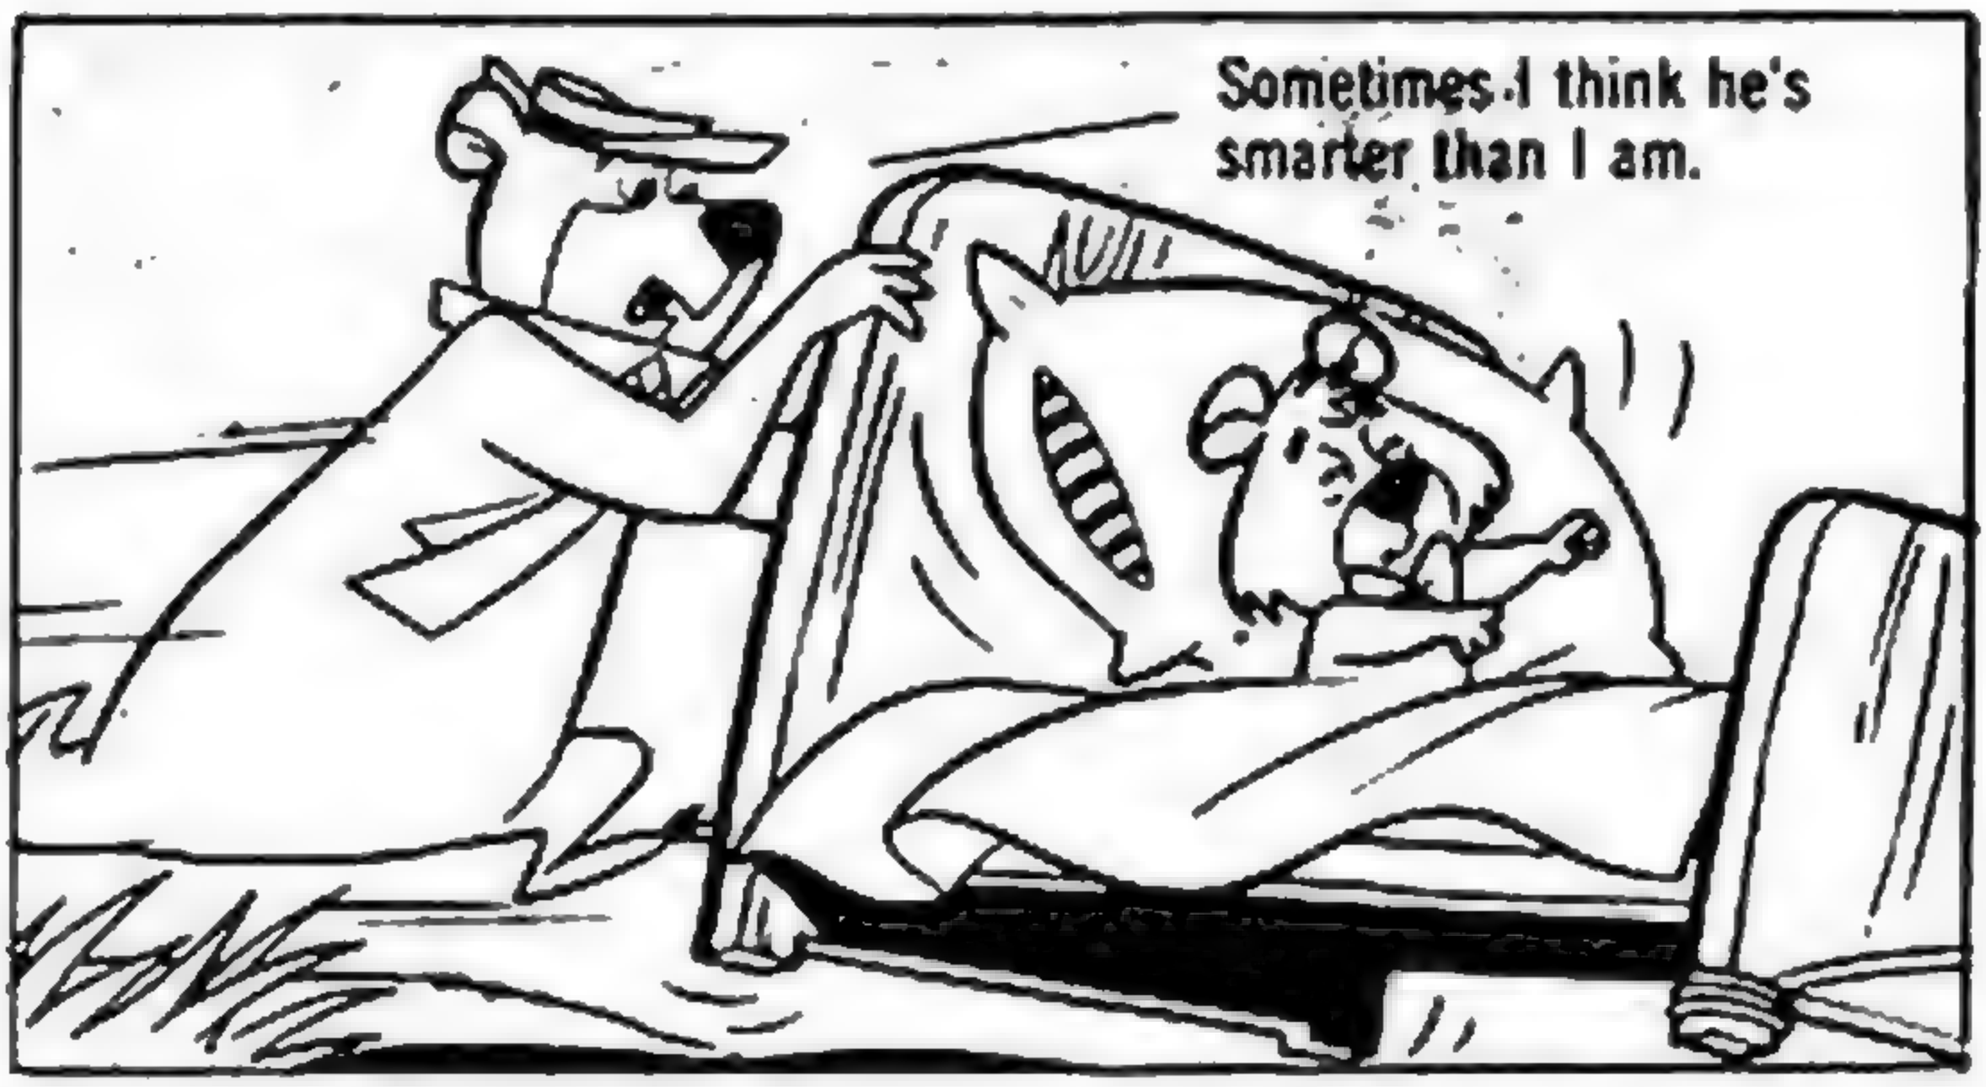
Poor Boo Boo! He just can't take it like I can.

Hunting for picnics in the woods all day long takes a lot of strength.

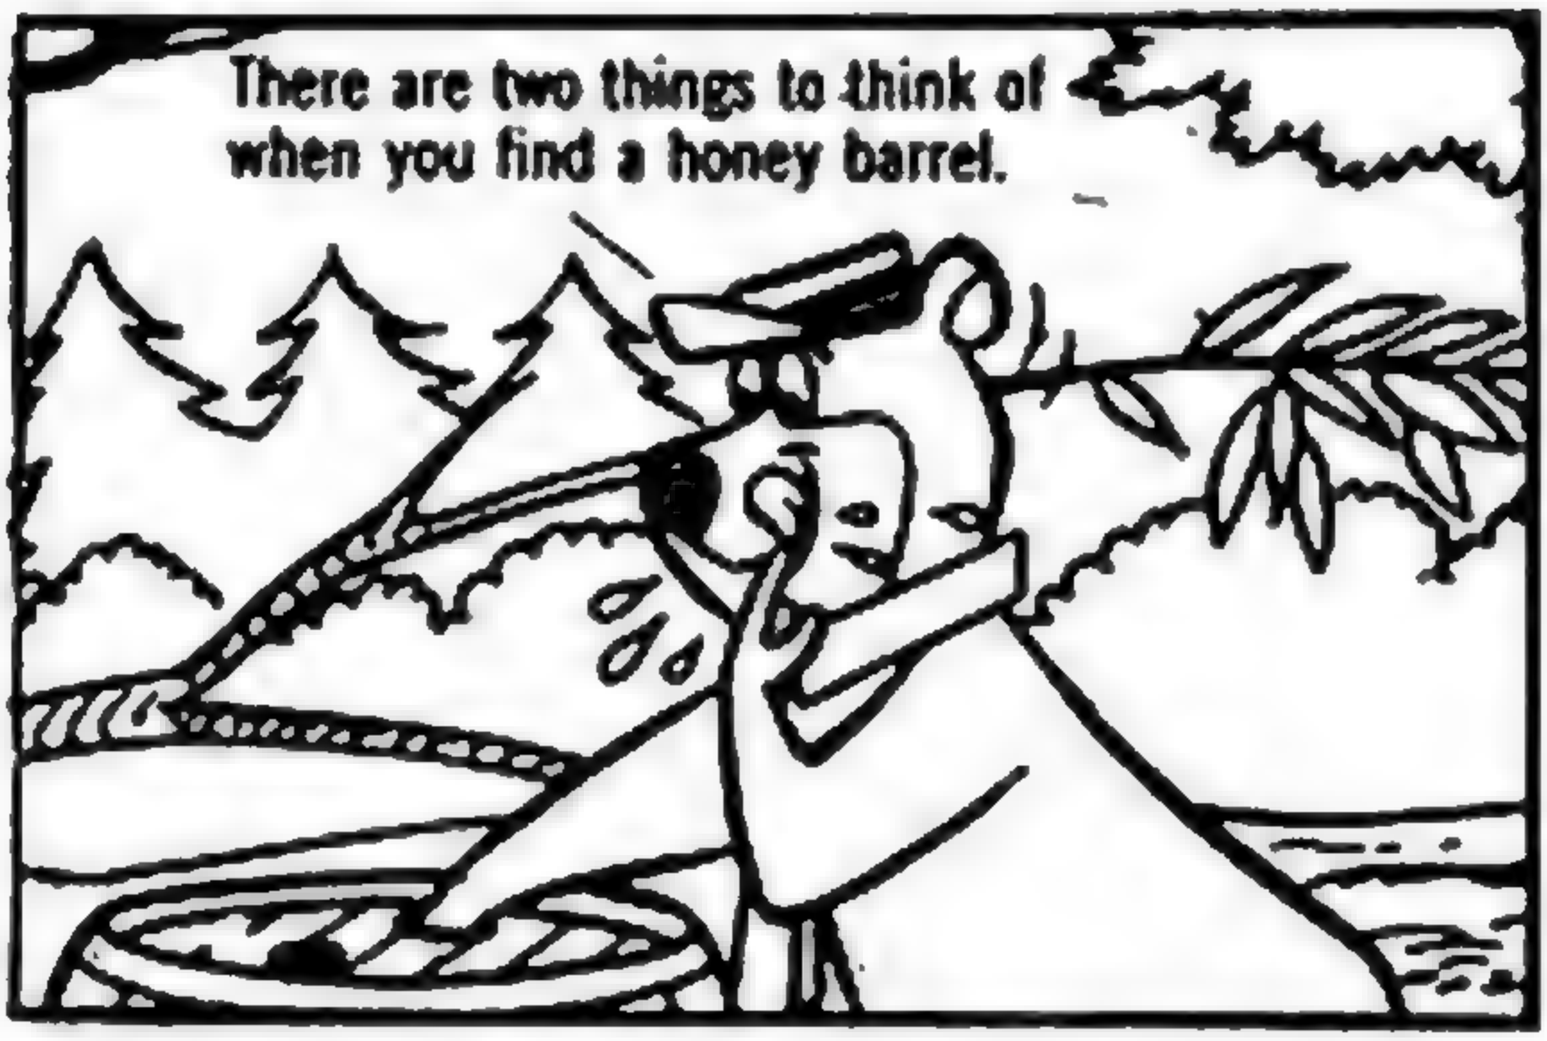
Maybe someday he'll be tough like me. Zzzzzz.

What now, Boo Boo?
I want to go with you but I'm sleepy.

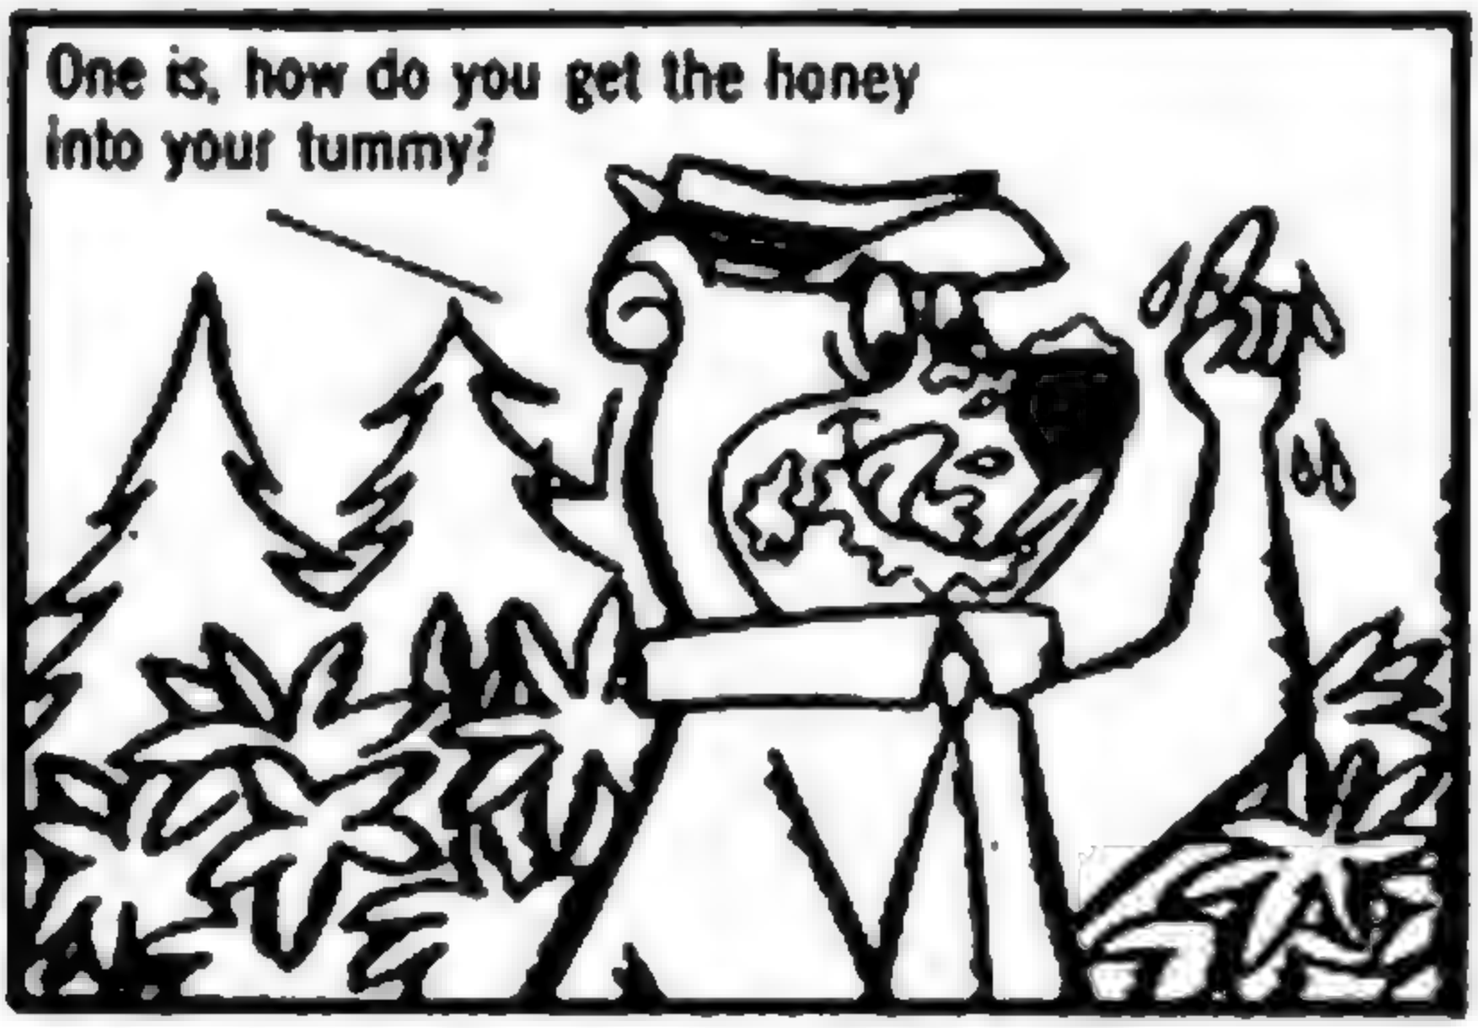
Well, go to bed.
I was hoping you would say that.



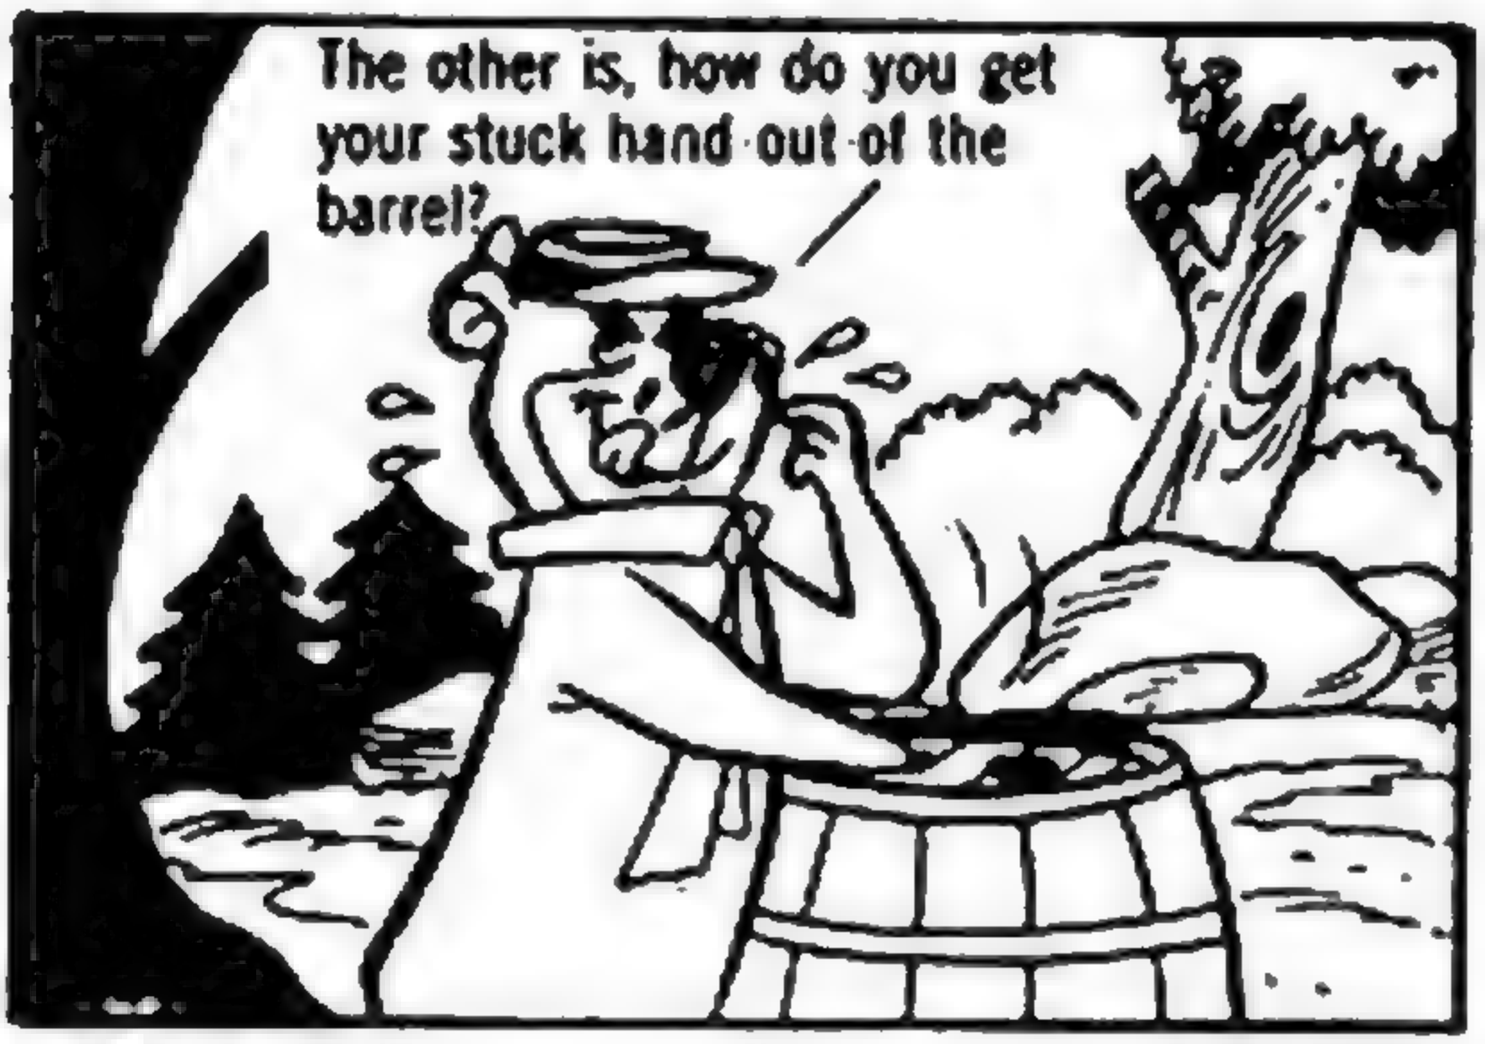
Sometimes I think he's smarter than I am.



There are two things to think of when you find a honey barrel.

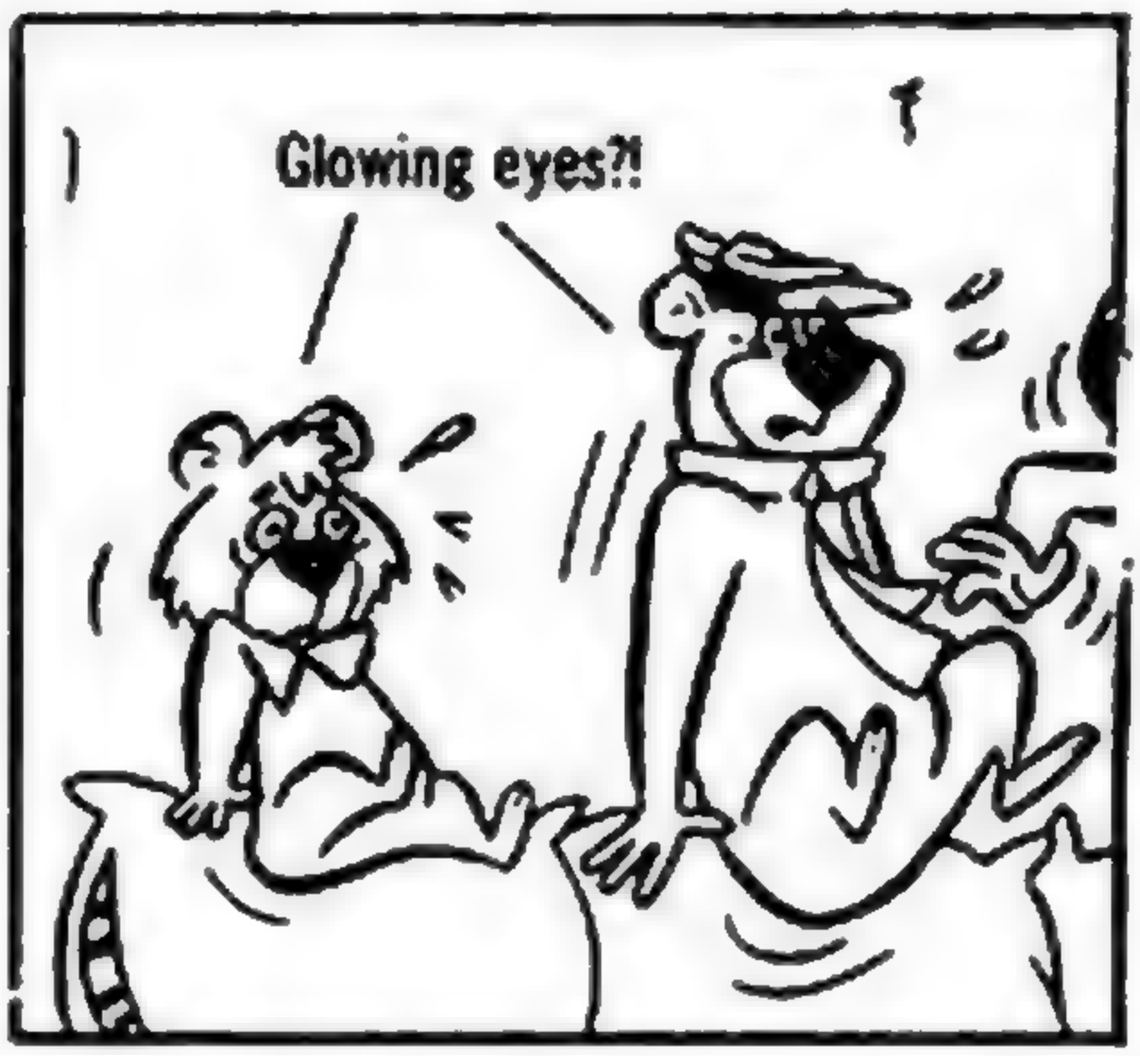


One is, how do you get the honey into your tummy?



The other is, how do you get your stuck hand out of the barrel?

Who was that at the door, Boo Boo?
Nobody. All I saw was a pair of glowing eyes.



Glowing eyes?!

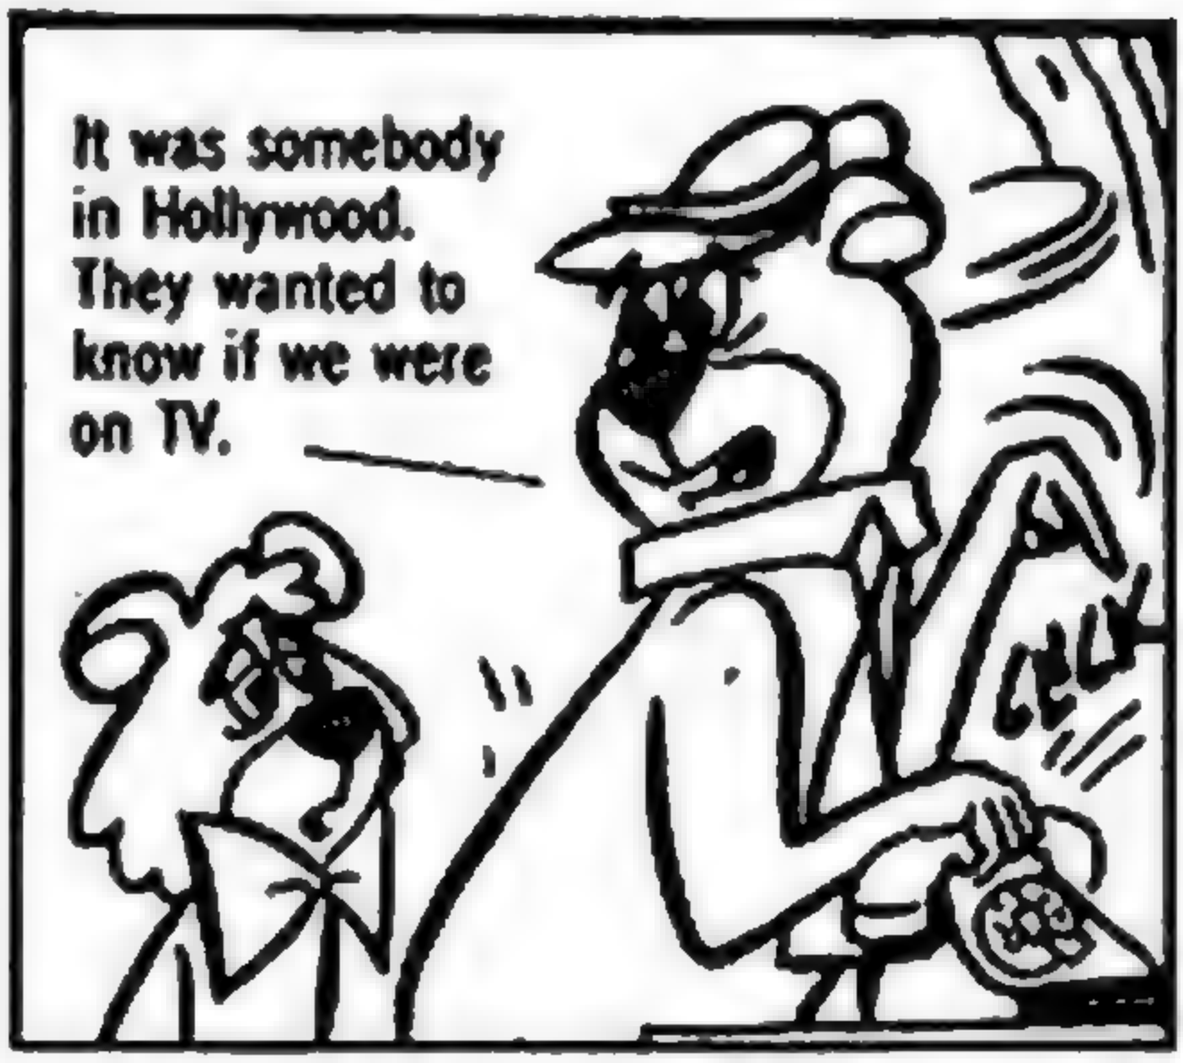
I've changed my mind about hibernating.
Me too!

A serenade is just the thing to get a free hand-out.

Great heavens! A strange beast is attacking Yogi! I'll save you, Yogi.

ZZ!P
ZZ!P
I've heard of angry hornets, but this is ridiculous.

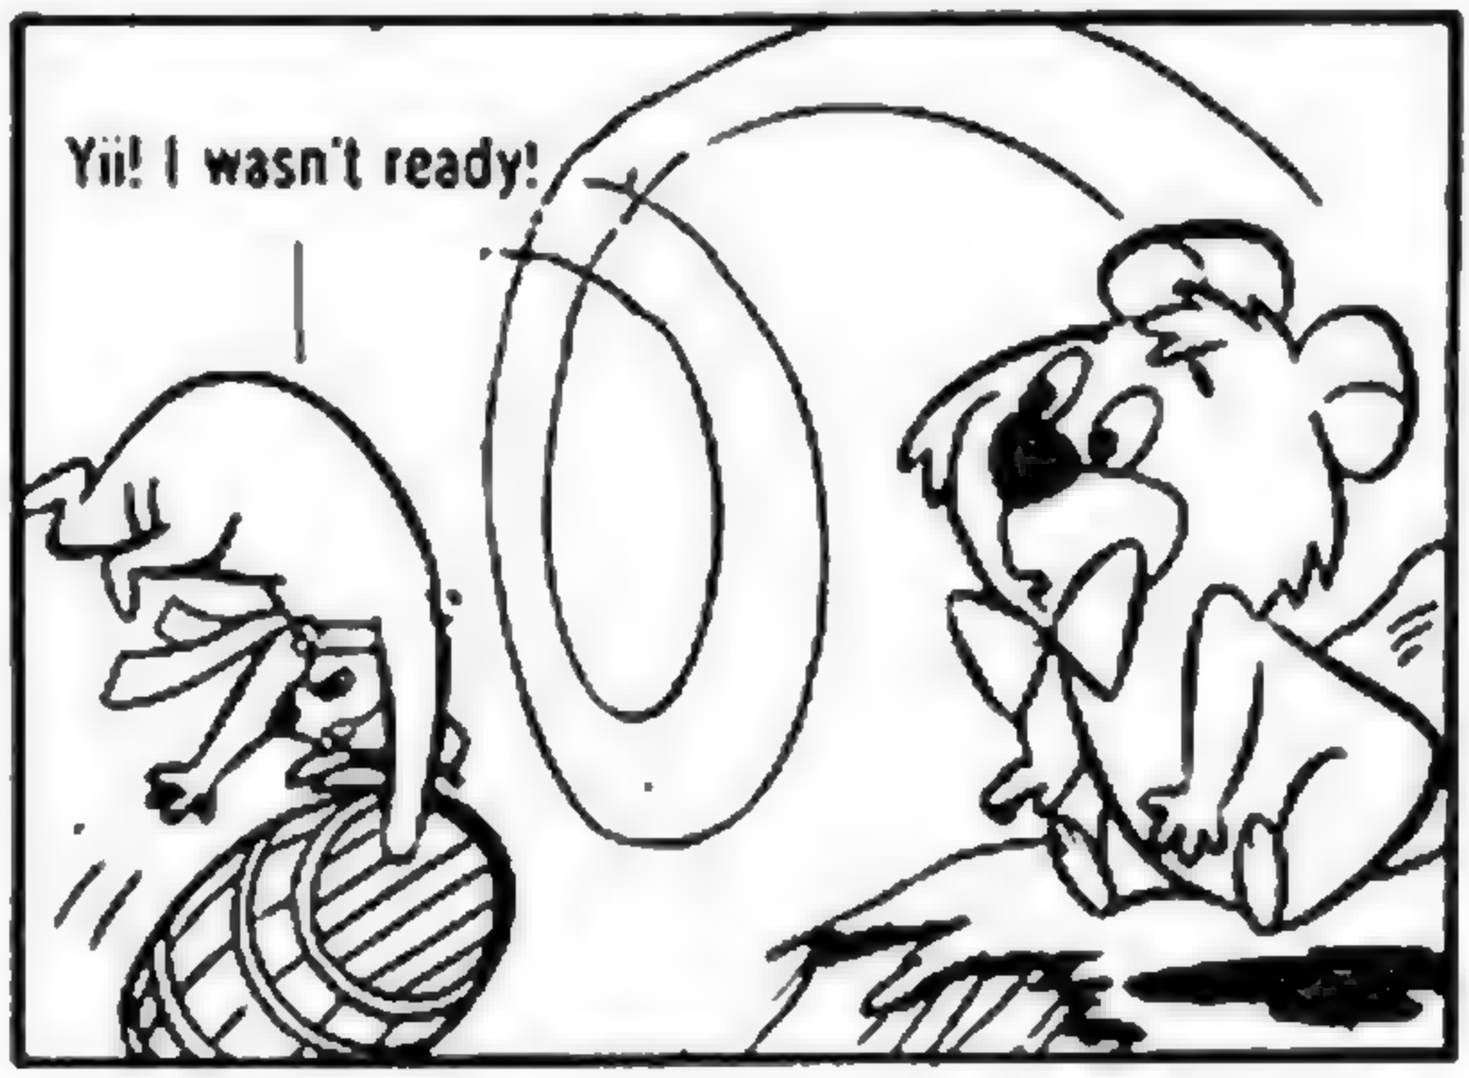
Hello? Hello?
Who is it, Yogi?



It was somebody in Hollywood. They wanted to know if we were on TV.

I told him the bed is a lot softer.

I'm going to be the first bear to go over Pratt Falls in a barrel.



Yii! I wasn't ready!

I think it would be easier to be the first barrel to go over the falls in a bear.

Well, I hope you learned something about being a bear in Jellystone.

You mean what to do when Ranger Smith isn't looking?
No. I mean what we do when he *is* looking!

Good night, Boo Boo.
ZZZZZZ
Good night, Yogi.

On Vacation
